BACKGROUND

Section 15.12.550 of the San José Municipal Code (“Code”) requires the Director of Finance to file a written report with the City Clerk on or before the fifth day of July of each year, or such other date or dates as the City Council may specify by resolution, regarding the assessment of annual SSSUC. Section 15.16.1410 of the Code requires the Director of Finance to file a written report each year with the City Clerk, at least fifteen days in advance of the Public Hearing on the assessment. These reports provide a list of all parcels located within the City that are subject to SSSUC and SSSC including the annual service and use charges to be placed on the County Secured Property Tax Roll for the forth-coming fiscal year. Sections 15.12.550 and 15.16.1430 of the Code require the City Clerk to cause notice of the filing of the Director’s reports, and the time and place of the Public Hearing on the assessments to be published in a newspaper of general circulation and within the City.

ANALYSIS

Staff recommends the filing date for the SSSUC assessment report be moved from July 5, 2018 to July 16, 2018 in order to accommodate the Customer Information System’s billing process and to allow staff the additional time necessary to provide the most complete and current SSSUC listing. The SSSC assessment report will also be filed on or about July 16, 2018 prior to publication by the City Clerk.

The Finance Department requests that the Public Hearing regarding the placement of the 2018-2019 SSSUC and SSSC assessments on the County Secured Property Tax Roll be set for Tuesday, August 7, 2018 at 1:30 p.m., or as soon thereafter as the matter may be heard, in the City Council Chambers. The final report of the 2018-2019 SSSUC and SSSC assessments is due to the County Tax Assessor no later than August 20, 2018, to ensure placement on the 2018-2019 County Secured Property Tax Roll.

EVALUATION AND FOLLOW-UP

The Director of Finance will file both the Fiscal Year 2018-2019 annual Sanitary Sewer Service and Use Charge and Storm Sewer Service Charge reports with the City Clerk on or before July 16, 2018. The Finance Department will prepare a memorandum for the August 7, 2018 Council Meeting recommending that Council conduct a Public Hearing and approve the Fiscal Year 2018-2019 annual SSSUC and SSSC assessments, as presented in the reports for purpose of placement on the 2018-2019 annual County Secured Property Tax Roll with any modifications Council may make based on public testimony to be heard on August 7, 2018.
