Dear Mayor Mahan and Councilmembers,

We are writing to ask you to appoint Rose Herrera for the District 8 Council seat. Rose is an experienced Councilmember and will be able to do the job immediately. We trust her to represent us and all of the residents of Evergreen. She was a very effective councilmember when she served our district and we believe will be again. She will put the needs of the residents first. She has pledged to fulfill the remainder of the term and not run for the full term in 2024. Please appoint Rose Herrera for D8 council member.

Respectfully,
Chinh and Thu Le

Dear Councilmember Foley,

I am a longtime resident and constituent of council district 8 in San Jose. I understand that the position of councilmember in District 8 is open and will be appointed by the city council. I am writing to recommend fellow district resident and community advocate **Carmen Brammer** for the position.

I know Carmen through her advocacy work for health equity, long term care, and universal affordable healthcare. Most recently, she has worked as the Senior Project Manager for Santa Clara County's Covid-19 Black Project. With her personal experience as a caregiver for her mother, and professional experience in the hi-tech industry, she is familiar with many issues that a typical San Jose resident faces. In many meetings I have observed Carmen contribute positively as a team player, problem solver, and consensus builder. She would be an asset on the city council.

I urge you to consider and support her for this open position.

Thank you.

Dear Mayor Mahan and San Jose City Council Members:

I am writing to express my wholehearted support for San Jose Police Sergeant Tam Truong to be appointed as the next Council member for District 8.

Sergeant Truong has served in many law enforcement capacities, from Deputy Sheriff to Police Officer and from Detective to Police Sergeant, in service to the Santa Clara County and San Jose City communities. He has demonstrated a lifelong commitment to ensuring justice and building equity that reflects his genuine passion for serving our community. As a law enforcement official and father, Sergeant Truong is well-prepared to take on our city's most pressing issues, with a strong focus on public safety, economic vitality, and ensuring that housing is affordable for generations to come.

As a 37-year resident of District 8 and having lived right across the street from Sergeant Truong for several years previously, I have seen him in action firsthand. He is approachable, reasonable, and has excellent communication skills. He has proven himself to be an independent thinker who considers all relevant information before making his own analysis and decisions independent of outside persuasion or influence. He is a man of great ethics who will bring a commitment to integrity and service to the San Jose community.

Having worked at NASA for over 40 years and currently serving on both San Jose Police Chief Anthony Mata's LGBTQ+ community liaison committee and as a Santa Clara County HIV Commissioner, I know the importance of community service. I see that same strong belief and commitment in Police Sergeant Tam Truong.

I have every confidence in Police Sergeant Tam Truong and I believe he is an excellent choice to represent and serve District 8 residents. I know he will provide San Jose with the kind of leadership of which we can all be proud. I urge you, Mayor Mahan and City Council members, to give Sergeant Tam Truong your strongest possible consideration for appointment to the San Jose City Council, District 8.

Sincerely,
David Morse

Dear Honorable Mayor and Councilmembers,

I am a resident of District 8 and an active member of the Evergreen community. My dad Sukhdev S. Bainiwal is an extremely hardworking, selfless man and has been a community volunteer for over 20 years. Countless days and nights, he has spent working on community projects, whether that be to improve the homeless situation in San Jose, bring people together from varying backgrounds and faiths, or be a helping hand for those in need. My dad is the type of person to put others before himself, and others, including my family, can attest to the fact that he puts 110% effort into everything he pursues. Being part of the city council would give him a much larger platform to do what he has been doing for years, and that is being a community leader.

Please support Sukhdev Singh Bainiwal for City Council District 8 Appointment.

Sincerely Yours,

Gurleen Bainiwal

I would like to respectfully express my full support for the appointment of Domingo Candelas for San Jose City Council representing District 8.

Residents of District 8 need a representative that is responsive, accountable, and engaged with the community and that is why Domingo Candelas is the best choice. He will ensure that the needs of the district are placed above politics and will undoubtedly provide sound leadership. His commitment to having a diverse staff representative of the community, building bridges, and finding areas of collaboration are all things he has proven throughout his career in public service.

San Jose City Clerk Toni Taber,

I am writing in regard to the appointment process to fill San José Districts 8 and 10.

As a San José resident, it's clear to me that our city is currently at a critical juncture, in dire need of resources and solutions for public safety, parks, and vital infrastructure. The people of San José are ready to work together with our neighbors and our communities to build a better city!

As you decide who will represent District 8 and 10 on our city council, I urge you to consider leaders that truly represent our broad and vibrant democracy and can deliver good jobs, accessible housing for all, safer neighborhoods, and the prosperity that we all dream of for our families and communities.

I stand alongside a broad coalition of partners from labor, community, and multi-ethnic organizations in supporting a process that would lead to genuine representation for our communities.

Erika Sanchez

REQUEST FOR YOU ALL TO APPOINT SUKHDEV BAINIWAL FOR APPOINTMENT TO THE 2 year CITY COUNCIL POSITION FOR DISTRICT 8, SAN JOSE

My name is Kevin Larsen. I work with many residents on many things in District 8 to make things run well and ensure all people are happy, healthy and have good things happen.

As a parent, I also work with others to care about youth and the diverse District 8 community. I have written over 50 articles in the local paper Evergreen Times to voice community concerns and positive things too. I and others in our community speak highly of **Sukhdev Baniwal** and want him to take over the District 8 City Council position which Sylvia Arenas left due to taking another position.

Sukhdev is a very wise and helpful person. He is a **people-person** and reaches out to help others because he has a calling in his heart to do so. Not only that, he is very intelligent and has a vast business background. This means he will have a running start to step into the Sylvia Arenas position and be well versed in voting with all of you City Council Members on key areas. He will do his homework and be ready to vote in ways that truly represent all cultures in our community. This is why we want you to select him for this important position!

Besides being intelligent he is a great communicator. He respects all equally (women and men) and he works well on projects and community objectives with all cultures with great respect such as Muslim, Hindu, Hispanic, African American Community, Sikh, LGBTQ, Catholic and all others. He works well with everyone! He treats all people equally and walks well among everyone. We greatly respect him and all he does for District 8 and other areas of San Jose. We are very fortunate he is asking to take this 2 year responsibility!

He listens well and that affords him great wisdom in his success of being solution oriented. In a nutshell, he is inclusive, and will do an outstanding job in the open City Council Position because he has the experience, knowledge, and ability.

Sukhdev Baniwal is your go-to choice to replace Sylvia Arenas in the District 8 Councilperson position.

Another thing, **Sukhdev** will visit and communicate with all communities in District 8. And for me, as a resident, it would be so forward and good for the San Jose City Council to honor the people from India who make up a large part of this area, by having a person who is Indian to serve on the San Jose City Council.

So, again, **Sukhdev** has worked and continues to work with all cultures, all people, all religions and too we (many I know in District 8 Community) want you to vote in **Sukhdev** for the District 8 City Council Position for the 2 year position) because it will be best for District 8.

Much more I could write, hope you City Council Members take heed in the words above.

Kevin Larsen

Hello,

I am writing in support of Patti Andrade to serve the people of District 8.

I believe local government needs a representative that lives and breathes the everyday life of his/her constituents. Patti worked with the school communities, neighborhood associations, religious communities, and businesses to understand their needs and wants.

I know Patti as a colleague on the Evergreen School District's Board of Trustees. She was prepared, dug deep into issues, asked the key questions, and helped forge the right solutions to any problems. And she showed up in person to many a community gathering, connecting face to face in real time.

Choosing Patti Andrade to represent the District 8 citizens will be a solid choice during uncertain times.

Regards,

Christopher Corpus
