Honorable San Jose Councilmembers,

On Tuesday, November 30, 2021, I strongly urge you to vote for Councilmember Carrasco's memorandum in support of AB 1400, the California Guaranteed Health Care for All Act (CalCare). I work as an In-Home Support Service Provider and I see on a daily basis how our current so-called health care system fails them. Medicare doesn't cover so many treatments they need, so they have to go without, which is detrimental to their physical and mental health. They suffer needlessly! Some of them have ridiculously expensive co-pays, including medications that they desperately need.

People do NOT get a choice of hospital to go to or doctor to see. People should NOT be forced to go to a hospital that has treated them badly in the past or to continue to see a doctor they don't trust.

When my twin sister was dying from cancer it was a nightmare of getting her pain medication covered.

It really is time to get rid of the Insurance companies managing the Healthcare System! AB 1400 Guarantees health care for all, including vision and dental!

Thank you,

Donna Wallach

San Jose, CA 95123-3113

Dear Mayor Liccardo and Councilmembers Jones, Jimenez, Peralez, Cohen, Carrasco, Davis, Esparza, Arenas, Foley, and Mahan

On Tuesday, November 30, 2021, you will have the opportunity to vote for Councilmember Carrasco's memorandum in support of AB 1400, the California Guaranteed Health Care for All Act (CalCare).

This bill would guarantee all California residents full healthcare coverage without co-pays, deductibles, or any other out of pocket costs, regardless of employment status, immigration status or any other criteria.

This will save money for the City while improving the quality of life for all residents. Certainly the pandemic has illuminated the inequities in access, prevention, and cost of our current for profit system. We must do better.

Please vote yes in support of this measure.

Thank you,
Lisa Feldberg,
District 3 resident

[External Email]

Honorable San Jose Councilmembers,

On Tuesday, November 30, 2021, we urge you to vote for Councilmember Carrasco's memorandum in support of AB 1400, the California Guaranteed Health Care for All Act (CalCare).

It has been the longstanding position of Gavin Newsom that California should lead in establishing a M4A program which will be a model to the nation. As elected officials from his party, you probably want to

reduce the amount of shame that you must rightfully feel for being leaders who are not leading, but merely mouthing words insincerely, regarding what is the most important issue of the last 50 years. It will continue to be the most important issue as long as hundreds of thousands of Americans are dying each year from lack of basic medical care.

You need to step up and do your part before you ask for one more person to vote for you. Thankfully, there are a lot of people watching your every move.

Thank you,

Morris Beatty

Hello,

I hope the city can change its position on SB 1383 enforcement. Unfortunately, climate change doesn't take a break while the world continues to deal with the pandemic. The targets associated with SB 1383 are aggressive and reflect the seriousness of climate change. I have seen a nearby city move forward with their initiatives and didn't seem too affected by the pandemic, and San José should seek to meet the deadlines as well.

On a separate note, I'm grateful to see the addition of the Anti-Asian Hate Crimes priority.

Lastly, I'm happy to see the addition of the Parking Requirements priority, with an emphasis on expanding public transit options in low-income communities.

Thank you,
Bobby
