RECOMMENDATION

(a) Accept the Third Fiscal Quarter (period ended March 31, 2023) Financial Reports for Fiscal Year 2022-2023 for the following programs:

- (1) Debt Management;
- (2) Investment Management;
- (3) Revenue Management;
- (4) Purchasing and Risk Management; and

(b) Refer and cross-reference the Third Quarter Financial Reports for Fiscal Year 2022-2023 to be heard by the full City Council for approval at its meeting on the June 6, 2023.

SUMMARY AND OUTCOME

Provide the quarterly update on debt management, investment management, revenue management, purchasing and risk management activity.

BACKGROUND

The attached Third Quarter Financial Reports for Fiscal Year 2022-2023 (quarter ended March 31, 2023) (Financial Reports) present the quarterly activity for the City of San José (City) Finance Department Debt Management, Investment Management, Revenue Management, Purchasing, and Risk Management programs (Attachment A). Additionally, the Third Quarter Investment Report has been distributed to the City Council via email, is available on the Finance Department web page¹ and included as part of the report to the Committee. As part of the

¹ <https://www.sanjoseca.gov/your-government/departments/finance/reports/-folder-450>

ongoing effort to streamline work efforts within the Finance Department, these programs are combined into a single report for submission to the Public Safety, Finance and Strategic Support Committee (PSFSS Committee) for its review and referral to the City Council for acceptance.

ANALYSIS

A brief narrative discussion is provided below for all programs in this quarterly report:

- Debt Management
- Investment Management
- Revenue Management
- Purchasing Management
- Risk Management

Debt Management Program

This Third Quarter Debt Report focuses on the City's debt activities for the period ended March 31, 2023 and the following quarter ending June 30, 2023, and relates to the following elements of the City's Debt Management Program:

- Completed financings and current debt portfolio;
- Debt issuance, redemptions, and management activities completed during the third quarter and anticipated in the fourth quarter (April 1, 2023 through June 30, 2023); and
- Current interest rate environment as of March 31, 2023 and credit ratings.

Investment Management Program

Pursuant to the City Investment Policy, verbal presentations in addition to the written reports are provided to the Public Safety, Finance and Strategic Support Committee for the Second and Fourth Quarter Reports. The materials presented in this consolidated report provide a "snapshot" of the investment portfolio. The Investment Report will be agendized for acceptance by the City Council pursuant to the Investment Policy.

Revenue Management Program

The Revenue Management report highlights key aspects of the City's ongoing collection efforts. These efforts focus on reducing delinquent accounts receivable and enhancing revenue compliance through four primary collection programs: Accounts Receivable, Business Tax, Revenue Compliance and Monitoring, and Utility Billing. This report highlights the Revenue Management Division's collection efforts and summarizes the progress towards maintaining a Return on Investment (ROI) ratio of 5 to 1. The Third Quarter FY 2022-23 ROI is 5.7 to 1.

Overview of Collection Process. City departments issue invoices for various fines, fees, or other costs incurred by the City. Invoices are entered in the City's centralized Accounts Receivable system, RevQ, or sent to the Accounts Receivable group for accounts generated by City departments through stand-alone billing systems. Each department is responsible for the initial invoicing of its respective parties.

If an account has an unpaid balance after 30 days, a delinquency notice, including any additional interest, penalties, and applicable fees, is generated and mailed to the debtor. The account is then assigned to an Investigator Collector in the Finance Department, who begins the revenue collection process by contacting the debtor to attempt to collect the past due amount. After 60 days, a second collection notice, including any additional interest, penalties, and other fees, is mailed to the debtor. At this point, a collection cost recovery fee is added to each account. This cost recovery fee is reviewed and established on an annual basis. After approximately 120 days, the Senior Investigator Collector reviews each remaining delinquent invoice with Investigator Collectors to determine the appropriate action to take against the debtor to collect the outstanding balances.

