

# **(D) 4. Regional Transportation Activities Annual Report**

**Peter Rice, Department of Transportation, Associate Transportation  
Specialist**

**Neil Ong, Department of Transportation, Senior Engineer**

# Agenda

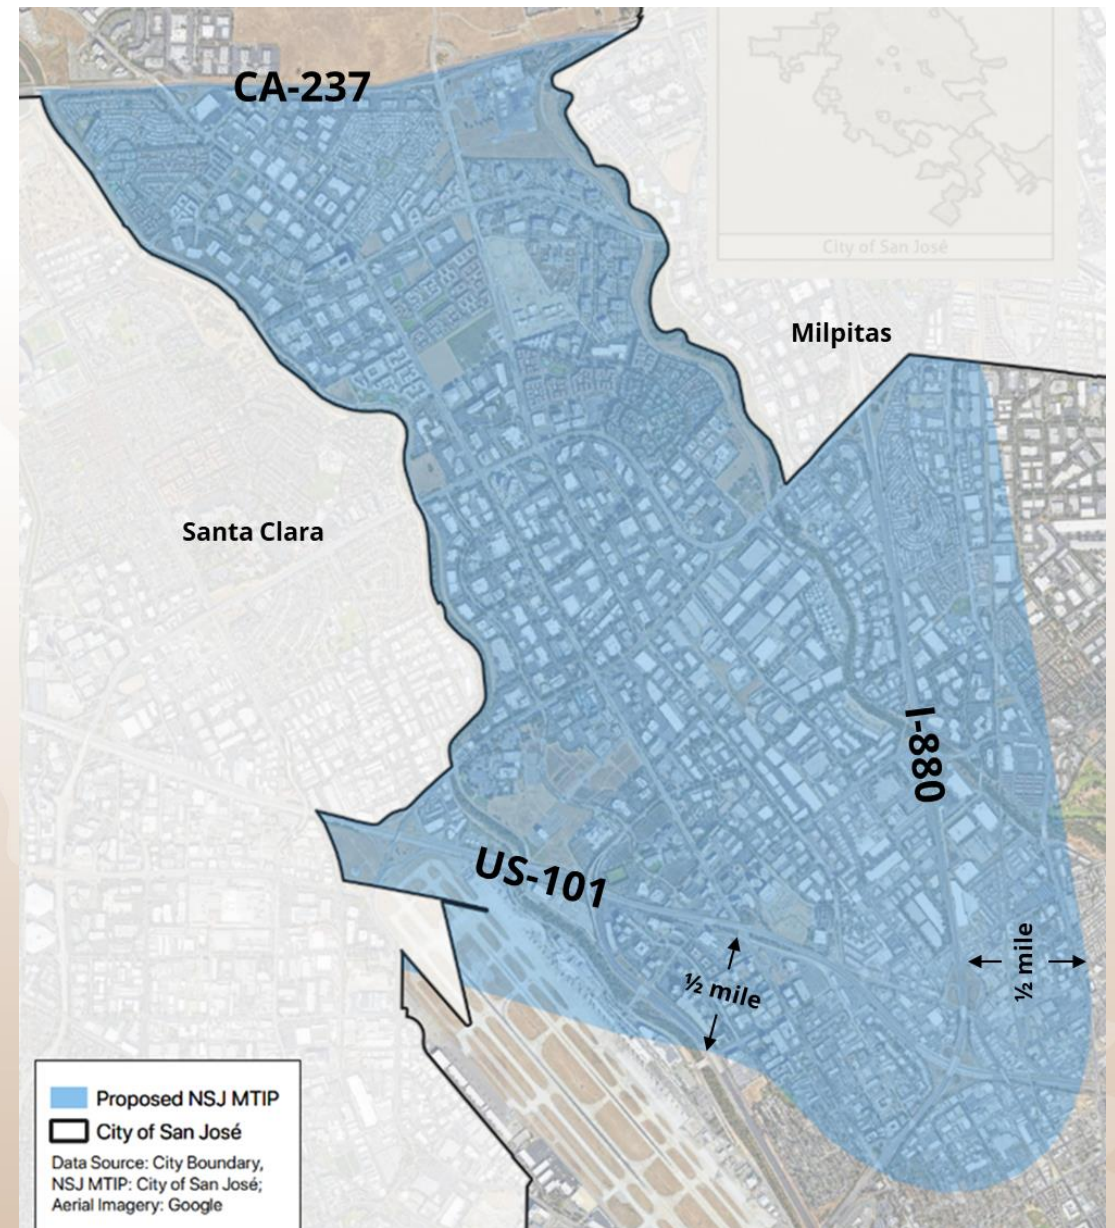

- Connect North San José
- North San José Regional Highway & Expressway Projects

# Connect North San José (NSJ MTIP)

**Size:** ~8 square miles

## **Boundaries:**

- North: CA-237
- East: Coyote Creek
- West: Guadalupe River
- South: ½ Mile beyond US-101 & I-880

# Connect North San José – Project Goals

## 1 Lead with Equity

- Prioritize investments in **historically underserved communities**.
- Ensure **fair access** to transportation resources for all residents, especially in areas with **higher needs**.

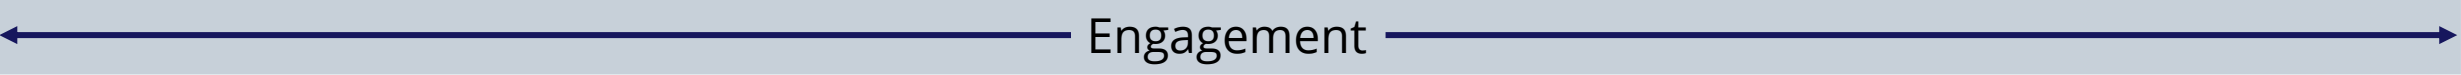

## 2 Plan for the Future

- North San José is a **major growth area** with expected increases in residents, jobs, and visitors.
- Build a **transportation network** that accommodates current and future demands, supporting both **local** and **regional** connectivity.

## 3 Promote Mode Shift

- Support a shift to **sustainable transportation modes**, such as **walking, biking, public transit,** and **carpooling**.
- Aim to **reduce reliance on single-occupancy vehicles**, improving **safety, air quality,** and **overall mobility**.

# Connect North San José - Project Timeline

Jan 2024	Spring 2024	Summer 2024	Early Fall 2024	Fall 2024	Winter 2024 / 2025	Spring 2025	Spring / Summer 2025
Project Kick-off	Existing conditions	Define key corridors	Identify projects	Evaluate and prioritize projects	Develop high-level design concepts	Draft and finalize plan	City Council
	TAC #1	TAC #2		TAC #3	TAC #4	TAC #5	
							

# Community Insights

**Engagement Efforts:** 11 outreach events with 360 participants.

## Top Priorities:

- Increase transit frequency and connections.
- Add protected bike lanes and improve maintenance.
- Repair sidewalks and enhance pedestrian safety.

## Other:

- Improve public spaces with shade, lighting, and seating.
- Create more “third spaces” such as parks and community centers that are free and open to the public.
- Add more community resources like grocery stores, restaurants, entertainment centers, and farmers markets.

