The Neighborhood Services and Education Committee will receive a report developed by the Library & Early Education Commission that will identify appropriate quality standards and assessment tools for early education programming hosted by the Library and Parks, Recreation, and Neighborhood Services, tentatively scheduled to be heard at the February 2019 meeting.

ANALYSIS

The Library and Early Education Commission has worked diligently with early education subject matter experts to provide technical assistance and support to early education program staff in the Library and Parks, Recreation, and Neighborhood Services.
