Analysis
<p>Explain the rationale for staff recommendation, including any mitigating factors that need to be considered (recent legislative action, significant work plan changes, etc.). Please address the following as well.</p>
<p>GREEN LIGHT: The Administration can implement this Nominated Idea under its current work plan. Item should be sent to Council to add to Department work plan. (1) How will the Idea be approached? (2) If adopted, what is its impact and/or tradeoff to the City Roadmap or to a Department work plan, including strategic support? (3) What is the minimum viable scope to move the Idea forward and reduce its complexity?</p>
<p>[Green] Every major city in the US is studying this important issue, allowing us to review and use existing studies. We will incorporate this into the Housing Catalyst work plan. After reviewing best practices, staff will return to Council with recommendations.</p>
<p>YELLOW LIGHT: The Administration recommends Council send this Nominated Idea to the Priority Setting Process due to (describe cost implications, workload impacts, or other factors).</p>
<p>RED LIGHT: The Administration recommends Council not adopt this Nominated Idea due to (describe reason implementation would be difficult if not impossible – conflict with other laws, etc.).</p>