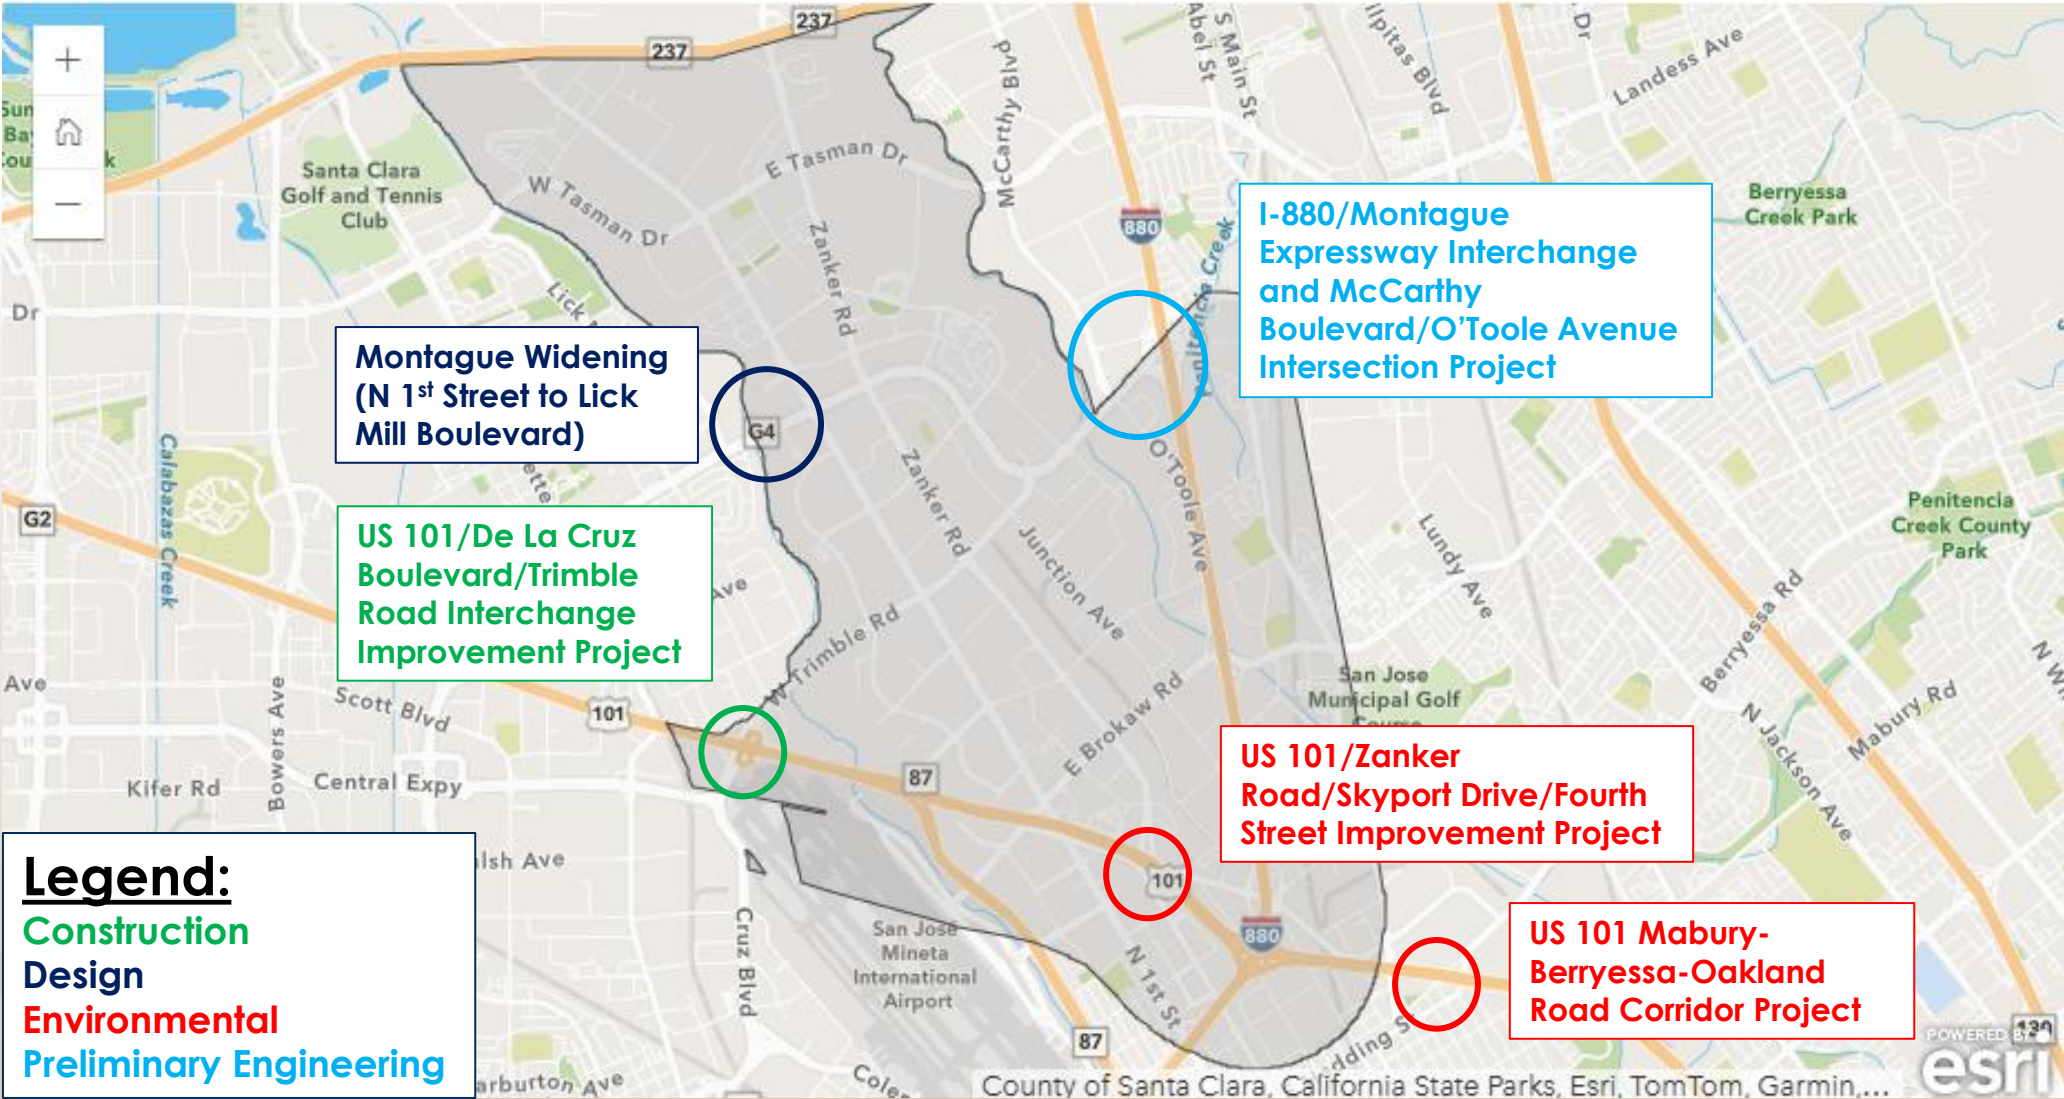

# Projects

- Key corridor Improvements
- Re-imagining the NSJ Street Grid
- North First Street

# Next Steps

- Finalizing conceptual designs for North First Street improvements
- Community Workshop
  - When: Thursday, Feb 27<sup>th</sup> from 6-8pm
  - Where: 2150 North First Street, San José
- Draft Plan: Winter/Spring 2025

