Analysis

- SJCE Department Growth
 - Currently 21 staff on 14th floor of City Hall
 - In FY2019-20, 28 staff is projected
 - In FY2024-25, 50 staff is projected, cannot accommodate future growth on 14th floor due to space constraints
- Renovated Space
 - 4th and San Fernando Garage (6,075 sq. ft.)
 - Kaleid Gallery current sub-tenant of Downtown Association
 - City will provide 6 month notice of termination on May 1
- Construction Costs
 - \$3.8 million for renovation and tenant improvements
 - \$1.0 million project delivery costs
 - To be completed in August 2020

Analysis (cont.)

- Funding Mechanism
 - Issue taxable commercial paper notes not to exceed \$6.5 million.
 - CP notes will be repaid with refunding of CSJFA 2006A Lease Revenue Bonds (City Hall) in 2019-20.
 - Debt service will be allocated to General Fund with current lease allocation methodology adding 6,075 sq. ft. of space.
 - The yearly lease cost for SJCE Department is estimated at \$304,000 at \$50 per sq. ft., consistent with lease cost for City departments and SJCE's share of the lease allocation.
 - Compared to downtown lease space, due to the instability of leasing space and the continued support from other City departments, the interaction needed with various City departments in City Hall, and the potential for rising lease costs staff doesn't recommend this option.
- Source of Repayment
 - All fees and interest in 2019-20 will be paid by General Fund.
