RECOMMENDATION

Approve grant for Bagby Elementary School to support student educational and recreational needs. To be paid by City Council District 9 funds.

Bagby Elementary School \$1,000.00

BACKGROUND

Pursuant to City Council Expenditure and Reimbursement Policy, Policy Number 0-38, Section K "Grants", Item 6, "Any contribution to an organization proposed by a Council member who is a member of that organization must be approved in advance by the City Council."

Approval is requested to expend \$1,000.00 from my City Council District office appropriation to support student educational and recreational needs. Bagby Elementary School has a Fall community event and fundraiser that helps support field trips, school assemblies, classroom supplies, and technology support and needs further assistance to offset the burden from school district wide budget cuts.

My office supports various schools in the City of San Jose. Currently, I have a child who attends Bagby Elementary School. Because of my relationship with this organization, it is appropriate for the full City Council to approve this grant.
