**SUBJECT: ADOPTION OF A RESOLUTION OVERRULING OBJECTIONS TO THE
2023-2024 WEED ABATEMENT COMMENCEMENT REPORT AND
DIRECTING THE REMOVAL OF WEEDS OR REFUSE**

RECOMMENDATION

Conduct a Public Hearing and adopt a resolution:

- (a) Overruling any and all objections to the 2023-2024 Weed Abatement Commencement Report; and
- (b) Directing the Santa Clara County Consumer and Environmental Protection Agency to abate the seasonal and/or recurrent public nuisances on those properties identified in the 2023-2024 Weed Abatement Commencement Report pursuant to Chapter 9.12 of Title 9 of the San José Municipal Code and the Weed Abatement Agreement between the City of San José and the County of Santa Clara.

SUMMARY AND OUTCOME

Adoption of this resolution overrules any objection to the 2023-2024 Weed Abatement Commencement Report (Report) (**Attachment**) and enables the County of Santa Clara's (County) contractor to commence the Weed Abatement Program for 2023-2024 in compliance with an existing agreement between the City of San José and the County. The program will result in the abatement of weeds and dry hazardous vegetation on vacant parcels, reducing the threat of fire and risk to persons and property.

BACKGROUND

On December 13, 2022, the City Council adopted Resolution 80818 accepting the Report, compiled by the County's Consumer and Environmental Protection Agency (CEPA), which

identified private properties to be included in the County's Weed Abatement Program. The adopted resolution declared that certain noxious or dangerous seasonal and recurrent weeds and refuse on properties identified in the Report are a public nuisance and directed CEPA to notify owners of real properties identified in the Report of this public hearing. This public hearing is the opportunity for property owners to object to the inclusion of their property in the County's Weed Abatement Program, as well as the proposed removal or abatement of weeds and refuse from their property, as provided in Section 9.12.190 of the San José Municipal Code.

ANALYSIS

Pursuant to Chapter 9.12 of Title 9 of the San José Municipal Code and the Weed Abatement Agreement between the City of San José and the County, this public hearing to receive any objections from property owners to the inclusion of their property in the County's Weed Abatement Program and/or the proposed removal or abatement of weeds and refuse from their property is the next step in the Weed Abatement Program process. CEPA provided written notice to each property owner listed in the Report, including the date, time, and location of this hearing; information regarding the program and fees; and clear guidelines to facilitate compliance.

Historically, few property owners attend the public hearing to raise objections to their parcels being included in the Weed Abatement Program. Property owners that appear generally have recently purchased the property and seek clarification regarding the Weed Abatement Program or wish to advise City Council that they will comply with removing the hazardous vegetation, within the guidelines as set forth in the program. Even though a parcel is included in the Report, property owners have been notified of minimum fire safety standards and will still have the option of abating weeds and dry hazardous vegetation themselves before March 1, 2023. Property owners are responsible for an annual fee of \$92 to cover the cost of the compliance inspection. Parcels found non-compliant on or after the March 1, 2023 deadline will be charged a processing fee of \$519 and the property will be scheduled for abatement by the County contractor. If the property owner abates the weeds before the County contractor performs the work, no further charges are assessed. If the County contractor performs the work as scheduled, the property owner is assessed the contractor's charges, plus an additional County administrative fee of \$891 per parcel. The property owner will be given an opportunity to dispute any charges proposed for assessment on the property at a public hearing before the Appeals Hearing Board. The fees approved for assessment by resolution of the Appeals Hearing Board will be added to the property tax bill and collected by the County.

The Department of Planning, Building, and Code Enforcement reviewed the Report and recommends that any objections from property owners to the inclusion of their property identified in the Report in the County's Weed Abatement Program, and/or the proposed removal of the seasonal and recurrent weeds and refuse from the property, be overruled. Further, staff recommends that City Council direct the Director of Planning, Building, and Code Enforcement to notify CEPA to abate the public nuisances on properties identified in the Report pursuant to

Chapter 9.12 of Title 9 of the San José Municipal Code and the Weed Abatement Agreement between the City of San José and the County.

EVALUATION AND FOLLOW-UP

Following the December 13, 2023, City Council meeting, CEPA sent a letter with a Return Reply Form to each property owner listed in the Report in the City of San José. The Return Reply Form allows the owner to request that the County contractor perform weed abatement work on their parcel or attest that the property owner intends to maintain their parcel in a manner consistent with the Minimum Fire Safety Standards from March 1, 2023 through the end of the fire season (which typically runs through October).

COORDINATION

This memorandum has been coordinated with the City Attorney's Office, the City Manager's Budget Office, and CEPA.

PUBLIC OUTREACH

- ☒ This memorandum will be posted on the City's Council Agenda website for the February 7, 2023 City Council meeting.
- ☒ Outreach was undertaken for this item in addition to the agenda posting described above. These outreach efforts are described below.

As directed by City Council on December 13, 2022, CEPA mailed a notice to the property owners of all parcels in the Weed Abatement Program. The notice advised property owners of the requirement to remove seasonal and recurrent weeds and refuse of the minimum fire safety standards by which parcels must be maintained, and the costs that would be incurred should CEPA have to abate the public nuisance created by the weeds and refuse. The notice also advised owners of the date, time, and place of this public hearing during which time they may object to the placement of their property in the program.
