I hope this email finds you well. I am writing this email to voice my support for Sukhdev Baniwal in District 8 city council. I've known Baniwal Uncle since I was a toddler and just seeing the amount of selfless service that he has put in and what an inspiration he has been to our community is beyond anything I can describe. Baniwal Uncle has displayed what it means to be a good humanitarian for coming generations and I'm sure many people can attest to that. He has not just been involved in the Punjabi/Sikh community but has been a voice for many others such as during the National Disaster programs. I have no doubt that given all of your support Baniwal uncle will continue to do honourable and noble deeds as well as help progress the city of San Jose for the better all while inspiring the next generation. Please support Sukhdev Baniwal for City Council of District 8.

San Jose City Clerk Toni Taber,

I am writing in regard to the appointment process to fill San José Districts 8 and 10.

As a San José resident, it's clear to me that our city is currently at a critical juncture, in dire need of resources and solutions for public safety, parks, and vital infrastructure. The people of San José are ready to work together with our neighbors and our communities to build a better city!

As you decide who will represent District 8 and 10 on our city council, I urge you to consider leaders that truly represent our broad and vibrant democracy and can deliver good jobs, accessible housing for all, safer neighborhoods, and the prosperity that we all dream of for our families and communities.

I stand alongside a broad coalition of partners from labor, community, and multi-ethnic organizations in supporting a process that would lead to genuine representation for our communities.