# North San Jose Regional Projects

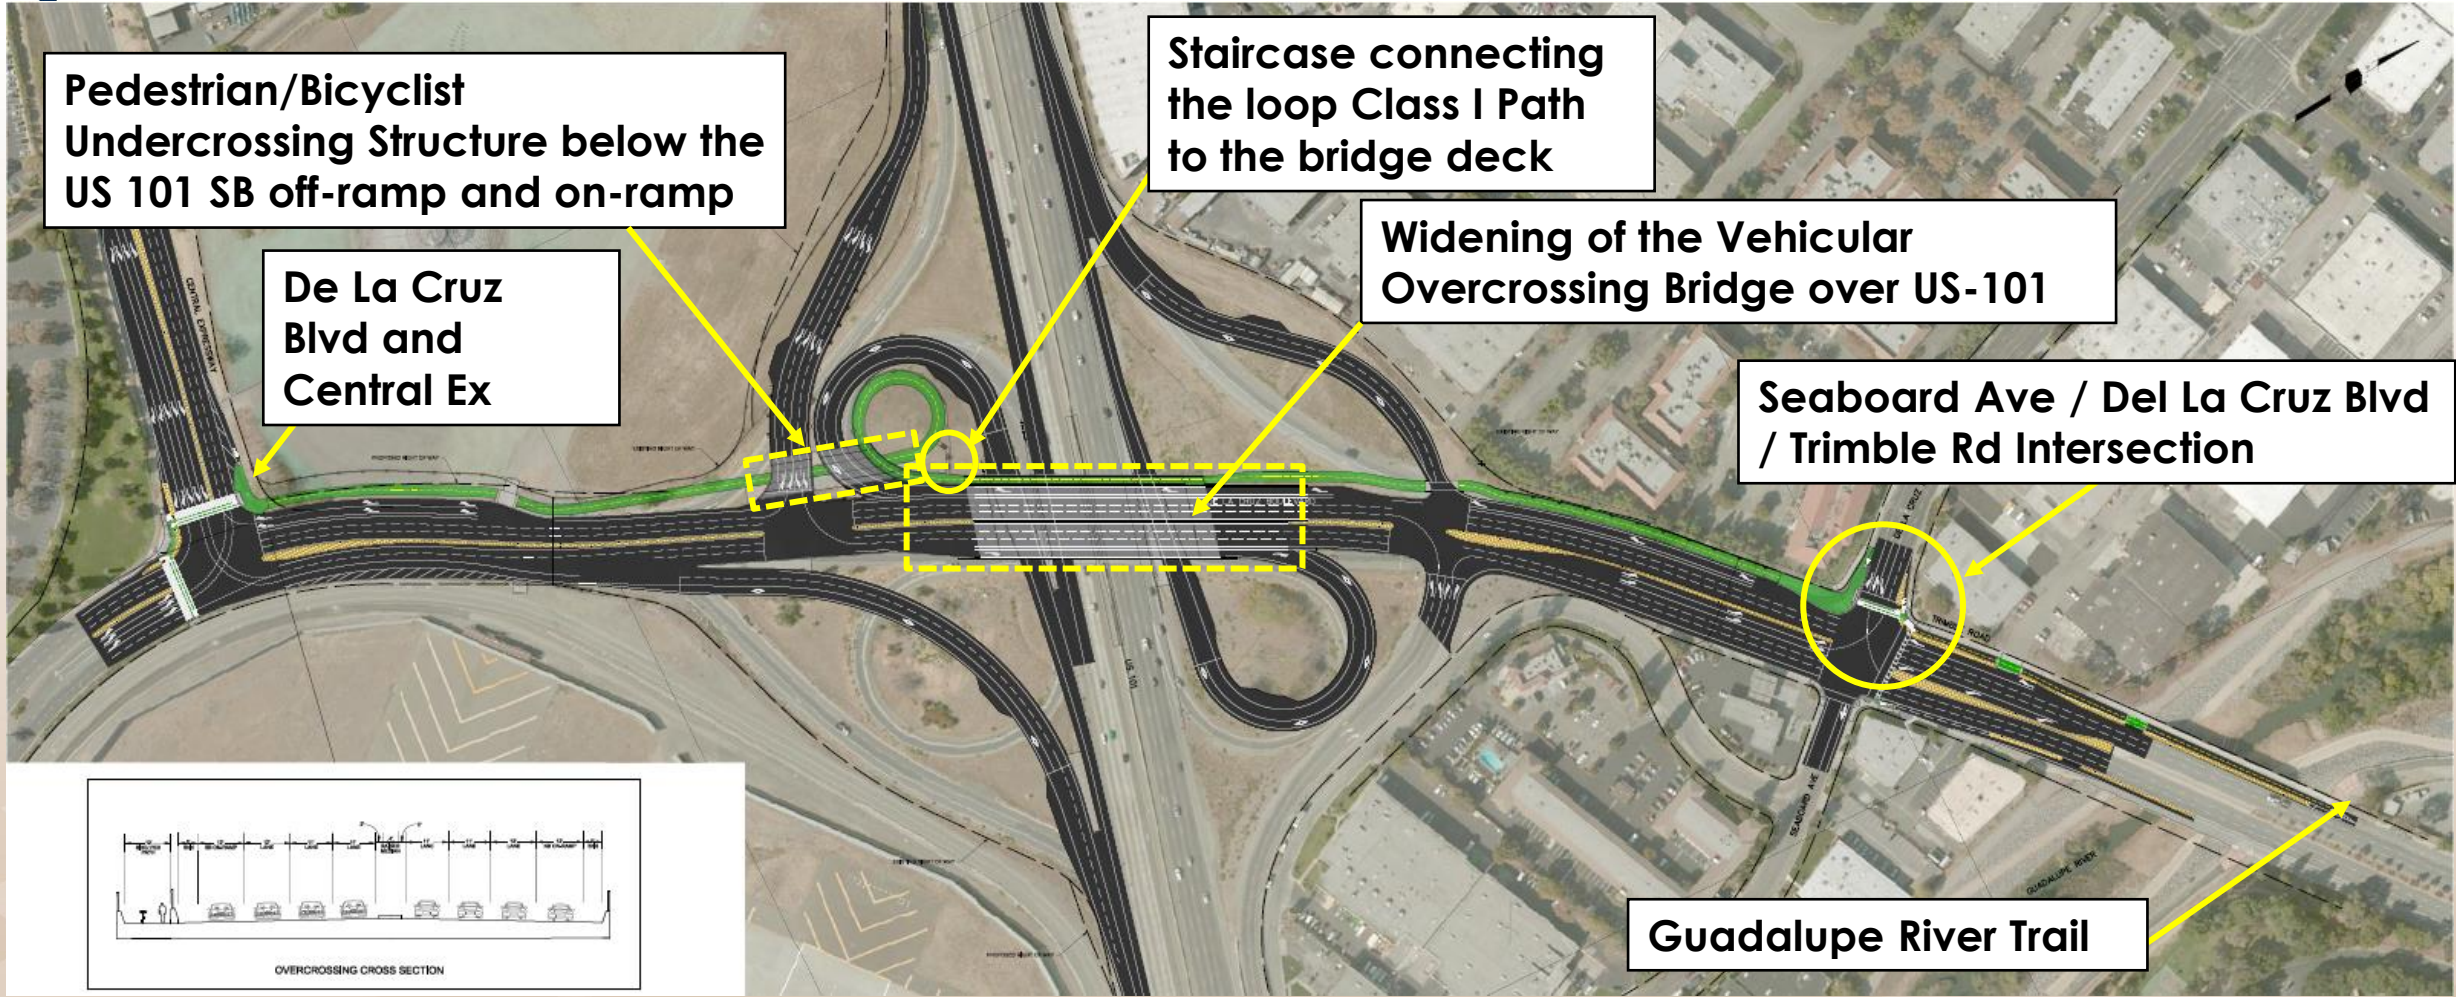

# Regional Projects – Key Goals

- Modernize major infrastructure
- Provide safe, direct connections between communities divided by freeways
- Connect trails and major bike/pedestrian corridors
- Utilize **Complete Street Design Standards and Guidelines** with full separation of cars from people when feasible

