Dear Honorable Mayor and Councilmembers,

I am an active member of the Evergreen community. I have known Sukhdev S. Bainiwal for about 25 years. He is an Engineer by profession and hero in his community and society. He is always available to serve with high sense of responsibility and care.

He grew up in a family of community service volunteers. His father, Jit Singh Bainiwal was one of the main founders of the Sikh Gurdwara San Jose. His uncles are very active in the community service at this time too. Community Service and volunteering is instilled in his blood. I met him doing volunteer work. He commands a very high respect in the community. He knows how to handle problems and serves people with very calm demeanor. His passion to help others shines through his selfless actions that too with utmost patience. His moral values and integrity are commendable. A stranger would call him any time of the day, he will be there. For example, weekend before last, it was raining very hard, a woman heard about his helping nature and called him that she was a single mother and was sick that her kids had no food, he not only arranged food but arranged the whole month's grocery for her too. He arranges blankets and warm clothes for homeless people every year. He contacted some doctors and arranged a free medical Clinic for anybody in the community who needs care and short and free check-up at Sikh Gurdwara San Jose. During Covid he worked tirelessly helping sick people at the risk of his own health with medicines and providing them groceries, cleaning stuff and other basic needs. He does the same any time there is Natural Disaster.. Once a person meets him, never forget his kindness and passion to help others. You can call him any time, you will always hear back from him, does not matter how busy he is. He always finds time for multicultural events, and collaborates with other non-profit organizations and arranges different services for his community. He is a true hero in the Evergreen Community, District 8.

Please support Sukhdev Singh Bainiwal for City Council District 8 Appointment.

Sincerely Yours,
Surjit K. Grewal

Dear Honorable Mayor and Members of the City Council,

I am writing to express my wholehearted support for Sergeant Tam Truong to be the next Councilmember for District 8.

His lifelong commitment towards ensuring justice and building equity reflects his genuine passion for serving our community. As a law enforcement Sergeant and a father, Tam is well-prepared to take on our city's most pressing issues, including public safety, economic vitality, and ensuring housing is affordable for generations to come.

I believe he is the best choice for District 8 residents and I know he will provide San Jose the kind of leadership we can all be proud of. I urge you to appoint Tam Truong to the San Jose City Council.

Sincerely,

Jesse
District 8 Resident
