Mayor of the City of San Jose
200 East Santa Clara Street, 18th Floor
San Jose, CA 95113

Dear Mayor Liccardo,

As a member of the Campbell Union High School District community, I am urging you to support the District's request to rezone the land that the district office and maintenance yard currently occupy. This will be the first step in enabling the district to convert an underutilized asset into a revenue stream that will benefit our district's students.

The proposed development for this parcel of land is compatible with the surrounding neighborhood, and the proposed improvements will therefore benefit both the immediate community, as well as the broader (district-wide) community.

Lastly, in addition to the financial benefits that our schools will enjoy, your support of this proposal will demonstrate to the community at large that you are fully committed to improving our schools and neighborhoods.

Sincerely,

Dear Mayor Liccardo,

As a member of the Campbell Union High School District community, I am urging you to support the District's request to rezone the land that the district office and maintenance yard currently occupy. This will be the first step in enabling the district to convert an underutilized asset into a revenue stream that will benefit our district's students.

The proposed development for this parcel of land is compatible with the surrounding neighborhood, and the proposed improvements will therefore benefit both the immediate community, as well as the broader (district-wide) community.

Lastly, in addition to the financial benefits that our schools will enjoy, your support of this proposal will demonstrate to the community at large that you are fully committed to improving our schools and neighborhoods.

Sincerely,

Dear Mayor Liccardo:

As a member of the Campbell Union High School District parent community, I support the District's efforts to convert the district office/maintenance yard into a revenue stream that will benefit our students with the below provision.

The district bus yard is NOT moved to Del Mar High School.

With your support, the District will be able to convert under utilized land into dollars that will flow directly back into our classrooms further supporting the educational experience of our students.

Sincerely,

Emma Miles

Dear Mayor Liccardo:

As a member of the Campbell Union High School District community, I am urging you to support the District's efforts to rezone the land the district office/maintenance yard currently occupy. This will be the first step in enabling the district to convert an underutilized asset into a revenue stream that will benefit our district's students.

The proposed development for this parcel of land is compatible with the surrounding neighborhood, and the proposed improvements will therefore benefit both the immediate community, as well as the broader (district-wide) community.

Lastly, in addition to the financial benefits that our schools will enjoy, your support of this proposal will demonstrate to the community at large that you are fully committed to improving our schools and neighborhoods.

Dear Mayor Liccardo:

As a member of the Campbell Union High School District community, I am urging you to support the District's efforts to rezone the land the district office/maintenance yard currently occupy. This will be the first step in enabling the district to convert an underutilized asset into a revenue stream that will benefit our district's students.

The proposed development for this parcel of land is compatible with the surrounding neighborhood, and the proposed improvements will therefore benefit both the immediate community, as well as the broader (district-wide) community.

Lastly, in addition to the financial benefits that our schools will enjoy, your support of this proposal will demonstrate to the community at large that you are fully committed to improving our schools and neighborhoods.

Additional Message to Mayor Liccardo:

Sincerely,

Estimado Alcalde Liccardo,

Como miembro de la comunidad de Campbell Union High School District, le insto a que respalde la solicitud del Distrito para volver a unir el terreno que actualmente ocupan la oficina de distrito y el patio de mantenimiento. Este serì el primer paso para permitir que el distrito convierta un activo subutilizado en un flujo de ingresos que beneficie a los estudiantes de nuestro distrito.

El desarrollo propuesto para esta parcela de tierra es compatible con el vecindario circundante y, por lo tanto, las mejoras propuestas beneficiarì en tanto a la comunidad inmediata como a la comunidad en general (en todo el distrito).

Por ìltimo, ademìs de los beneficios financieros que nuestras escuelas disfrutariìen, su apoyo a esta propuesta demostrariì a la comunidad en general que estì totalmente comprometido con la mejora de nuestras escuelas y vecindarios.

Estimado Alcalde Liccardo,

Como miembro de la comunidad de Campbell Union High School District, le insto a que respalde la solicitud del Distrito para volver a unir el terreno que actualmente ocupan la oficina de distrito y el patio de mantenimiento. Este será el primer paso para permitir que el distrito convierta un activo subutilizado en un flujo de ingresos que beneficie a los estudiantes de nuestro distrito.

El desarrollo propuesto para esta parcela de tierra es compatible con el vecindario circundante y, por lo tanto, las mejoras propuestas beneficiarán tanto a la comunidad inmediata como a la comunidad en general (en todo el distrito).

