Dear Mayor and Councilmembers

I have worked in the San Jose community with Sukhdev S. Baniwal for 15 years, and highly recommend him for the District 8 Appointment.

Sukhdev deeply understands how to balance the needs of underserved communities and the general community. As one of the early, foundational board members of Silicon Valley Interreligious Council, he has a lot of experience listening to community members and helping find compromises and solutions to concerns. He has been a reliable partner to diverse communities, always bringing his presence, his intelligence and his moral voice to practical actions. All who know Sukhdev appreciate him as a trusted member of the community who never fails to show up and be engaged. I have also worked with two of Sukhdev's daughters as part of the Teen Interfaith Leadership Council, and I know Sukhdev has the capacity to connect with people of diverse ages, backgrounds and life experiences. In many difference capacities, Sukhdev has long been dedicated to the District 8 community and San Jose. Appointing him to represent District 8 on the City Council would be a logical extension of his many years of dedication and community support.

Sincerely,

Diane Fisher

Referring to the forthcoming elections, I hereby submit my appeal to all of you about candidate Mr. Sukhdev S Baniwal as follows:-

I have known Mr. Sukhdev S. Baniwal for many years. He has been a community volunteer for over 20 years. While living in San Jose, I have been driving Taxicab in the City of San Jose for the last more than 20 years. Dear Honorable Mayor and Councilmember ,

My name is Viet Tran, who is a long time friend of Sukhdev Baniwal. While we were having a conversation on the Vietnamese New Year, Tet, yesterday, I learned from him that he was going to run for a seat at the City Council. Without any hesitation, I am writing this letter to express my strong support for Mr. Baniwal.

I have known Sukhdev for almost 15 years from the high tech industry. He always worked very hard and showed his excellent leadership, not only in technical knowledge but also in the principle of a strong leader who cared for other colleagues and who stood up for what was right. I have also known of his dedication to the community service way before I met him. Needless to say, serving the community is his passion! He worked very hard with the community during COVID time, Natural Disaster time, and in general in the community. When we reconnected from time to time, I learned from him that he has organized hot meal service, blanket drive for needy, multicultural event, and collaborated with other nonprofit.

Like any of you, our community needs a strong leader who has a great passion in helping others, especially those in need. I strongly support Sukhdev Baniwal for the City Council District 8 Appointment.

Dear Honorable Mayor Mahan and esteemed Councilmembers,

I am a resident of District 8 at 2195 Silver View Court, San Jose, and work as a general dentist at 1569 Leann Ave which also falls in District 8 of San Jose.

I want to take your precious time to emphasize certain points which make me strongly believe that Sukhdev S. Bainiwal is the right candidate for representing our district. For about the last 20 years, I have heard the name 'Sukhdev Beniwal' from countless number of my patients and extended family members who got help in one way or another from Sukhdev. He has been instrumental in the Sikh Indian community of the Evergreen area as the first-to-go person when it comes to resolving domestic violence, affordable housing, and many other common issues faced by new immigrants.

He is so passionate about the city of San Jose that whenever a dignitary comes from India or Pakistan to any Sikh Temple in the USA, Sukhdev goes the extra mile to bring the VIP to San Jose. I witnessed it many times when he was able to make arrangements to accommodate such prominent people on very short notice. He doesn't limit the invitation and hospitality of dignitaries to Sikh Gurdwara only but feels very proud to give them a tour of the entire city. I have been very impressed with his larger vision to showcase the City of San Jose, a jewel of Silicon Valley, to the prominent visitors to the Sikh temple.

If Sukhdev Singh Benewal is given an opportunity to be in the City Council, I can see a huge economic growth influx in San Jose based on Sukhdev's good diplomatic relations with prominent leaders from all around the globe whom he often hosts at the Sikh temple San Jose. If any references are required, I can be reached via email or my cell at 408-826-1144. Seeking your support to elect Sukhdev Singh Benewal for the City Council.

Sincerely,

Dalvir Pannu D.D.S.

Greetings Mr. Taber,

My name is Inderjit S. Ahluwalia and I am a resident of District 10. I am an immigration attorney by profession and am an active member of the South Asia Bar Association of North America. I have also been a Board member of the State of California since 2016.

I am writing this letter to support the appointment of Mr. Baniwal for city council. I have known Mr. Sukhdev S. Baniwal for over a decade being a fellow community member. During all these years, he has proven to be a dedicated leader in serving the community. Most notably, after the outbreak of the pandemic, he worked very hard in the community to make sure elderly people have necessary supplies to be safe during the devastated times of our lives. He has organized hot meal services, blanket drives for needy, multicultural events, and collaborated with other nonprofits.

For these reasons, I see no reason why he should not be appointed d for City Council District 8.

