San Jose City Clerk ,

My name is Elisabeth Miller and I am resident of San Jose in city council district 4. I urge you to take action and ban city authorized travel to Israel. In 2022, the City Council blocked then-Mayor Sam Liccardo from traveling to Qatar due to concerns about that country's human rights record, yet said nothing when he made a taxpayer-funded official trip to Israel in 2019. As Israel's extreme violations of human rights grow day by day, I ask that you act consistently and institute a policy ending official City travel to Israel.

Today, residents of San Jose are hurting, witnessing families and innocent civilians being killed by Israel in Gaza, the West Bank, and East Jerusalem. Over the past 100+ days, Israel has killed over 27,000 Palestinians, besieged educational, cultural, and medical institutions in Gaza, and committed countless human rights violations against the Palestinian people. According to the United Nations Human Rights Office in the Occupied Palestinian Territory, these violations include the targeted destruction of civilian infrastructure, the intentional deprivation of food, water, and healthcare from the civilian population of Gaza, and the indefinite detention of Gazans without trial.

In 2019, the City Council rejected then-Mayor Liccardo's trip to Qatar based on a report by Amnesty International that Qatar had committed human rights abuses. Here is how Amnesty International described Israel's human rights record before that country began its military invasion of Gaza:

"Israel's continuing oppressive and discriminatory system of governing Palestinians in Israel and the Occupied Palestinian Territories (OPT) constituted a system of apartheid, and Israeli officials committed the crime of apartheid under international law."

The Amnesty International report further noted that Israel has "imposed arbitrary restrictions on freedom of movement and closures that amounted to collective punishment" and employs "torture and other ill treatment" against Palestinian detainees. These are serious and ongoing human rights abuses that require our City to act consistently and institute a policy against official travel to Israel to avoid lending legitimacy to these unconscionable acts.

We cannot ignore the humanitarian crisis in Gaza. We need to see concrete action from the San Jose City Council to pressure Israel as it carries out a genocide with the U.S.'s financial and diplomatic backing. I ask that you safeguard our city's commitment to human rights just as you did in 2022. Ban city authorized travel to Israel now.