Por último, además de los beneficios financieros que nuestras escuelas disfrutarán, su apoyo a esta propuesta demostrará a la comunidad en general que está totalmente comprometido con la mejora de nuestras escuelas y vecindarios.

Additional Message to Mayor Liccardo:

Sinceramente,

Dear Mayor Liccardo:

As a member of the Campbell Union High School District community, I am urging you to support the District's efforts to rezone the land the district office/maintenance yard currently occupy. This will be the first step in enabling the district to convert an underutilized asset into a revenue stream that will benefit our district's students.

The proposed development for this parcel of land is compatible with the surrounding neighborhood, and the proposed improvements will therefore benefit both the immediate community, as well as the broader (district-wide) community.

Lastly, in addition to the financial benefits that our schools will enjoy, your support of this proposal will demonstrate to the community at large that you are fully committed to improving our schools and neighborhoods.

San Jose, CA 95113

Dear Mayor Liccardo:

As a member of the Campbell Union High School District community, I am urging you to support the District's efforts to rezone the land the district office/maintenance yard currently occupy. This will be the first step in enabling the district to convert an underutilized asset into a revenue stream that will benefit our district's students.

The proposed development for this parcel of land is compatible with the surrounding neighborhood, and the proposed improvements will therefore benefit both the immediate community, as well as the broader (district-wide) community.

Lastly, in addition to the financial benefits that our schools will enjoy, your support of this proposal will demonstrate to the community at large that you are fully committed to improving our schools and neighborhoods.

Additional Message to Mayor Liccardo:

Sincerely,

I support the development of this land to help fund our district and keep the high quality of instruction we benefit from in our community. Please note that I have a 19-year-old disabled son currently using that exact site for his post-secondary program and I still support this change even though it will likely require modification to his current program. Please help keep our future in mind with the needs our children's education (a.k.a. the future!). I look forward to hearing that you are helping the District's effort to rezone the land. Thank you very much for your service to our community!

This will be the first step in enabling the district to convert an underutilized asset into a revenue stream that will benefit our district's students.

The proposed development for this parcel of land is compatible with the surrounding neighborhood, and the proposed improvements will therefore benefit both the immediate community, as well as the broader (district-wide) community.

Lastly, in addition to the financial benefits that our schools will enjoy, your support of this proposal will demonstrate to the community at large that you are fully committed to improving our schools and neighborhoods.

Sincerely,

Crystal Gomez

Dear Mayor Liccardo:

As a member of the Campbell Union High School District community, I am urging you to support the District's efforts to rezone the land the district office/maintenance yard currently occupy. This will be the first step in enabling the district to convert an underutilized asset into a revenue stream that will benefit our district's students.

The proposed development for this parcel of land is compatible with the surrounding neighborhood, and the proposed improvements will therefore benefit both the immediate community, as well as the broader (district-wide) community.

Dear Mayor Liccardo:

As a member of the Campbell Union High School District community, I am urging you to support the District's efforts to rezone the land the district office/maintenance yard currently occupy. This will be the first step in enabling the district to convert an underutilized asset into a revenue stream that will benefit our district's students.

The proposed development for this parcel of land is compatible with the surrounding neighborhood, and the proposed improvements will therefore benefit both the immediate community, as well as the broader (district-wide) community.

Lastly, in addition to the financial benefits that our schools will enjoy, your support of this proposal will demonstrate to the community at large that you are fully committed to improving our schools and neighborhoods.

The Honorable Sam Liccardo
Mayor of the City of San Jose
200 East Santa Clara Street, 18th Floor
San Jose, CA 95113

Dear Mayor Liccardo:

As a member of the Campbell Union High School District community, I am urging you to support the District's efforts to rezone the land the district office/maintenance yard currently occupy. This will be the first step in enabling the district to convert an underutilized asset into a revenue stream that will benefit our district's students.

The proposed development for this parcel of land is compatible with the surrounding neighborhood, and the proposed improvements will therefore benefit both the immediate community, as well as the broader (district-wide) community.

Lastly, in addition to the financial benefits that our schools will enjoy, your support of this proposal will demonstrate to the community at large that you are fully committed to improving our schools and neighborhoods.

Additional Message to Mayor Liccardo:

Sincerely,
