

Valley Transportation Plan (VTP) 2050

Transportation & Environment Committee - June 5, 2023.
d.3. San Jose Transportation Planning Semi-Annual Status Report

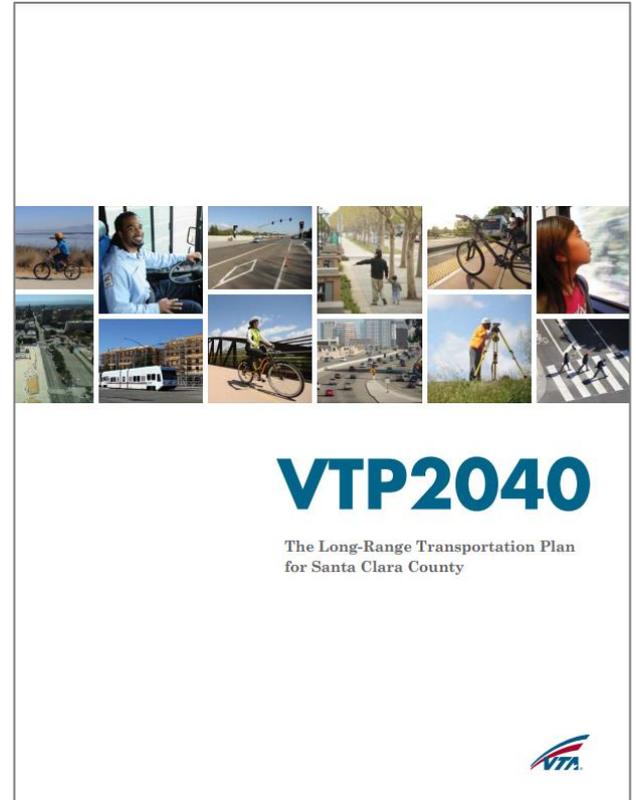

John Rahul Sighamony
Senior Transportation Planner
Valley Transportation Authority

Ramses Madou
Planning, Policy, & Sustainability
Dept. of Transportation

What is VTP 2050?

- Valley Transportation Plan 2050 (VTP) is our Agency's **long-term plan** for transportation and land use.
- We started with our Advisory Committees in October 2022 to discuss the Plan Update
- Done in coordination with the Visionary Network for Transit

Previous VTP in 2014

Online Meeting via Zoom

Meet the Project Videos

Ask VTA Facilitated Community Conversations

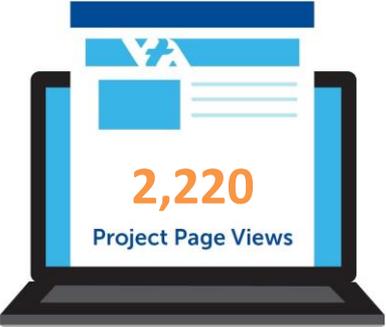

November 28, 2022

VTA Virtual Office Hours
Answers Your Transportation
Questions

Do you ever wonder how transit routes are decided? What does it take to fund, design, and build bike paths? What decisions go into developing land around transit centers? Ask VTA! We're holding online...

Outreach Overview

Presentation Viewing

Timeline

COMPLETE

VTP 2050 Goals

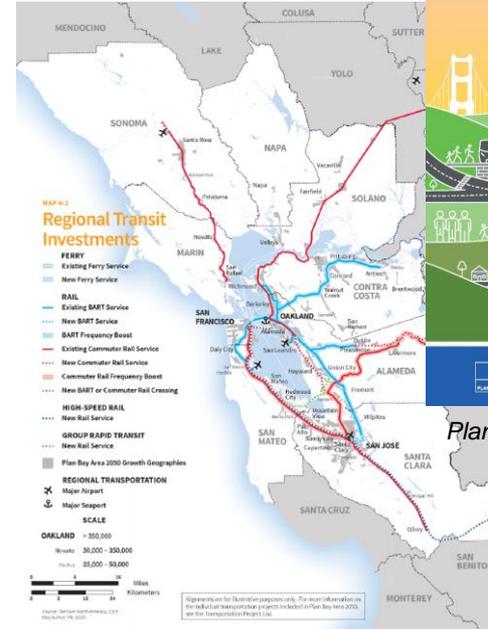

- ❑ Implement Faster Convenient & Reliable Transit
- ❑ Prioritize Active Transportation to Encourage Multimodal Options
- ❑ Encourage Land Uses that Create Complete and Convenient Places
- ❑ Address the Climate Emergency by Reducing Transportation Emissions
- ❑ Support Equity in Transportation
- ❑ Pursue Safe and Reliable Travel on Highways and Expressways

Timeline

Plan Bay Area 2050+

- ❑ Plan Bay Area is the Bay Area's regional long-range plan.
- ❑ Kicking off in July 2023
- ❑ Minor Update
 - ❑ Transit 2050+ Regional Transit Vision
