## ***Safe, Vibrant, and Inclusive Neighborhoods and Public Life***

The diverse mosaic of people who live, work, learn, and play in San José deserve vibrant, beautiful, accessible, safe, and inclusive public spaces that inspire friendship and connection across generations, cultures, and points of view. Our neighborhoods and public life must reflect the rich cultural history and lived experiences of our residents. Neighborhoods should serve as conduits for people to connect with one another, to build community, and provide pathways to opportunity, lifelong learning, and prosperity.