# US 101/De La Cruz Blvd/Trimble Rd Interchange Improvement

# US 101/De La Cruz Blvd/Trimble Rd Interchange Improvement

Vehicular Overcrossing Bridge over US 101

Pedestrian/Bicycle Undercrossing

Pedestrian/Bicycle Loop with Staircase

# US 101/De La Cruz Blvd/Trimble Rd Interchange Improvement – Ribbon Cutting

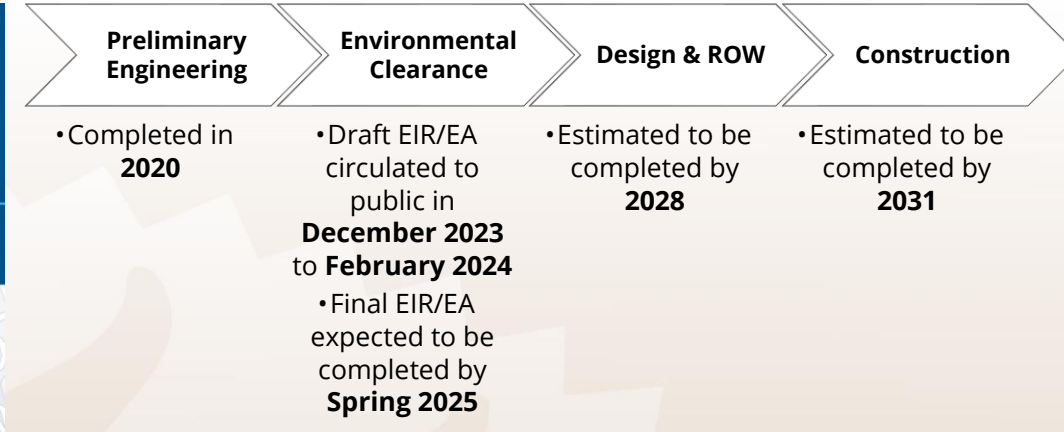

# US 101/De La Cruz Blvd/Trimble Rd Interchange Improvement – Remaining Work

- Signal activation and remaining civil improvements at Trimble/Seaboard intersection
- Class I Bicycle/Pedestrian Path
- Landscaping
- Inspection Punchlist Items

