Background

Key Framing for Climate Smart San José

A People-Centered Plan for a Low-Carbon City

Climate Smart San

Nine Strategies & Three Pillars
José

PILLARS of what residents want

Pillar 1

A Sustainable & Climate Smart City

1.1

Transition to a renewable energy future

1.2

Embrace our Californian climate

Pillar 2

A Vibrant City of Connected & Focused Growth

2.1

Densify our city to accommodate our future neighbors

2.2

Make homes efficient and affordable for our families

2.3

Create clean, personalized mobility choices

2.4

Develop integrated, accessible public transport infrastructure

Pillar 3

An Economically Inclusive City of Opportunity

3.1

Create local jobs in our city to reduce vehicle miles traveled

3.2

Improve our commercial building stock

3.3

Make commercial goods movement clean and efficient

Climate and water STRATEGIES
