Subject: Seriously, Oliverio on the Planning Commission?

Re: Seriously, Oliverio on the Planning Commission?

Dear Sam Liccardo,

San Jose can do better than an accused sexual harasser and verbal abuser on its Planning Commission. Women who are brutalized must be believed, the city paid to settle her lawsuit against Oliverio while he was an elected official and Oliverio kept it secret for years. Don't put him in a position of power over other women.

Sincerely,

Re: Say No to PLO on Planning Commission

Dear Sam Liccardo,

Accused sexual harasser Pierluigi Oliverio must not be appointed to San Jose's Planning Commission. He is unfit to serve. His secret settlement, using taxpayer dollars to pay his accuser is disgusting. The behavior he was accused of was abhorrent. San Jose can do better. Say no to PLO, believe his accuser and reject his attempt to be on the Planning Commission.

Sincerely,

Re: No accused sexual harassers on the Planning Commission

Dear Sam Liccardo,

You have got to be kidding me! Pierluigi Oliverio has not taken responsibility for his actions while he was a city council member. He hid the secret settlement that was paid by taxpayer dollars to cover up his alleged sexual and verbal abuse of his female staff member. It is unbelievable that anyone would seriously consider appointing this person to a position of power over women. You can do better Mayor and Council.

Sincerely,