# US 101/Zanker Road/Skyport Drive/Fourth Street Improvement Project

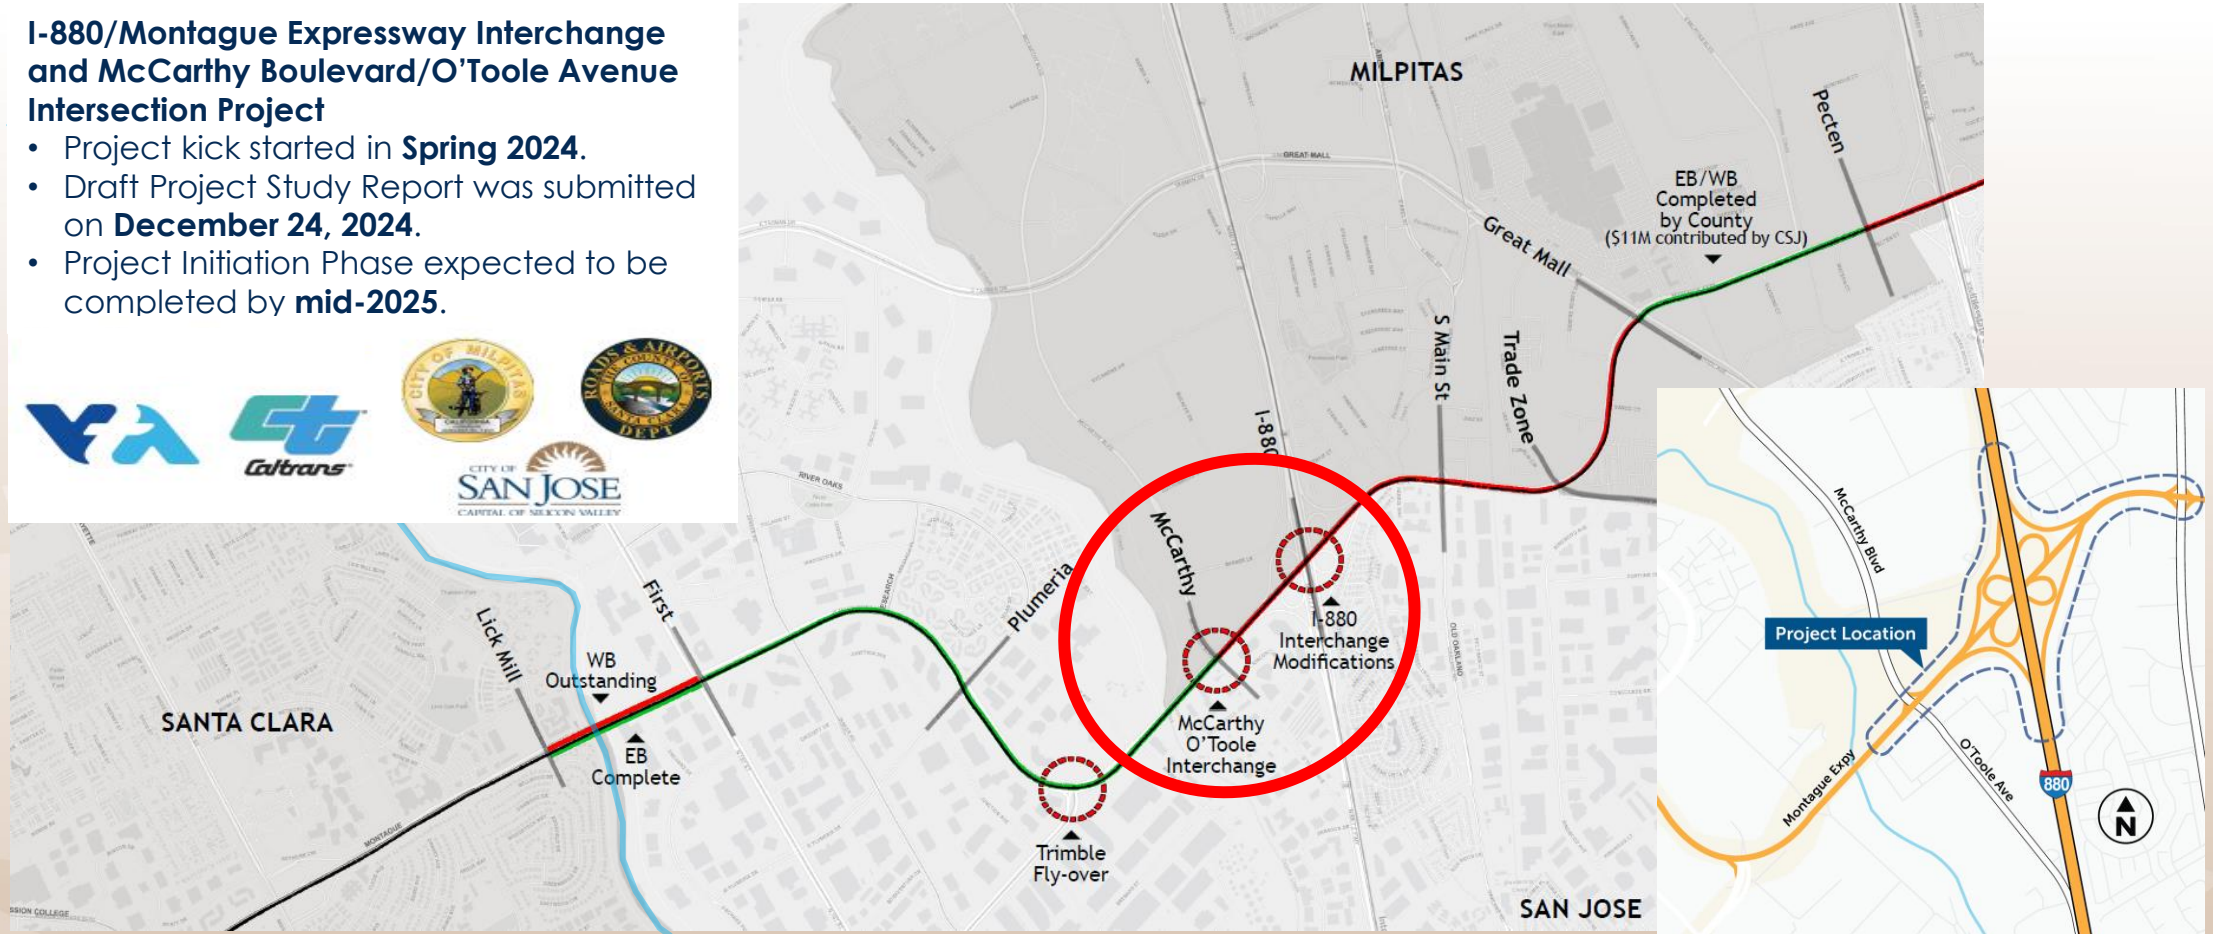

Public Open House conducted on January 10, 2024

# I-880/Montague Expressway Interchange and McCarthy Boulevard/O'Toole Avenue Intersection Project

## I-880/Montague Expressway Interchange and McCarthy Boulevard/O'Toole Avenue Intersection Project

- Project kick started in **Spring 2024**.
- Draft Project Study Report was submitted on **December 24, 2024**.
- Project Initiation Phase expected to be completed by **mid-2025**.
