- (b) Direct the City Clerk to publish notice of the filing of the Director's report, and the time and place of the Public Hearing.

OUTCOME

Adoption of the proposed resolution, as described in recommendation (a) above, will facilitate the scheduling and public notification of a public hearing to be conducted by the City Council on Tuesday, August 9, 2022, whereby the Solid Waste Collection Service Charges, as described above, may be approved for placement on the 2022-2023 Annual Santa Clara County (County) Secured Property Tax Roll.

BACKGROUND

On September 17, 2013, City Council approved a service delivery strategy to collect Recycle Plus payments for garbage and recycling services for single family residential households through the County Secured Property Tax Bill. Subsequently on May 5, 2015, Ordinance No. 29562 was passed by City Council amending Chapter 9.10 of the San José Municipal Code to allow for the billing and collection of garbage and recycling services for each fiscal year by

placing such on the County Secured Property Tax Bill and collected in the same manner, by the person and at the same time as, and together with and not separate from, general taxes. Section 9.10.1202, section B of the San José Municipal Code requires that at least 15 days in advance of the last City Council meeting before the City is required to provide the County Tax Assessor with the amount of the solid waste collection service charges for the purpose of placing the solid waste collection services charges on the tax roll, the Director of Finance is hereby directed to prepare and file with the City Clerk, a written report describing all parcels served by the solid waste collection system for which solid waste collection service charges are to be billed and collected on the tax roll, and the amount of the solid waste collection service charges for each such parcel for the forthcoming fiscal year, computed in conformity with all provisions of this part and the City Council resolution establishing the solid waste collection service charges for the forthcoming fiscal year.

ANALYSIS

The Finance Department requests that the public hearing regarding the placement of the 2022-2023 Residential Solid Waste Collection Service Charges on the County Secured Property Tax Roll be set for Tuesday, August 9, 2022 at 1:30 p.m., or as soon thereafter as the matter may be heard, in the City Council Chambers or via video conference should the City Council not meet in person. The Director of Finance report of the 2022-2023 Residential Solid Waste Collection Service Charges is due to the County Tax Assessor no later than August 19, 2022, to ensure placement on the 2022-2023 County Secured Property Tax Roll.

CONCLUSION

The Director of Finance recommends the City Council to adopt a resolution to set a public hearing to approve placement of the 2022-2023 annual Residential Solid Waste Collection Service Charges on the 2022-2023 Santa Clara County Secured Property Tax Roll.

EVALUATION AND FOLLOW-UP

The Director of Finance will file the Fiscal Year 2022-2023 annual Residential Solid Waste Collection Service Charge report with the City Clerk on or before July 15, 2022.
