Dear Mayor Mahan and Members of the San Jose City Council:

As a resident of D10 I am writing in support of Wendi Mahaney-Gurahoo's candidacy for the vacancy at City Council.

Wendi is a community impact leader with over 30 years of experience in advocacy, policy development, communications, operations, in government, non-profit, and private sectors. She currently chairs the City's Library and Education Commission. Dedicated to public service, Wendi also serves as the Vice President of the San Jose Unified School District Board of Trustees, representing much of the city council district.

I support Wendi for the following reasons. First and foremost, I'll state the obvious. Wendi is a woman and a mother. The value of a woman at the table tackling city wide decisions that affect families and children is immeasurable. I know Wendi and as mothers we know that our "value add" to our families are tremendous. The care, the attention to detail, the psychological and span of impact are carefully prioritized and those values play into the importance of accessibility and purpose of decisions made that impact our city.

As stated above, Wendi has proven to be civilly engaged. She has spent her entire career advocating on behalf of families and children. Spotlighting a few positions that she's held which demonstrate her dedication to San Jose, includes her volunteer work serving as the chair of the Library and Education Commission, and being elected to the Vice President of the San Jose Unified School District Board of Trustees. That role has enabled her to continue pushing for better opportunities for children and family access all while championing the needs of those students most severely impacted by the global pandemic. She worked tirelessly for every family to make sure they had suitable options to educate their children during a time of tremendous uncertainty. And with that she earned my respect and my vote. She has done a phenomenal job and she has the vote of many women and families in district 10 and beyond!

Please appoint Wendi to the District 10 seat.

Sincerely, Camille Rogers --

Camille Rogers

Dear Mayor Mahan and City Council Representatives,

It is with great honor that I write on behalf of Dennis Hawkins in support of his appointment as the City Council Representative for District 10. Not only am I a resident of District 10, I am also an employee of the Oak Grove School District where he played an integral part in my role and growth as an educator. As you know, Mr. Hawkins was an Oak Grove School District Board Member for 24 years. In his 24 year tenure, which is most of my 20 year career in the district, Mr. Hawkins truly represented what it means to be a leader. He built an excellent rapport with both the employees of the district and his constituents. As a teacher, I never once hesitated approaching him with my concerns and knew he would be empathetic and responsive. During school closures, Mr. Hawkins navigated our district through a tough decision with integrity, open-mindedness, and equity. His calm voice of reason made those heightened with emotions see multiple perspectives and gain clarity. As a senior board member, Mr. Hawkins took many newer board members under his wing and supported them in their journey to reach their highest potential. Mr. Hawkins embodies all the elements of a great leader and has helped shape who I am in my new role as school principal. I strongly feel he will be an asset for the city as his years of service and experience in the public sector will attest.

Thank you for your time and consideration. Michelle Tsang

I am writing today to request that the City Council appoint Ron Del Pozzo to the D10 opening.

Mr. Del Pozzo is a longtime community member who has demonstrated an ability to get involved and help create a better San Jose. He has always been a person who will go above and beyond to help anyone who needs help and has had a positive impact on our city.

Having known Mr. Del Pozzo for over 20 years I highly recommend him for this opening. Further, I am a 20+ resident of San Jose, most recently redistricted to D10, and know that Mr. Del Pozzo would be an asset to D10 and our city.

Thank you.

Hello Pam.

I am a resident of District 10, asking for your support in the appointment of David Heindel for the open Supervisor's seat. I have served with David on the Shadow Brook Homeowners Association for the past three years. David recruited the entire team to replace the previous board that was leaving after 15 years of service with many loose ends. He was the driver for automation of the many tasks required of the board and led us to become a finally oiled machine so that we may all provide a smooth transition for the boards to come after us. I believe that the fact that he has no intention of running for the office in 2024 shows he is committed to be focused on serving the community without the distractions of running for an election. I urge you to support his appointment.

I am an active member of the community, serve as the Vice Chair of the Playa Del Rey Neighborhood Association, Founder of the July 4th Family Fun Day and Fireworks held at Almaden Lake, and one of the Founding Members of the District 10 Coalition.

