Mayor Sam Liccardo closed the public hearing.

Interim Director, Planning, Building and Code Enforcement, Rosalynn Hughey provided a presentation and brought attention to minor text edits as provided in Supplemental Memorandum #3.

Motion: Councilmember Dev Davis moved approval of the memoranda she co-signed with Mayor Sam Liccardo and Councilmember Chappie Jones, both dated June 23, 2017, with changes as indicated below in “Action”. Councilmember Chappie Jones seconded the motion.

Action: On a call for the question, the motion carried unanimously, and Resolution No. 78306, entitled: “A Resolution of the Council of the City of San José Amending the Envision San José 2040 General Plan Pursuant to Tile 18 of the San José Municipal Code to Adopt the Winchester Boulevard and Santana Row Valley Fair Urban Village Plans and Associated General Plan Amendment”, was adopted, including the two joint memoranda from Mayor Sam Liccardo, Councilmember Dev Davis and Councilmember Chappie Jones, dated June 23, 2017, recommending establishment of a multi-city group to discuss key regional issues affecting West San José, with a focus on transportation and circulation; and approving staff recommendations with the following changes to both Urban Village (UV) Plans unless otherwise noted:

1. **Vision:** Add the following sentence to Chapter 2, Vision:

a. I-280/Winchester Overpass: Add the following to the end Guiding Principle 2 of the Winchester UV Plan:

i. *“As the I-280/Winchester overpass is an essential connection between the Winchester and Santana Row/Valley Fair Urban Villages, this Plan ensures that improvements to the pedestrian and bike overcrossing at this overpass are given a high-priority and every consideration is given to a cap or other treatment to this overpass.”*

b. Innovation Corridor: Designate Stevens Creek Blvd. as an Innovation Corridor.

i. Add a Guiding Principle to Chapter 2, Vision of the Santana Row/Valley Fair UV Plan to read as follows:

1. *“Establish the Stevens Creek Innovation Corridor by encouraging the integration and testing of technologies within the Urban Village boundaries”*

ii. Add the following “Innovation Corridor language to the Santana Row/Valley Fair Implementation Chapter:

10.4 General Plan Amendment: Winchester and Santana Row/Valley Fair Urban Village Plans (Cont'd.)

1. *“Developers can support the Stevens Creek Innovation Corridor by testing and integrating new technologies that provide both innovative place-based experiences and improvements to the public and private realm within the Urban Village. Including, but not limited to, technologies that improve traffic flow and provide on-demand traffic counting, improved access to Wi-Fi and increased data speeds, innovative placemaking artwork, use of visualization technology within the public or private realm to show how both planned developments and public realm improvements will look in 3-D from multiple perspectives.”*
2. **Land Use Map:** Modify the land use map in Chapter 3 of the Winchester UV Plan changing 660 S. Winchester Blvd. from “Urban Village Commercial” to “Urban Village.”
3. **Future Mixed Use Development:** Add the following action item to Chapter 3, Land Use: a. *“Action Item: When the entire commercial allocation for the Village is met, explore an Urban Village Plan update during the nearest 4-year review, and during the update, consider allowing residential in a mixed-use format on commercial-only land use designations within the Urban Village boundaries.”*
4. **Auto/Interim Uses:** Add the following policy to Chapter 3 of the Winchester UV Plan: a. *“Building and site improvements for existing interim commercial uses, including auto uses, that require discretionary approvals, shall be designed to improve the pedestrian environment by increasing landscaping adjacent to the sidewalk, installing large canopy street trees, improving the sidewalk consistent with the policies and guidelines of this Plan, providing public art, or providing a publicly accessible plaza or pocket park. Improvements should also include those that enhance the pedestrian connection or access between the sidewalk and the existing commercial use.”*
5. **Private Recreation Space:** Add the following action item to Chapter 4, Parks, Plazas and Placemaking: a. *“Action item: As a part of the planned nexus study for San Jose’s PDO/PIO program, which is expected to follow the City’s 2018 Greenprint update, the City should reconsider its policies on private recreation areas; specifically, those which give credits for entirely private recreation space. Instead, the City should explore approaches that encourage privately maintained open space, which is also fully accessible to the public.”*
6. **Winchester UV Plan Transition Standards:** Remove the transition standards when new development is adjacent to the “Urban Residential” land use designation, located in Chapter 5, Urban Design of the Winchester UV Plan.
7. **Implementation Chapters:** Require that the Winchester Advisory Group, in conjunction with the Stevens Creek Advisory Group, reconvene on an as needed basis in order to provide feedback on the Implementation Chapters.
8. **Santana Row/Valley Fair UV Plan Implementation Chapter;** The Implementation Chapter for this village should allow for increased heights above the approved village heights if a project provides substantial additional urban village amenities.
9. **Onsite Affordable Housing:** Add the following action item to each of the UV Plans: a. *“Action Item; The City should aggressively pursue incentives for developers to include onsite affordable housing for new projects.”*
10. **New Project Visualizations:** Add the following requirement to Chapters 4, Urban Design:

10.4 General Plan Amendment: Winchester and Santana Row/Valley Fair Urban Village Plans (Cont'd.)

a. Require that new projects proposed within the Urban Village Plan over 55 feet in height provide detailed visualizations of their proposed project that show what the project would like from the street-level from different perspectives and distances. Any illustration of included landscaping, e.g., trees, should show it as it will appear upon installation, and also within the context of the surrounding buildings.

11. Horizon 3 Urban Village

a. Keep both villages within Horizon 3.

b. Add the following policies to the UV Plans:

i. *“Residential mixed-use projects utilizing the residential pool must build the commercial and residential portions of the development concurrently.”*

ii. *“Residential projects utilizing the Envision San Jose 2040 General Plan “Residential Pool” policy (Policy IP-2.11), which can allow residential mixed use projects prior to the opening of an urban village’s designated horizon, shall replace any existing commercial square footage on the development site or provide a minimum commercial FAR of 0.9, whichever is greater.”*

(11-0.)

10.5 Recommendation:

(a) **Consider the Final Program Environmental Impact Report for the Envision San José 2040 General Plan (Resolution No. 76041), the Supplemental Environmental Impact Report for the Envision San José 2040 General Plan Final Program EIR (Resolution 77617), and the November 1, 2016 Addendum thereto, in conformance with CEQA; and**
