**SUBJECT: SETTING A PUBLIC HEARING FOR THE COST OF SIDEWALK REPAIRS FOR DECEMBER 18, 2018.**

## RECOMMENDATION

Adopt a resolution setting a Public Hearing on Tuesday, December 18, 2018 at 1:30 p.m. for the approval of the report from the Director of Finance for the cost of sidewalk repairs.

## OUTCOME

Approval of the recommended action will set the public hearing to hear the report of the Director of Finance for the cost of sidewalk repairs. This is the first step in the lien process for the City to recover funds spent on sidewalk repairs from property owners.

## BACKGROUND

State law and the San José Municipal Code make it the duty of each property owner to maintain the sidewalk fronting their property in a safe condition. When sidewalks need repair, the Department of Transportation ("DOT") inspects the property and obtains a cost estimate from City approved contractors. DOT then sends a repair notice to the property owner. The notice includes financial hardship information for those who need assistance with paying for the sidewalk repairs. Within six weeks after the repair notice is sent, DOT mails an additional notice to the property owner stating that repairs will be made by the contractor, hired by DOT, if the owner does not repair the sidewalk. If the repairs are not made by the owner, a final notice is mailed one week later. Next, DOT places a door hanger at the property address stating a contractor, hired by the City, will be assigned to make the necessary sidewalk repairs. After repairs are performed by the contractor, DOT invoices the property owner for the cost of sidewalk repairs.

If the invoice remains unpaid, the Finance Department sends a 30-day, 60-day, and final notice. To recover the costs of unpaid invoices, the City Council, upon confirming the amounts owed subsequent to a public hearing, can approve the filing of liens against the defaulting properties with the Santa Clara County (“SCC”) Office of the Clerk-Recorder.

Property owners who are affected by this process may pay the amount due at any time, prior to the public hearing on December 18, 2018, by making full payment to the City. However, if a balance remains after December 18, 2018, an additional \$117.50 administrative fee, which includes a \$8.00 lien-release fee charged by the SCC Office of the Clerk-Recorder, will be added. A lien will be recorded for any unpaid balance, including additional administrative fees. Recording liens against delinquent property owners for outstanding sidewalk repair costs helps ensure eventual collection of past due amounts when the property is sold, transferred, or refinanced.

#### Financial Hardship Assistance Program

On April 18, 2018, the Rules and Open Government Committee directed staff to evaluate the Tree Maintenance and Sidewalk Repair Financial Hardship Assistance Program and consider adjusting the income level requirement to allow a reasonable number of additional Low Income and Very Low Income households to be eligible. DOT reviewed the Financial Hardship program and recommended that an administrative modification to increase the qualifying income limit from twice the National Poverty Rate to three times the National Poverty Rate beginning July 1, 2018. The recommended modification was approved by City Council on June 12, 2018 as part of the Mayor’s Budget Message for Fiscal Year 2018-2019 (MBA #26).

DOT has approved twice as many hardship requests as the previous year over the same time period. From July 1 to September 17, 2017, DOT approved 8 locations for hardship at an approximate cost of \$28,000. In the current fiscal year, DOT has approved 17 locations at total cost of approximately \$52,000. DOT will continue to monitor hardship approvals and associated cost, and work with the City Manager’s Budget Office to consider funding adjustments for the hardship program during the Mid-Year Budget process.

#### ANALYSIS

A report from the Director of Finance for the cost of sidewalk repairs (“Director’s Report”) is attached. The Director’s Report includes properties in which the City incurred costs for the sidewalk repairs on behalf of the property owners, of which, payment to the City remains outstanding. At the present time, there are 207 properties that are subject to a potential lien, for a total lien amount, including administrative fees, of \$310,975.43. Individual lien amounts vary from \$231.08 to \$11,522.74. The total lien amount represents the total amount paid by the City to contractors for sidewalk repairs at the affected properties plus the associated administrative fees and interest on any unpaid balance.

In an effort to resolve potential protests prior to the public hearing, DOT invites property owners to attend administrative conferences. These conferences do not affect the property owners' right to protest the proposed lien at the City Council public hearing.

Results of the administrative conferences and staff recommendations will be included in an updated Director's Report submitted to City Council for consideration and approval on December 18, 2018. After hearing any protest, the City Council may confirm the Director's Report and the full amounts contained therein or reduce any of the amounts due. After the Director's Report is confirmed, the amounts owed constitute a special assessment against the property and become a lien on the property for the balance of the outstanding amount owed, until they are paid. Any lien amount unpaid will be added to the property owner's annual property tax bill by the SCC Controller-Treasurer Department.

The schedule to file sidewalk repair liens on defaulting properties is as follows:

<b>Event</b>	<b>Date</b>
1. City Council – Sets the public hearing	October 16, 2018
2. Department of Transportation – Mails first notices giving notice of the administrative conferences and the public hearing date	October 23, 2018
3. Department of Transportation – Mails second notices giving notice of the administrative conferences and the public hearing date	October 30, 2018
4. Department of Transportation – Conducts the administrative conference	November 14 and 15, 2018
5. City Council – Conducts the public hearing and adopts the Resolution Confirming the Director's Report containing the proposed liens	December 18, 2018 1:30 P.M.

### **EVALUATION AND FOLLOW-UP**

A memo seeking authorization from the City Council to direct Finance staff to place special assessments secured by a lien against those listed in the Director's Report will be presented at the December 18, 2018 Council meeting. In addition, staff in the Revenue Management Division of the Finance Department will continue its collection efforts in order to reduce the number of delinquent accounts that require a lien hearing. Staff will also continue to monitor accounts placed with the County for special assessment for full compliance with the program.

**PUBLIC OUTREACH**

A notice of public hearing will be mailed to the property owners on or about October 23, 2018 and October 30, 2018, providing information on the debt and the hearing process. On November 14 and 15, 2018, DOT will hold informal administrative conferences to allow the debtor the opportunity to discuss the matter with City staff. Results of the aforementioned administrative conferences will be reported at the hearing before December 18, 2018.

The City Council may make appropriate revisions or corrections and will determine final confirmation or rejection of the liens. The ultimate decision of the City Council shall be final and conclusive.

**COORDINATION**

This memorandum has been coordinated with the Department of Transportation and the Office of the City Attorney.

**COMMISSION RECOMMENDATION**

This item does not require any input from a board or commission.

**COST SUMMARY/IMPLICATIONS**

The funds totaling \$253,372.29 advanced from the General Fund, were used to repair the sidewalks for those properties currently being considered for the filing of a special assessment secured by a lien.

**CEQA**

Not a project, File No. PP17-010, City Organizational & Administrative Activities.