I am recommending Dave because I know that he'll be a fair and honest representative for the citizens who live in District 10. I met Dave more than 9 years when he and I, among twenty-five others, formed the District 10 Coalition to bring the community together. Dave has been actively involved in the group and has done an excellent job by listening to the residents and representing their needs when he is called upon to do so. As a volunteer leader the only currency we have is our reputation and sweat equity, Dave uses both to tell the story and support his constituents. I can't think of another person who is better suited for this role than Dave. A vote for Dave is a vote for D10!

Dear Mayor & Councilmembers -

I live in District 10 and am very concerned that my voice be heard regarding your pending appointment of my Councilmember. The list of 24 applicants is so long that I feel you need to look for candidates who have current experience and success in bringing people together and working with local government. Please look closely at David Heindel, he is currently the Chair of the District 10 Leadership Coalition and one of the co-founders of the All District Leadership Group. His ability to work with leaders from all 10 districts puts him at the top of active volunteer leaders in our city. So, with David you get 2 for 1 - An accomplished leader for District 10 & someone who knows how to collaborate with others throughout our city.

Please vote for him to advance to the interviews later this month.

Dear Mayor Mahan and Members of the San Jose City Council:

I am writing in support of Wendi Mahaney-Gurahoo's candidacy for the vacancy in District 10. Wendi currently chairs the City's Library and Education Commission and serves as the Vice President of the San Jose Unified School District Board of Trustees, representing much of the city council district. She is a community impact leader with over 30 years of experience in advocacy, policy, and operations.

Wendi has a keen ability to understand the needs of those around her and is a forward thinker. Wendi is an exceptional collaborator and connector of people to attain a common goal for the best of her community. In addition, Wendi's experience extends to government, non-profits, and private sectors.

I support Wendi because I've witnessed Wendi's servant leadership and her ability to bring people together for a common purpose. Passionate about being a public servant, Wendi has the ability to listen carefully and is very skillful in helping individuals find common ground when they are on opposite sides of an issue.

I encourage you to appoint Wendi to the District 10 seat.

Dear Mayor Mahan and Members of the San Jose City Council:

My name is Jennifer Kelleher Cloyd and I am a long-time leader in the city of San Jose for almost two decades focused on the safety and well-being of children and families, housing as a human right, and health access for all. As a social justice legal aid attorney for many years, I know the opportunity that our City Council has to deeply influence equity, especially racial equity of the citizens of San Jose. I am writing in support of Wendi Mahaney-Gurahoo's candidacy for the vacancy in District 10.

Wend's commitment to improving outcomes for San Jose's most vulnerable residents is evidenced by her 30 years of experience in advocacy, policy development, communications, operations. She has served as an elected leader, teacher, change agent, and consultant across multiple sectors. She has not shied away from difficult decisions and always strives to do right by the people she serves and isn't afraid to use her voice to do so. In this unique opportunity to appoint an advocate who could serve to navigate our community's transition out of the pandemic and into a new world of equity, Wendi would be a dedicated advocate to supporting the vision of the opportunity that San Jose could offer to all.

Please consider appointing Wendi to the District 10 seat.

Support Democracy, Support a Special Election for SJ City Council!

Dear Councilmembers and Mayor,

I am writing to urge you to reverse the decision to appoint San Jose Councilmembers for the open seats in districts 8 and 10. The voters should decide who represents them. The remaining term is nearly two years; the period of time our district will be represented by an appointee is not brief; that is why it is important to let the voters decide through a special election.

We should maintain the historical precedent of holding an election to determine who represents our districts in the city council. By using appointments as planned, the individuals who would be appointed would not have been chosen by voters in the affected districts. There has been almost no transparency to date regarding the vote by Councilmembers on applicants for the two city council seats currently open. Votes to identify finalists have been conducted in secret.

We saw how flawed the appointment process is in real time on Tuesday night. It's not properly controlled and the candidates are not properly vetted through this approach.

A special election would cost the city as much as \$11 million. This expense represents 0.18% of the city's \$6 billion budget. It's a small price to pay for advancing democracy.

