SUBJECT: UPDATE TO THE AUGUST – DECEMBER 2018 COMMUNITY AND ECONOMIC DEVELOPMENT COMMITTEE WORKPLAN**RECOMMENDATION**

Retroactive approval of the following change to the workplan for the Community and Economic Development (CED) Committee:

Drop the following item from the November 26, 2018, CED Committee workplan:

City Council Policy Priority #2: Local Hire Construction Industry Local Hire Study (Public Works)

Purpose: Share results of the Local Hire Study including information, best practices, and considerations.

BACKGROUND

Public Works staff have reviewed the draft findings from Craft Consulting Group on Construction Industry Local Hire Study. Based on the information provided by the consultant, staff recommends this item be dropped from the November 26, 2018, CED Committee workplan and added to the January 28, 2019, CED agenda for additional staff analysis.

Staff received the consultant's draft findings simultaneous with an intense workload associated with passage of Measures S and T and completion of the Project Labor Agreements. Given the staff workload combined with the additional time needed to provide feedback on the consultant's draft report, staff need additional time before presenting the draft findings to the Committee.
