RECOMMENDATION

Accept the Open Government Report on posting of public calendars, public record request data, and data regarding posting of agendas and minutes of the City Council and decision-making bodies.

BACKGROUND

On August 21, 2007, the City Council approved a Rules and Open Government Committee recommendation requiring the Mayor and Council, Chiefs of Staff of the Mayor and Council offices, and certain Council Appointees to maintain calendars. Calendar entries are required to include, at minimum, all City-related appointments, including regular and special City Council meetings, public events or speaking engagements, meetings with developers, meetings with consultants, meetings with lobbyists, regional meetings, and meetings of subcommittees or task forces. For each City-related appointment, the name(s), title(s), affiliated organization(s), and a general statement of the issues to be discussed should be included in the calendar entry. The City Council reaffirmed the calendar posting requirements on August 26, 2014, when the Consolidated Open Government and Ethics Provisions were approved.

Pursuant to San José Municipal Code Section 12.21.400.B, the Administration prepares a compliance review twice a year covering the January-June and July-December periods and reports the results to the Rules and Open Government Committee. On August 22, 2017, the City Council approved a recommendation from the City Auditor, which was included in the 2017 Audit of Open Government, to add additional information about the status of open government, including public records requests and data regarding posting of agendas and minutes of the City Council and decision-making bodies in this semi-annual report.

**City Clerk's description of posting compliance for synopsis and minutes: The departure of a legislative secretary, continued COVID lockdown, and training to new staff in the Clerk's Office added to an already intensive workload delaying the generation of finalized Council minutes, which are greater in length and complexity than other City meetings. It should be noted that the synopsis for each Council meeting has been available and publicly posted in a timely manner, which accurately reflect the actions taken at the Council meetings.*
