SUBJECT: APPROVAL OF THE TERMS OF AN AGREEMENT WITH THE INTERNATIONAL UNION OF OPERATING ENGINEERS, LOCAL UNION NO. 3 (OE#3) FOR THE TERM OF OCTOBER 1, 2018 THROUGH SEPTEMBER 30, 2019

RECOMMENDATION

It is recommended that the City Council approve the following actions:

- (a) Adopt a resolution approving the terms of a collective bargaining agreement between the City and the International Union of Operating Engineers, Local Union No. 3 (OE#3) for the term of October 1, 2018 through September 30, 2019, and authorizing the City Manager to execute the agreement with those terms.

OUTCOME

Adoption of the resolution would result in a collective bargaining agreement between the City of San José and the International Union of Operating Engineers, Local Union No. 3 (OE#3) and authorize the City Manager to execute an agreement with a term of October 1, 2018, through September 30, 2019 with those terms.

BACKGROUND

The City of San José's collective bargaining agreement with the International Union of Operating Engineers, Local Union No. 3 (OE#3) expired on September 30, 2018. OE#3 currently represents approximately 720 full-time equivalent positions. This unit includes employee job classifications such as Maintenance Worker I/II, Parking Traffic Control Officer, Maintenance Assistant, Groundswoker, and Wastewater Operator I/II/III.

In April 2018, negotiations with OE#3 on a successor agreement commenced and, on or about August 30, 2018, the City and OE#3 reached an overall Tentative Agreement on the terms to be

contained in the successor Memorandum of Agreement (MOA) between the City and OE#3 with a three (3) year term; however, on or about September 21, 2018, the City was notified that the OE#3 membership did not ratify the Tentative Agreement reached on August 30, 2018.

In October 2018, the City and OE#3 resumed negotiations on a successor agreement and, on or about October 5, 2018, the City and OE#3 reached a Tentative Agreement on the terms to be contained in the successor Memorandum of Agreement (MOA) between the City and OE#3 with a one (1) year term.

The Tentative Agreement reached on October 5, 2018, is pending ratification by the OE#3 membership. OE#3 will notify the City of the ratification results prior to the October 23, 2018, City Council meeting.

ANALYSIS

A complete copy of the Tentative Agreement reached on October 5, 2018, is attached (Attachment A). The following is a summary of the key provisions of the Tentative Agreement.

- Term** October 1, 2018 through September 30, 2019
- General Wage Increase** Effective October 21, 2018, all salary ranges for employees holding positions in classifications assigned to OE#3 will receive a pensionable base pay increase of approximately 3.0%. This will result in both the top and bottom step of the pay range being increased by approximately 3.0%.
- Classification Salary Adjustment** Effective the first full pay period after approval by the Civil Service Commission, a classification salary adjustment will be made to the Mechanic series to equal the salary ranges of the Wastewater Mechanic series. The classifications receiving the adjustment are as follows:

CLASSIFICATION TO RECEIVE SALARY ADJUSTMENT	TO EQUAL THE CORRESPONDING WASTEWATER MECHANIC CLASSIFICATION
Apprentice Mechanic (3321)	Apprentice Wastewater Mechanic (3627)
Mechanic I (3323)	Wastewater Mechanic I (3622)
Mechanic II (new)	Wastewater Mechanic II (3672)
Senior Mechanic (3322)	Wastewater Senior Mechanic I (3623)
Senior Mechanic II (new)	Wastewater Senior Mechanic II (3673)

Protective Clothing The voucher for the purchase of protective footwear will include the ability to purchase sole inserts.

Retirement Administrative Costs Costs to the fund for staff salaries and indirect labor costs shall not exceed 0.17% of assets in the fund per year, increased from 0.07%.

In the event the administrative costs of the Federated Retirement System exceed the administrative cost limit as listed above, representatives from the Office of Employee Relations, OE#3, and the Office of Retirement Services will meet to discuss the increase in administrative costs.

Opportunity to Work Before hiring additional part-time employees, the City will offer additional hours of work to existing part-time employees who have the skills and experience to perform the work. The City is developing a process to distribute the hours of work among those existing part-time employees.

This shall not be construed to limit the right of the Department Director, or designee, to determine the days of the week and hours of each day when such part-time employee shall be required to work. Further, nothing shall limit the right of the Department Director, or designee, to determine the days of the week and hours of each day when any such part-time non-benefited employee shall be required to work, or whether such part-time non-benefited employee shall work at all.

This shall not be construed to require the City to offer a part-time employee any additional hours of work if it would result in the part-time employee being eligible for overtime compensation at 1.5 times their regular rate of pay or any other additional benefits that said employee is not otherwise eligible.

Union Release Time The designated bargaining unit representative(s) shall use the City Paid Release Time (URT) payroll code for any paid time off eligible for release time from regular City duties to attend authorized meetings. Upon request by the City, the bargaining unit representative(s) shall provide the City with a general explanation of the business conducted when the URT code is used.

Annual Performance Appraisals Employees shall not receive an automatic salary step increase if they have an Annual Performance Appraisal with an overall rating below that of "Meets Standard" dated within twelve (12) months prior to the salary step increase.

Reopeners During the term of the contract, the City and OE#3 agree to that to the extent they arise during the term of the contract, the parties agree to meet and confer over potential changes to the City's healthcare program.

EVALUATION AND FOLLOW-UP

No additional follow up action with the City Council is expected at this time.

PUBLIC OUTREACH

This memorandum will be posted on the City's website for the October 23, 2018, City Council Agenda.

COORDINATION

This memorandum was coordinated with the City Attorney's Office.

COMMISSION RECOMMENDATION/INPUT

This agreement was not coordinated with any board or commission.

COST SUMMARY/IMPLICATIONS

The ongoing increased annual direct cost of the 3% pensionable wage increase effective October 21, 2018, will be approximately \$2.17 million in 2018-2019. This increase was assumed in the development of the 2018-2019 Adopted Budget. Related budget actions for 2018-2019 will be brought forward for City Council approval in a future budget process in 2018-2019. The increases in the General Fund of approximately \$735,000 will be offset by a corresponding decrease to the Salaries and Benefits Reserve; increases within special funds will generally be offset by corresponding decreases to the unrestricted ending fund balance in those funds or an alternative funding source.

The ongoing increased cost of the classification salary adjustments for the Apprentice Mechanic (3321), Mechanic (3323) and Senior Mechanic (3322) positions, as well as the addition of two additional classifications (Mechanic II and Senior Mechanic) is approximately \$615,000. These positions are primarily funded by special funds. The Administration will continue to monitor personal services expenditures of the impacted departments within the various special funds and will bring forward adjustments as necessary in a future 2018-2019 budget process.