I urge you to vote on Thursday, January 26, 2023, to change course and schedule a special election to fill the district 8 and 10 seats.

Sincerely,

Elaine Jones

Please appoint Wendi Mahaney-Gurahoo to SJCC D10 Seat

Dear Mayor Mahan and Members of the San José City Council:

I send this email to share my strongest support for Wendi-Mahaney-Gurahoo's candidacy for the vacancy in District 10. Wendi has been an excellent trustee at San José Unified bringing a strong voice for the Almaden area to the decision-making table while balancing a vision for the entire community to thrive. She is an experienced public servant who can hit the ground running and I know she will bring the same drive and commitment to the City Council.

During the time we have worked together at SJUSD she helped navigate the district through the COVID-19 pandemic, fundamentally changing the way we educate our students. As a result of her leadership, we expanded food distribution to all students and family members, secured hotspot and laptops and distributed them to families in need, and repurposed the duties of bus drivers to do wellness checks on missing students. She not only cared for the education and basic needs of our students, but also worked to implement Ethnic Studies classes and our policy on Grading for Equity. Wendi also represents teachers and parents as the Board representative on the District-wide Council of the PTA Committee. She has a deep respect for the community and knows the importance of moving past sound bites to have real conversation.

Wendi is a community impact leader with over 30 years of experience in advocacy, policy development, communications, operations, in government, non-profit, and private sectors. She currently chairs the City's Library and Education Commission and serves as the Vice President of the San Jose Unified School District Board of Trustees, representing much of the city council district. Some might not only ask how she can do it all, but also how she does it all so amazingly well...but that would be sexist because men don't typically get asked how they balance it all.

As the once feminist capital of the world, I trust that our San José leaders know the incredible value of a colleague that understands that childcare is just as essential to economic prosperity as reaching key performance indicators or maintaining product-market fit. Even more important, her work on both the SJUSD Budget Committee and Audit Committee have demonstrated her deep understanding of and commitment to sound fiscal decision-making that is guided by her genuine love of this community.

You have an excellent opportunity to appoint a strong woman, insightful collaborator, and amazing public servant who will improve the entire City as she works hard to best represent District 10. My only regret in sending this email is that I will miss her dearly on the SJUSD Board.

Please appoint Wendi Mahaney-Gurahoo to the District 10 vacancy.

Sincerely,

Carla Collins, SJUSD Trustee Area 3

Hello Mayor Mahan,

I urge you to appoint David Heindel to fill the vacancy for District 10 City of San Jose Council member. I am very confident he will do an outstanding job and be laser focused on issues important to District 10 instead of launching a re-election campaign.

I have lived in Almaden (District 10) since 1982 and love our beautiful community. I have known David and his family for about 30 years. He is a devoted family man, energetic school volunteer and an Almaden resident who has been involved and actively contributed to political issues important to the safety and preservation of our community. Recently he was very active and effective in supporting your campaign for Mayor of San Jose.

He will do an excellent job!

Sincerely,

Rosemary Self (current resident of District 10)

this is real important in my view

I would suggest delay of interviewing any people for District 10

I think, and maybe it happened or maybe not, but the video if studied might show things

this may have happened on January 24, the worst city hall council meeting in history in my opinion

the following is just a possibility and would need to be proven out

https://sanjose.granicus.com/player/clip/13576?view_id=51&redirect=true&h=b40ef3647bfd0f5051b2d7847497373b

I think I figured out what went wrong in the process...

a person waiting to be called in the chamber to get the 9 questions (each city council member and the mayor asked the same question to the candidates (30 minute period)

so, someone in the audience may have texted all 9 questions to a potential candidate waiting in the back to be called up to be interviewed

then if that candidate was say the 4 candidate to go and get interviewed

this gave the candidate one hour or more to prepare answers to the questions texted to the candidate by the candidate using internet and drafting responses which

if it did happen was unfair and unethical.

