## RECOMMENDATION

Set the first General Plan City Council hearing for calendar year 2019 beginning April 23, 2019, and continued to May 14, 2019, to consider City-initiated General Plan amendments.

## OUTCOME

The proposed General Plan hearing will allow Council to consider City-initiated General Plan amendments that have completed environmental clearance and are ready for public hearing by the Council on April 23 and May 14, 2019.

## BACKGROUND

Consistent with State law, the City Council may consider General Plan land use and/or text amendments up to four times per year. Policy IP-3.1 of the Envision San José 2040 General Plan directs staff to hold one Annual Review hearing for the City Council to review and consider privately proposed amendments; however, the General Plan allows the Council to consider City-initiated General Plan amendments up to four times per year. The proposed April 23, 2019 and continued May 14, 2019, General Plan hearing is to allow consideration of City-initiated General Plan amendments that will be ready for Council consideration at that time and will commence the first General Plan hearing of the 2019 calendar year.
