SUBJECT: AB 2463 (Quirk-Silva and Cervantes): Small Business Assistance Program

RECOMMENDED POSITION: Support

RECOMMENDED ACTION:

1. Pursuant to the City's streamlined bill process for responding quickly to legislative proposals, re-affirm a position in support of AB 2463.
2. Recommend a one-week turnaround to the May 22, 2018 City Council so that the City's legislative representative can continue to advocate the City's position in support of AB 2463.

BILL SYNOPSIS:

AB 2463 establishes the Small Business Assistance Program, administered through the Governor's Office of Business and Economic Development (GO-Biz), for the purpose of providing matching funds to federally-designated small business assistance centers, including the Small Business Development Centers, the Women's Business Centers, the Manufacturing Extension Partnership Center, the Procurement Technical Assistance Centers, and the Veteran Business Outreach Centers. The funding for the Small Business Assistance program and matching grants is included in the Governor's budget at \$20 million annually for five years. The funding is coming from the California Competes Program set-aside for small businesses.

IMPACTS TO CITY OF SAN JOSE:

AB 2463 provides additional funding in support of Manufacturing Extension Partnership, which provides additional funding for two organizations that support local manufacturing in San Jose - Manufacture: San Jose, and Manufacturing Extension Partnership (MANEX). These organizations provide business support services to many of the City's approximately 1,200 manufacturing businesses, most which are locally-owned small businesses.

POLICY ALIGNMENT:

A support position on AB 2463 aligns with the Legislative Guiding Principle to "Increase funding for manufacturing job creation and changes to the Cal Competes program (State GO Biz)".
