Item 10.1(d)

GPT18-003: General Plan Text Amendment: Minor Revisions

General Plan Text Amendments

- **Industrial Park Land Use Designation**: Clarify that flexibility for service commercial uses, including hotels, is also extended to the Edenvale Development Policy area.
- **Interim Uses on Employment Lands**: Update Policy IE-1.11 to clarify that interim development includes the reuse of existing buildings.
- **Urban Villages Design Policies**: Update Policy CD-7.3 to clarify that projects proposed ahead of an approved Urban Village Plan should be consistent with both General Plan design policies and any other applicable design policies.
- **Parameters for Affordable Housing Projects (Policy IP-5.12)**: Revise Policy IP-5.12 to update the parameters for qualifying affordable housing projects in line with current State tax credit law.

General Plan Text Amendments

- **Properties with Multiple Land Use Designations**: Add new policy in the “Implementation” to clarify that some flexibility is allowed for development of a site when one property or multiple contiguous properties under single ownership have more than one land use designation.
- **Residential Entitlements in Urban Villages**: Update Appendix 5 (Planned Job Capacity and Housing Growth Areas by Horizon table) to reflect residential entitlements approved in Fiscal Year 2017-18.
- **Minor Errors and Clarifications**: Minor grammatical updates.

Item 10.1(e)

GPT18-004: General Plan Text Amendment: Housing Preservation and Rehabilitation

General Plan Text Amendments

Proposed text amendments related to housing preservation and rehabilitation:

- **Housing – Social Equity and Diversity Policy H-1.3** Create, preserve, and rehabilitate housing opportunities and accessible living environments that allow seniors to age in place, either in the same home, assisted living facilities, continuing care facilities, or other housing types within the same community.
- **Housing – Social Equity and Diversity Policy H-1.9** Facilitate the development, preservation, and rehabilitation of housing to meet San José's fair share of the County's and region's housing needs.

General Plan Text Amendments

- **Urban Village Planning Policy IP-5.2** Develop and use an Urban Village Planning process so that each Urban Village Plan can be successfully completed within approximately one year, with the possibility of a longer process in order to conduct sufficient community engagement. The completion of an Urban Village Plan will be followed by completion of environmental review as required for adoption of the Plan. Engage Urban Village area property owners and residents to the fullest extent possible, along with representatives of adjacent neighborhood areas, potential developers and other stakeholders in the Urban Village Planning process.

URBAN VILLAGE PLAN**

Approved by the City Council on November 19, 2013

**Five Wounds
Urban Village Plan**

Approved by the City Council on November 19, 2013

24th and William Urban Village Plan

Approved by the City Council on November 19, 2013

Text Clean-up and Clarifications

- **Changes affecting the four Urban Village Plans:**

- Added Land Use Policy related to affordable housing consistent with Council direction during 2016 Four-Year Review
- Added language referencing Implementation Framework throughout documents

- **Roosevelt Park**

- Clarified FAR requirements for commercial component of mixed-use development
- Clarified land use and height diagrams
- Aligned policies with chapter text
- Clarified various policies providing more specifics on policy compliance
- Removed Public Art Policy 2 as work already completed

Text Clean-up and Clarifications

- **Little Portugal**

- Revised planned commercial sq. ft. to accurately reflect General Plan planned jobs capacity
- Clarified land use and height diagrams
- Clarified FAR requirements for commercial component of mixed-use development
- Removed Streetscape Policy 2 as funding mechanism already identified
- Added Land Use Policy 10 and Pedestrian Connections Action 1 to support development of pedestrian paseos and identified pedestrian paseo funding mechanism

Text Clean-up and Clarifications

- **Five Wounds**

- Clarified the existing/interim and future land use diagram. Added hatch patterns to better distinguish different designations
- Modified Architecture Policy 4, providing additional direction for policy compliance
- Relocated Trail Policies 1-3 to Trail Actions section

Text Clean-up and Clarifications

- **24th & William**

- Modified employment number and commercial sq. ft. from 124,500 sq. ft. to 30,000 sq. ft. to align with previously approved General Plan Text Amendment (GPT16-009). These jobs numbers were shifted and distributed into other growth areas

- Added Land Use Policy 4 requiring minimum 0.5 FAR for commercial component of mixed-use project
- Clarified pre-BART and post-BART height diagrams to include maximum heights for all properties

Implementation Chapter and Framework

- Community-identified amenity priorities for all four Urban Village Plans:
 - Five Wounds Trail Improvements
 - Affordable Housing
 - Urban Plazas
 - Streetscape Amenities
 - Circulation Improvements
 - Public Art
 - Commercial Development
 - Special Financing District

Recommendation

- Consider the Determination of Consistency to the Final Program Environmental Impact Report (EIR) for the Envision San José 2040 General Plan (Resolution No. 76041) and the Supplemental EIR to Envision San José General Plan EIR, Resolution No. 77617, and Addendum thereto, in accordance with CEQA.
- Adopt four resolutions each amending the Roosevelt Park, Little Portugal, Five Wounds, and 24th & William Urban Village Plans, respectively, and to include the modifications to the Five Wounds Urban Village Plan as follows, as recommended by the Planning Commission:
 - Revision of Land Use Policy 5 in the Five Wounds Urban Village Plan. The revised Land Use Policy reads as follows: Land Use Policy 5: New fully commercial development should be built at Floor Area Ratios of 0.75 or greater.
 - Addition of Land Use Policy 7 in the Five Wounds Urban Village Plan. The new policy supports the land use discussion and provides an avenue to implement the intent of this Urban Village Plan. The new Land Use Policy reads as follows: Land Use Policy 7: The required FAR for the commercial component of a mixed-use project shall be 0.75 FAR.
