Re: Item 8.1, Measure E Real Property Transfer Tax Refund Pilot Program for Qualifying Nonprofit Real Property Transfers

Dear Mayor Liccardo and Members of the City Council:

I write to you on behalf of the Silicon Valley Council of Nonprofits (SVCN), an alliance of community-based organizations working to support thriving and equitable communities in Santa Clara County.

We appreciate staff's thoughtful work to try to balance the need to maximize Measure E funds and at the same time not negatively impact nonprofit organizations serving community members and neighborhoods in need.

Although we are supportive of the proposed framework, we are concerned about the definition of "human services."

The definition of "human services" may exclude nonprofits that also serve communities who are disadvantaged, including very low-income folks. For example, it could exclude nonprofits who serve those who are unhoused; youth- and foster-youth-serving organizations, neighborhood-based organizations, promotora programs, some legal services, and immigrant services. It also excludes most arts nonprofits.

Our recommendation is to put a short pause on the policy so that we can make sure the definition of human services is broad enough to capture nonprofits that also primarily serve disadvantaged populations.

Regards,

Nick Kuwada, Policy Director