Accounts Receivable Amnesty Program. The Accounts Receivable Amnesty Program (Amnesty Program) was developed to encourage certain delinquent debtors to pay any past-due amounts owed to the City. Participants in the Amnesty Program will have their respective delinquency fees waived, once full payment of the principal balance is received. The Amnesty Program application period began November 1, 2022 and continues through June 30, 2023, with eligibility limited to invoices billed between April 2020 to August 2021. The debt owed to the City may not pertain to a tax, license, or lien collectible, and the debtor must have outstanding delinquent fees remaining.

Activities during the third fiscal quarter included (1) mailing detailed letters to eligible Amnesty Program participants in three tranches, which aided in managing responses to submitted applications, and (2) updating the Revenue Management phone tree, to add an option directly connecting interested callers with staff. In the upcoming fiscal quarter, final notices will be mailed to eligible participants whose invoices remain unpaid, as the Amnesty Program ends on June 30, 2023. As of March 31, 2023, approximately \$100,000 was collected on eligible accounts.

Purchasing Program

The Purchasing Report highlights the key aspects of the City's purchasing operations. The Purchasing Program of the Finance Department is responsible for the centralized procurement of equipment, supplies, materials, information technology, and non-consulting services, pursuant to Chapter 4.12 of Title 4 of the San José Municipal Code. The Purchasing Program's mission is to deliver procurement and contracting services pursuant to public procurement best practices. The Purchasing Program is also leading two strategic initiatives on the City's Initiative Roadmap.

Citywide Disparity Study. The City's partner in the study, MGT Consulting of America LLC (MGT), continued outreach activities designed to engage local businesses to share their experiences attempting to do, or actually doing, business with the City. Outreach media included email, postcards, and website posts. Additionally, four focus group sessions (construction contractors, commodities, services vendors, and trade associations) were held in April, but with lower attendance at the sessions than expected. MGT has scheduled two additional group sessions on May 24th. To generate greater interest and attendance at these two sessions, MGT has committed to increasing the outreach activities using multiple platforms such as radio, television, postcards, social media posts, and posting on the City's procurement site. Furthermore, MGT is contacting identified contractors and businesses to participate in surveys and complete in-depth interviews about their experience. Purchasing will report on the outcome of these activities in the Fourth Quarter Report to PSFSS Committee in August 2023.

Procurement Improvement Initiative. On March 14, 2023, City Council approved the proposed amendments to Title 4 of the San Jose Municipal Code. As a follow-up action, the City Attorney's Office is drafting the proposed ordinance to fully implement the recommended changes to Title 4 of the San José Municipal Code and anticipates returning to City Council by September 2023. Staff is also continuing to review the recommendations in the report of the Procurement Improvement Study and assessing further options for adoption and implementation.

Risk Management Program

The Risk Management report highlights the key aspects of the City Risk Management Program. The Risk Management Program is responsible for procurement and oversight of the City's property and casualty insurance programs. The Program also provides contractual risk management services, property subrogation claims reporting, and other key services to City Departments including enterprise departments such as the Airport Department and San José – Santa Clara Regional Wastewater Facility.

EVALUATION AND FOLLOW-UP

The Finance Department prepares this report on a quarterly basis for review and approval by the PSFSS Committee. Finance Department staff will be available to answer questions on the Third Quarter Financial Reports for Fiscal Year 2022-2023 at the PSFSS Committee meeting on May 18, 2023.

BOND BUYER GO BOND YIELD INDEX

- 10-year history of higher rated (“AA+”) General Obligation debt (20-year term) yield averaged 3.04% and is currently at 3.22% (as of 4/12/2023).

VARIABLE INTEREST RATES (TAXABLE)

- Taxable 3-Month LIBOR interest rates paid by the City averaged 4.92% in Q3. The Taxable 3-Month LIBOR and Daily SOFR interest rates are currently 5.26% and 4.80% respectively (as of 4/14/2023).

