TO: RULES AND OPEN GOVERNMENT COMMITTEE **FROM:** Rob Lloyd

SUBJECT: SEE BELOW

DATE: November 17, 2022

Approved:

Date:

11/17/22

SUBJECT: UPDATE TO THE AUGUST – DECEMBER 2022 SMART CITIES AND SERVICE IMPROVEMENTS COMMITTEE WORK PLAN

RECOMMENDATION

Approve an amendment to the August – December 2022 Smart Cities and Service Improvements Committee Work Plan¹ to drop the following item from the December 1, 2022, Committee meeting:

Digital Inclusion and Broadband Strategy Status Report.

Purpose: Provide a status report on the Digital Inclusion and Broadband strategy refresh, covering the state of area connectivity, partnership approaches, technologies, permitting, and overall program direction.

(Information Technology/Public Works/Planning, Building and Code Enforcement)

BACKGROUND

The Digital Inclusion and Broadband strategy refresh and assessment is being led by the Library Department as part of the City Initiatives Roadmap's Clean, Vibrant, and Inclusive Neighborhoods and Public Life priority, under the Education, Digital Equity, and Digital Literacy initiative. Staff requests to drop this item from the Smart Cities and Service Improvements Committee and unify it under the Neighborhood Services and Education Committee's December 8, 2022, presentation titled "City Initiatives Roadmap: Digital Equity and Empowerment Program Status Report."

These changes were coordinated with the Library Department and Information Technology Department.
