RECOMMENDATION

Accept the Open Government Report on posting of public calendars, public record request data, and data regarding posting of agendas and minutes of the City Council and decision-making bodies.

BACKGROUND

On August 21, 2007, the City Council approved a Rules and Open Government Committee recommendation requiring the Mayor and Council, Chiefs of Staff of the Mayor and Council offices, and certain Council Appointees to maintain calendars. Calendar entries are required to include, at minimum, all City-related appointments, including regular and special City Council meetings, public events or speaking engagements, meetings with developers, meetings with consultants, meetings with lobbyists, regional meetings, and meetings of subcommittees or task forces. For each City-related appointment, the name(s), title(s), affiliated organization(s), and a general statement of the issues to be discussed should be included in the calendar entry. The City Council reaffirmed the calendar posting requirements on August 26, 2014, when the Consolidated Open Government and Ethics Provisions were approved.

ANALYSIS

Calendar Posting Compliance

The most recent calendar compliance review was completed on September 30, 2021 for the period of July 1, 2020 through June 30, 2021 (Appendix A). The review shows an average of 95.7% compliance, an increase from 88.5% in the last review (January 2020 to June 2020). Issues for noncompliance include:

- Postings appeared to only include standing meetings. Entries were replicated each week with little to no variation in the postings.
- Postings did not contain enough information to determine if the meeting met the criteria where the minimum details were required.
- Postings were not published on time.
- Positions were vacant.

Public Record Requests

For the period of July 1, 2020 through June 30, 2021, the City completed an estimated 4,318 Public Records Act requests (Appendix B). All Department Coordinators are required to track their requests. There continues to be an increase in the number of requests for “all communications” including emails, data on personal devices, and social media postings. The following table compares the number of requests completed during reporting periods over the past two years.

Requests Completed

Reporting Period	2019	2020	2021	Total for FY 20-21
January through June	2,116	2,116	2,260	4,488
July through December	2,138	2,228	-	

Posting of Agendas and Minutes

The breakdown of the posting of agendas and minutes can be found in Appendix C. For the period of July 1, 2020 through June 30, 2021, the posting of agendas for the City Council, Council Committees, and decision-making bodies maintained the following average of compliance in meeting Sunshine Ordinance and Brown Act regulations:

- City Council: 100%
- Council Committees: 100%
- Decision-Making Bodies: 100%

Synopsis and minutes completion rates showed below are for the period of July 1, 2020 through June 30, 2021. These calculations do not include Study Sessions, cancelled meetings, or any Special Closed Session.

The following is the average of compliance in meeting Sunshine Ordinance regulations through the Matrix of Public Meeting Requirements:

- City Council Synopsis and/or Minutes: 93% completed
- Council Committee Minutes: 82% completed
- Decision-Making Bodies Minutes: 84% completed
