Subject: Non 3 star MH Parks to close?

TO: Rules Committee - FYI

I am submitting a PRA for audio recordings of the original Envision 2040 task force meetings.

I am especially interested in the portion of the meeting where they discussed a few mobile home parks and said, according to a source who sent me an email within the last hour "well these aren't AAA parks" and are ready to be redeveloped and go back to light industrial the way they were intended (or something like that). And Brian Schmidt from Green Foothills said, "and where will these people go?"

Let's be transparent, shall we?

The MH residents have the RIGHT TO KNOW THIS.

I have blind copied some MH residents. RESIDENTS DO NOT REPLY IN THIS CHAIN. SEND ME A PRIVATE EMAIL.

A disappointment to show up at the City Council Chambers last night, and find the doors locked; the place empty. **Sharing here, what City Council Members would have heard me say, had there been the open forum we prepared for:**

"There are 2 things you can do

2 things you can do THIS WEEK

that will remove enormous amounts of stress, fear and chronic worry from the hearts and minds of thousands of parents, children, teachers and individuals

1. On your city's EIH website listing, Noble still reads as 'proposed.' The **first thing you can do is UPDATE Noble Status to Not Viable on that EIH website list.** -this would then match with the Sept 9, 2022, Memorandum From Omar Passons to the Mayor and City Council.

2. **Second thing you can do THIS WEEK is give Penitencia Creek Trail, Reach 2, Dedicated Charter Park Status.** There is no reason our beloved perc ponds park should have to wait for all other parks in the entire 10th largest city to be evaluated first before this can be accomplished.

Currently you have 1000's of people enormously stressed, betrayed, untrusting and uncertain

YOU CAN FIX THAT THIS WEEK. You can remedy that THIS WEEK.

Update Noble on the EIH website to Not Viable. Give Reach 2, Dedicated Charter Park Status.

In Jesus Name, I pray, you do not prolong this preventable stress, worry, concern into 2023. Amen" Sandra Harrison Kay
