SUMMER LEARNING FOR EARLY EDUCATION SITES 2023

EARLY EDUCATION ACTIVITIES

Read the story <i>Be a Maker</i> .	Ask the children to fill in the blank: "Today I made _____"	Build with blocks, to make a tall tower, a reading fort, a house, a castle.	Using just the illustrations in the book, create a whole new story!
Make a map of the classroom. Go on a treasure hunt with it.	Talk about the vocabulary words on the Idea Sheet.	Talk about the library. Encourage the children who have visited to share their stories.	Paint outside with water and paintbrushes.
Make a classroom collage from old magazines and newspapers.	Play with mold, clay, or Play-Doh.	Make a picture for someone special.	Make up a story about an favorite classroom toy or activity.
Make a song or silly dance.	Make a spaceship out of cardboard boxes.	What is the role of the author? What is the role of the illustrator?	Talk about the parts of the book-- front and back cover, spine, title, author, etc.

THIS YEAR'S BOOK SELECTION

BE A MAKER
Written & illustrated by Katey Howes
Illustrated by Elzabet Ukoivc

How many things can you make in a day? A tower, a friend, a change? Rhyme, repetition, and a few seemingly straightforward questions engage young readers in a discussion about the many things we make – and the ways we can make a difference in the world. This simple, layered story celebrates creativity through beautiful rhyming verse and vibrant illustrations with a timely message.

MAKING A DIFFERENCE
Change comes from ideas. Our ideas can take the shape of many different things. They can be objects that we can hold, design, and share.

How do we inspire ideas in children? By providing a space for children to be able to experiment, to fail, to try and try again, we are giving children opportunities to think of new ideas for everyday problems.

BEFORE READING... GET THEM THINKING

Before introducing the book to students, you may wish to develop the background and promote anticipation by posing questions such as the following:

- How can we solve problems?
- What is a maker and what can a maker do?
- What are some things you have made today?
- Are some things we make harder to make than others?
