### Honorable Mayor, City Council Members, and Staff

I feel privileged to express my support for the selection of Arjun Batra as a council member to represent District 10 in the San Jose City Council. I admire the diligence with which the city is approaching the selection of a candidate for this vacancy.

I am Surinder Batra, the oldest brother of Arjun Batra. Arjun is six years younger to me. As such I have known Arjun for all his life.

Arjun has developed a strong belief to do his utmost in giving back to the community. I know that district 10 has a set of very qualified candidates but I hope that you will agree that Arjun is uniquely qualified because of his having made valuable contributions both in private sector IBM, Intel and in San Jose city government.

With gratitude,  
Surinder Batra

Dear City Council Members,

I am writing to express my support for Arjun Batra to be appointed Council Member for District 10. I have known Arjun for over 20 years. He has been very successful in business and technology. He possesses a sharp mind, compassion and a great sense of humor. He would be ideal for you all to work with. For the last 6 years he has served the city of San Jose on a pro bono basis to help improve the city.

As a resident of the Almaden Valley, Arjun would be our first and ideal choice to represent us.

San Jose City Clerk Toni Taber,

I am writing in regard to the appointment process to fill San José Districts 8 and 10.

As a San José resident, it's clear to me that our city is currently at a critical juncture, in dire need of resources and solutions for public safety, parks, and vital infrastructure. The people of San José are ready to work together with our neighbors and our communities to build a better city!

As you decide who will represent District 8 and 10 on our city council, I urge you to consider leaders that truly represent our broad and vibrant democracy and can deliver good jobs, accessible housing for all, safer neighborhoods, and the prosperity that we all dream of for our families and communities.

I stand alongside a broad coalition of partners from labor, community, and multi-ethnic organizations in supporting a process that would lead to genuine representation for our communities.

Tony Khoshaba
