# Discussion

# Iterative Goal Development Process

RDA developed 4 goals based on listening session data and requests from MGPTF staff

MGPTF staff revised and added goals for a total of 8 goals

8 goals presented to the SWP Steering Committee for feedback

RDA and MGPTF met to review feedback

RDA revised goals and sent to MGPTF for revisions

MGPTF & RDA revised goals based on Interagency Team feedback

# Draft Goal Options

## Potential Goals for Inclusion in the 23-25 SWP

1. Continue to Strengthen the Continuum of Care (i.e., prevention, intervention, enforcement, reentry and overall)
2. Strengthen Community through Improvements in Community Spaces
3. Align Elements Focused on School Safety
4. Build Internal and Community Capacity to Support Overall Youth Wellness Efforts
5. Support Efforts Focused on Gun Safety

# Draft Goal 1

Goal: Continue to Strengthen the Continuum of Care (i.e., prevention, intervention, enforcement, reentry and overall)

*DRAFT Objectives:*

- Expand Awareness of the Task Force through a targeted outreach approach (i.e., promotional materials, website, etc.) of available resources
- Lead or participate in a Regional/Statewide Violence Prevention Coalition to share best practices to inform the continuum of care
- Pursue collaborative funding opportunities (e.g., DA, probation, public health)
- Partner with recreation efforts (i.e., Pro-Com, Boys and Girls Club, etc.)
- Explore mobile recreation in Equity Priority Communities

# Draft Goal 2

## Goal: Strengthen Community through Improvements in Community Spaces

### *DRAFT Objectives:*

- Explore/Assess built environments resources to address built environment (i.e., traffic calming, tree trimming, lighting, speed bumps, etc.)
- Create an Interdepartmental Strike Team/Coalition to assess and implement improvements in all Equity Priority Communities

# Draft Goal 3

## Goal: Align Elements Focused on School Safety

### *DRAFT Objectives:*

- Refocus the City School Collaborative to include school safety
- Strengthen the Safe School Campus Initiative school safety strategy (e.g., restore/reaffirm School MDT's)
- Support more efficient coordination of BEST services on campuses
- Align with other school-based efforts (e.g., county initiatives)

# Draft Goal 4

## Goal: Build Internal and Community Capacity to Support Overall Youth Wellness Efforts

### *DRAFT Objectives:*

- Facilitate training to taskforce and community providers in areas of youth wellness (i.e., homelessness, substance use, mental health)
- Improve connection/coordination with partners to meet the wellness needs of youth with a focus on crisis areas contributing to youth violence
- Align and strengthen partnerships with existing efforts in youth wellness areas

# Draft Goal 5

## Goal: Support Efforts Focused on Gun Safety

### *DRAFT Objectives:*

- Support future gun safety policies or ordinances
- Continue to participate in Gun Safety Committee
- Support safe storage, buybacks, gun locks, etc.
- Explore best practices in other jurisdictions
- Monitor the Ghost gun epidemic

# Discussion

The background of the slide features a close-up photograph of a dark asphalt road. Four white, hand-painted arrows are visible, all pointing towards the right. They are arranged in a staggered, vertical sequence on the left side of the frame. The right side of the slide is a solid teal color containing the title and a list of steps.

# Next Steps

- Receive and integrate feedback on goals and objectives from the Policy team
- Finalize goals and objectives
- Receive remaining data pieces
- Share draft plan with SWP Steering Committee in July
- Finalize draft plan and receive feedback in July
- Finalize plan and distribute in August
