**SUBJECT: VACATION OF THE 25-FOOT AND 12.5-FOOT SETBACK EASEMENTS
AT 4940 GATTUCIO DRIVE**

RECOMMENDATION

- (a) Adopt a resolution of intention to vacate the 25-foot and 12.5-foot light and air easements located at 4940 Gattucio Drive.
- (b) Set a Public Hearing on Tuesday, June 19, 2018, at 1:30 p.m., for consideration of the vacation.
- (c) Direct the City Clerk to file the vacation map and advertise said public hearing.

OUTCOME

Council adopts a resolution of intention to vacate the 25-foot and 12.5-foot light and air easements ("setback easements") located at 4940 Gattucio Drive ("subject property") and set a Public Hearing on June 19, 2018 at 1:30 p.m. for consideration of the adoption of a resolution vacating the setback easements. By vacating the setback easements, the subject property will conform to the current San Jose Municipal Code front setback requirements of 20-feet and 12.5-feet, respectively, for single family residences in zoning district R1-8 and the property owners can construct building improvements up to the current setbacks.

BACKGROUND

Jaewoong Choi and Heekyoung Seo, property owners of 4940 Gattucio Drive, have submitted an application for the vacation of the setback easements, 25-foot wide along Rafton Drive, and

12.5-foot wide along Gattuccio Drive, located on their corner lot property (see attached map). The setback easements are approximately 5,474 square feet in total size, and were created by dedication on the map of Tract No. 1596, recorded on December 8, 1955 in Book 63 of Maps, Page 56, of Official Records, Office of the Recorder, County of Santa Clara, and applies to all 38 properties created by the subdivision.

The property owners have indicated their desire to construct future improvements to their property that would encroach into the setback easements. The setback easements prohibit buildings from encroaching into these areas.

ANALYSIS

Staff has reviewed the vacation application and has determined that the setback easements can be vacated because they are not necessary for current or prospective use. Ordinance No. 29821 "An Ordinance of the City of San Jose Amending Title 20 of the Municipal Code to Amend Various Sections of Chapter 20.30...." effective on December 30, 2016 amended the front setback requirement of a single family residence in zoning district R1-8 from 25-feet to 20-feet. Section 20.30.200 of Title 20 of the Municipal Code also requires the side setback for a corner lot single family residence in zoning district R1-8 to be 12.5-feet. Consequently, upon review of the vacation application by Planning staff, it was determined that the setback easements on the subject property are no longer necessary for public purposes in favor of the more appropriate current zoning setbacks. In light of this, staff recommends vacating the entire 25-foot and 12.5-foot setback easements as it is more appropriate to regulate setbacks through the enforcement of the City's zoning code instead of through setback easements. This reduction in setbacks was found consistent with the goals of the Envision San Jose 2040 General Plan ("General Plan") to encourage additional density and parking in conventional Residential Zoning Districts.

Because zoning district R1-8 applies to all of Tract No. 1596, the 25-foot and 12.5-foot setback easements may be vacated for the entire tract, as all properties in the subdivision could be required to comply with the current 20-foot front setback for a single family residence in zoning area R1-8 (Municipal Code 20.30.200). However, only the property owners of 4940 Gattuccio Drive have applied for a vacation of the setback easements and specifically requested that their application only result in the vacation of setback easements for their property as they did not want to affect other property owners setback easements. Consequently, staff agreed not to further pursue a vacation of setback easements for the entire subdivision per the property owners request. In the future, other properties in the subdivision may seek a vacation of the setback easements.

According to the title report issued by First American Title Company, Jaewoong Choi and Heekyoung Seo hold fee ownership to the area being proposed for vacation at 4940 Gattuccio Drive. Additionally, there is an existing public utility easement along the southerly property line that will remain.

By adopting the recommended resolution of intention to vacate, the Council will:

1. Declare its intention to vacate the setback easements located at 4940 Gattucio Drive;
2. Set a Public Hearing on June 19, 2018 at 1:30 p.m.;
3. Direct the City Clerk to file the vacation map and advertise said public hearing; and
4. Direct the Director of Public Works to post the site with a Notice of Public Hearing.

EVALUATION AND FOLLOW-UP

If Council approves this resolution, a Public Hearing will be set for June 19, 2018 at 1:30 p.m. to consider the adoption of a resolution vacating the setback easements located at the subject property.

PUBLIC OUTREACH

Extensive outreach was conducted by staff prior to the 2016 approval of Ordinance No. 29821 including facilitating numerous community and stakeholder meetings.

This memorandum will be posted on the City's website for the May 15, 2018, City Council agenda.

COORDINATION

This vacation has been coordinated with the Department of Planning, Building and Code Enforcement and the City Manager's Budget Office. The vacation and resolution have been reviewed by the City Attorney's Office.

FISCAL/POLICY ALIGNMENT

Vacating the setback easements is in alignment with the November 2016 Council approval of Ordinance No. 29821 which governs the setback requirements for single family residences in zoning district R1-8.

COMMISSION RECOMMENDATION/INPUT

No commission recommendation or input is associated with this action.