GENERAL OBLIGATION CREDIT RATINGS

- The City's GO Ratings are higher than the State of California's ratings and analogous to Santa Clara County's ratings, which is to be expected given the extent of the tax base and other credit fundamentals that the City and the County share:

Entity	Moody's	S&P	Fitch
CITY OF SAN JOSE	Aa1	AA+	AAA
STATE OF CALIFORNIA	Aa2	AA-	AA
SANTA CLARA COUNTY	N/A	AAA	AA+

[1] Moody's does not currently rate Santa Clara County's General Obligation Bonds but maintains an Issuer rating of Aa1.

GENERAL CREDIT RATINGS

- Authorized investments are only highly-rated fixed income securities
- Investment Policy is reviewed annually and was last adopted by resolution of the City Council on March 14, 2023
- Investment Program is audited semi-annually for compliance purposes

INVESTMENT OBJECTIVES & REPORTING

- Manage investments to meet the City's Investment Policy objectives:
 - Safety
 - Liquidity
 - Yield
- Quarterly reports are available to the public
 - On-line
 - In PSFSS Committee agenda packets
 - In City Council agenda packets (for acceptance)

SOCIALLY RESPONSIBLE INVESTMENT GOALS

Articulated in Section 22 of the Investment Policy

- Support community well-being through:
 - safe and environmentally sound practices
 - fair labor practices
- Support equality of rights
- Serve all members of the local community
- Promote community economic development

PORTFOLIO PERFORMANCE SUMMARY

Exceptions to the City Investment Policy this Quarter	None

PORTFOLIO INVESTMENTS

Total Investment Portfolio:
\$2,681,321,553

INVESTMENTS BY FUND

The \$658.8 million in the General Fund presented includes \$559,096,267 of General Fund monies, as well as \$99,721,640 in other, separately tracked general funds, such as the Emergency Reserve Fund, the Coronavirus Aid, Relief, and Economic Security (CARES) Act, the American Rescue Plan Act (ARPA) of 2021 and other smaller funds and reserves.

GENERAL FUND BALANCE

- The General Fund balances increased to over \$1 billion in January with the receipt of property tax disbursements. Redemption of \$137.5 million Tax Revenue Anticipation Notes (TRANs) and other operating expenditures brought the balance to \$658.8 million as of March 31, 2023, \$50 million lower than the previous quarter
 - General Fund balances usually peaks during the months of January and June, when the bulk of property taxes are received; declines in the summer due to retirement prefunding; and declines throughout the rest of the year due to debt service payments and operational expenditures
- Projected investment maturities, cash and revenues are sufficient to cover anticipated expenditures for the next six months

COMPARISON OF CASH BALANCES

(BY SELECT FUNDS)

The following graph compares monthly balances of the five largest City funds as reported by FMS.

BENCHMARK COMPARISONS

- City refers to City's Fund 3 Portfolio, and the yield data are month-end weighted average yields.
- LAIF refers to the State of CA Local Agency Investment Fund and yield data are average monthly effective yields.
- BAML refers to Bank of America Merrill Lynch 1-3 Year AAA-A US Corporate & Government Index and yield data are rolling 2-year effective yield.

INVESTMENT STRATEGY

- Continue matching known expenditures with suitable investments within the 24-month horizon
- Extend a portion of the portfolio beyond two-year term, when appropriate, to provide income and structure to the portfolio
- Maintain the diversification of the portfolio
- Focus on core objectives of safety, liquidity, and yield

THIRD QUARTER REVENUE MANAGEMENT REPORT FOR FISCAL YEAR 2022-2023

REVENUE MANAGEMENT PROGRAMS

- The Revenue Management Program focuses on collecting all outstanding receivables, with an emphasis on reducing delinquent accounts and enhancing revenue compliance, through four primary collection programs:
 - Accounts Receivable
 - Business Tax
 - Compliance and Monitoring
 - Utility Billing
- Revenue Management offered an *Accounts Receivable Amnesty Program* to encourage eligible debtors to pay their principal balances
- Efforts may span several reporting periods, and actual collections are reported as funds received by the City.