Thank you for your kind attention to this matter. If you have any questions, please contact me at my cell phone [REDACTED] or [REDACTED]

Dear Honorable Mayor and Councilmembers,

I am a resident of District 19 and participate in the Evergreen Community. Sukhdev S. Baniwal is one of the hardest working community member I have had the honor of meeting. He has been working diligently for the past 20 years to make our neighborhood a better place.

This can be seen when he helps many families and individuals by organizing events such as hot meal services, blankets drives, and other nonprofits to give back to the community. He also helped a lot during the COVID and Natural Disaster time. As well as making sure every ethnicity is recognized by holding many multicultural events.

Please support Sukhdev Singh Baniwal for City Council District 8 Appointment.

Thank you,

Dear Honorable Mayor and Councilmembers,

My name is Viet Tran, who is a long-time friend of Sukhdev Baniwal. While we were having a conversation on the Vietnamese New Year, Tet, yesterday, I learned from him that he was going to run for a seat at the City Council. Without any hesitation, I am writing this letter to express my strong support for Mr. Baniwal.

I have known Sukhdev for almost 15 years from the high-tech industry. He always worked very hard and showed his excellent leadership, not only in technical knowledge but also in the principles of a strong leader who cared for other colleagues and who stood up for what was right. I have also known of his dedication to the community services way before I met him. Needless to say, serving the community is his passion! He worked very hard with the community during COVID time, Natural Disaster time, and in general in the community. When we reconnected from time to time, I learned from him that he has organized hot meal services, blanket drives for needy, multicultural events, and collaborated with other nonprofits.

Like any of you, our community needs a strong leader who has a great passion in helping others, especially those in need. I strongly support Sukhdev Baniwal for the City Council District 8 Appointment.

Sincerely yours,

Viet Tran

Dear Mayor and Councilmembers

I have worked in the San Jose community with Sukhdev S. Bainiwal for 15 years, and highly recommend him for the District 8 Appointment.

Sukhdev deeply understands how to balance the needs of underserved communities and the general community. As one of the early, foundational board members of Silicon Valley Interreligious Council, he has a lot of experience listening to community members and helping find compromises and solutions to concerns. He has been a reliable partner to diverse communities, always bringing his presence, his intelligence and his moral voice to practical actions. All who know Sukhdev appreciate him as a trusted member of the community who never fails to show up and be engaged. I have also worked with two of Sukhdev's daughters as part of the Teen Interfaith Leadership Council, and I know Sukhdev has the capacity to connect with people of diverse ages, backgrounds and life experiences. In many difference capacities, Sukhdev has long been dedicated to the District 8 community and San Jose. Appointing him to represent District 8 on the City Council would be a logical extension of his many years of dedication and community support.

Sincerely,

Diane Fisher

Hello Dear Mayor and Council Members

I would like to recommend Sukhdev Singh Baniwal for the Appointment of District8 Councilmember.

He has been a committed community leader for most of his life and actively engaged in San Jose for much of that time period.

He brings the experience and understanding of the local community. Tech professionals are a large portion of San Jose residents and so is he. He understands and can represent their voices, and also those of the workforce in services, labor, and businesses. During this time, he has been focussed on serving the local community and supporting the rest of the bay area as well. His practices service above self, and that is what San Jose can benefit from. During COVID we worked directly in helping bring food, PPEs, and more to the community. In addition, he has been on the founding and management team of one of San Jose's icons, San Jose Gurdwara. Through the Gurwdara he has provided services to support the homeless, local charities like Sacred Heart and Catholic charities, participated in interfaith dialogue, hosted Scouts, and much more. I believe he will be a great addition to the council using his belief system for fairness, equality, and the value of betterment for all.

I hope to see him on the council to help bring more success to the city, help address its needs, and add value!

With regards,

Honorable Mayor and Council Members,

Subject: Support for Sukhdev Singh Baniwal for District 8

I have been resident of San Jose since last 40 years personally known Sukhdev Singh Baniwal and his Late father Jit Singh Baniwal since last 35 years. Baniwal family has served the Sikh Community whole heartedly.

Sukhdev has provided outstanding community services over years. To show his commitment to take care of the poor and homeless, about 10 years he started community Guru Nanak (First Guru and founder of Sikhism) Walk with sole purpose of raising funds to buy blankets for the homeless. Many times he was at the forefront for providing hot meal services for the homeless, started Sikh cultural events at San Jose Sharks games, actively involved at July 4th parade in San Jose and various other activities.

When COVID19 spread through out the world, Sukhdev joined hands with several other volunteers to take care of 12 Sikh Gurdwara employees who were infected. In April 2021, in New Delhi, India virus was spreading rapidly. Sukhdev with other volunteers acquired 100 oxygen concentrators from China, raised funds for them, and have them delivered to the Delhi Gurdwara Management Committee to distribute them where needed.

Therefore, I support Sukhdev Singh Baniwal for District 8 appointment. I assure you that you will see results of his relentless services yourself after his appointment

Best Regards,  
Harinder Anand