so as the candidate went through the same questions... such a candidate may have just read the

prepared answers (over one hour of prep) to the city council members and mayor and had an unfair

advantage for the candidate did not have to think of answers on the fly

I'd make a good spy

so, if the above is proven out, delay the selection of the district 10 candidates till this gets figured out better. it is as many

are saying a "circus" so I ask one of you city council members to copy this out on paper and give it to your city council leader

Dear City Council Members,

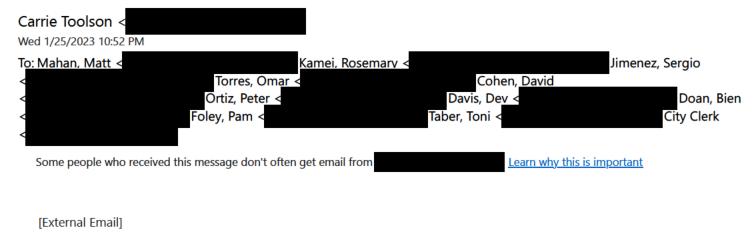

I attended the Avca event on Thursday the 19th of January. I would like to express my support for Arjun Batra. Listening to him that day strengthened my belief that he would be the best candidate for Council Member for D10. His vast experience on the Smart City Advisory Board and his participation in governing policy formulations and operations of the city of San Jose. He created the San Jose Information technology advisory board and had I T experts to volunteer

their expertise in various ventures.

Working pro bono for 6 years shows Arjun's dedication and passion for the betterment of the community! I have known him for 30 years and have lived in Almaden for 45 years. His skill in the tech sector and vision for the future uniquely qualifies him to be our Council Member I think Arjun is the ideal candidate for D10 as his commitment speaks for itself!

Thank you, Geeta Kapur San Jose, CA 95120

Dennis Hawkins for District 10

Dear City Council Members,

I strongly encourage you to appoint Dennis Hawkins to represent District 10 on the San Jose City Council. He has proven himself trustworthy, hardworking, open minded, and capable of representing and hearing the many differing voices and opinions of our diverse population. With already 25 years of public management experience, he will be able to hit the ground running to work towards finding reasonable solutions for improving public safety and homelessness, while also improving the overall quality of other public services in San Jose. On behalf of District 10, please choose to appoint Dennis Hawkins for City Council.

Thank you, Carrie Toolson District 10 Resident

Dear City Council Members,

I am writing in support of Arjun Batra to be appointed Council Member for District 10.

I have been Arjun's neighbor for over 20 years. He is a dedicated and conscientious person. He has dedicated his time on a pro bono basis to monitor and verify that the city budget is administered appropriately. With his vast work experience in the Silicon Valley, he was able to help the city of San Jose to improve on its IT structure along with obtaining support from Intel.

As a resident of the district 10, Arjun should be our choice to represent us.

Hello,

I'm writing to you in support of Dennis Hawkins appointment to the San Jose City Council seat for District 10. You're no doubt already aware of his extensive past experience in city government and local elected office, both of which will help him make an immediate impact on the important problems facing San Jose. Given the short appointment period, I think his experience is critical!

I'd like to add that my personal experiences with him as a public servant and private citizen have been very impressive. In his time as an OGSD Trustee, his commitment to transparency & accountability were apparent as he personally facilitated public outreach sessions on difficult community matters (rather than hide behind closed doors). As a private citizen, I've been a witness to the practical, wise, & even-handed advice he has provided to members of our D10 community on a variety of complex and difficult topics -- all without demonizing others. His personal integrity shows in the consistency of his public and private character.

In a time of increasing polarization in our community, it's more important than ever that leaders get back to the basics of good governance including accountability, transparency, and a commitment to solving problems. I believe Dennis will do the hard work necessary to solve the very real problems of homelessness, blight, & public safety facing San Jose. I hope he will have your vote!

Sincerely,

Steve Orton

Honorable Mayor and Councilmembers,

I would like to write to you to express my opinions on the appointment of the District 10 City Councilmember. I would urge you to vote **against** Wendi Mahaney-Gurahoo and to **vote for** David Heindel.

