Subject: Requesting a time certain for the Oct. 24th agenda item for the CP16-0 35 Condition Use Permit

All,

We have several elderly and disabled persons that are coming to the Appeals Hearing scheduled before the Mayor and Council on Oct. 24th for the CP16-035 Condition Use Permit.

I would like to respectfully request that this item be heard as early on the agenda as possible to accommodate ADA requirements for these seniors and persons with disabilities.

Also, in compliance with ADA requirements, if Security could be at the Council doors downstairs to let them in as they can not walk down all the stairs in the Council Chambers that would also be deeply appreciated and helpful.

Further, we will have a large number of parents coming to the meeting as well who have to get up early the next day.

Please let me know if that would be possible.

Thank you.

Kathleen