My experience with Wendi has shown that she is not engaging and does not have an appreciation of issues that are important to D10 residents. When she ran for SJUSD trustee, Wendi initially posted a message on the "NextDoor" App. When respectfully asked her stance on certain key issues, rather than engaging in a dialogue, Wendi removed the post. She won her SJUSD trustee position because nobody else chose to run.

During the school district's investigation into using school land for employee housing, the Santa Clara County Civil Grand Jury identified some concerning aspects of the district's processes, including not properly disclosing using school funds to hire a lobbyist, as well as not following proper procedures for a potential conflict of interest of an analyst hired by the district. The school district's response to this report was incredibly disrespectful, dismissive, inflammatory and derogatory towards residents in Almaden Valley. Wendi approved this response with virtually no probing or questioning into the issue at all (she asked two unrelated questions and nothing else).

As Chairman of the D10 Leadership Coalition, David Heindel knows issues impacting the district well. He is fair, balanced, and engaging. Please appoint David Heindel for District 10 City Councilmember.

Thank you, Greg Braley District 10 Resident

Hi Honorable Mayor and City Councilmembers,

As a District 9 neighborhood leader with decades-long close ties with District 10, I encourage you to consider appointing David Heindel as the next D10 city councilmember. I've worked closely with David in his capacity as Chair of the District 10 Leadership Coalition and have found him to be an energetic, knowledgeable and effective community builder. Under his leadership, the D10LC was reinvigorated, new D10 neighborhood associations were formed, and volunteer teams worked closely addressing several of D10's most pressing issues in a model partnership between the D10LC and the D10 council office.

David's resume includes significant relevant public and private sector experience. He brings knowledge of best practices from several municipalities including San Jose. For San Jose, he brings deep District 10 and city-wide knowledge as a volunteer leader, deep institutional knowledge as a former city employee (Redevelopment Agency), and lived-experience as a current downtown San Jose business owner.

Thanks for your consideration!

David Noel

FW: Special Meeting on Filling Vacancies in Council District 10

Dear Mayor Mahan and Members of the San Jose City Council:

We, the undersigned organizations and individuals (60 and growing), submit the following letter to you as you make an important decision for the vacancy in San Jose Council District 10.

In the 1970s, Janet Gray Hayes, the first female mayor of a major metropolitan city, spearheaded the effort to elect more women onto the San Jose City Council, earning us the historic moniker of the "Feminist Capital of the World." Unfortunately, the City of San Jose is now one of the few localities that lost gender parity on its City Council after the November 2022 elections. And in fact, pending the outcome of tonight's appointment there will only be three female councilmembers out of 10. We do not ask this Council to appoint a certain candidate because she is a woman. But we cannot ignore the fact that the 10th largest city in America lacks the women's equality it once was celebrated for.

It is important for our government to reflect who we are. When women are represented at high levels in business, nonprofit organizations and the public sector, decisions are more collaborative, thoughtful, and effective. Our emphasis on the gender imbalance is not to suggest that balance is important for the sake of parity. Ample research has shown that as more women serve on legislative bodies, those bodies become more inclusive, and more transparent.

As the City continues to incorporate equity into its decision making, it is even more critical for women to have a seat at the table because gender equity transcends race, ethnicity, and socio economic status, truly touching our entire community.

We hope you will consider this during your deliberations.

Respectfully,

Last minute word of support for Dennis Hawkins for the district 10 vacancy.

Dennis has been an asset to our community for decades on the school board, and has been helpful numerous times in both community and faith-based projects that I have worked with and overseen as a member of the District 10 Faith leader council.

We would be well-served by his continued service to our area.

Good Evening,

I am writing in support of Patti Andrade for the District 8 Council seat. I support Patti because of her experience serving District 8 families as a School Board Trustee for the Evergreen School Board and serving as the District 8 Community Relations staffer. She has built relationships with schools, neighborhood associations, faith-based organizations, and community members.

We need a Councilmember who is collaborative in their efforts to bring about results that benefit the families in the district.

She is ready to serve and represent District 8 and I hope that you vote to appoint Patti Andrade as the next District 8 Councilmember.

Thank you,

Purvinder Soor
