

Actions Related to San Jose Water Company

May, 06 2019

Item # d.2

Advice Letters and Applications

- Staff tracking SJWC Advice Letters submitted to the CPUC that result in an increase cost of water service.
- The most recent Advice Letter (#532) requested authorization from the CPUC to collect revenue for unrecovered fixed costs in 2018.

Recent Actions

- On April 16, 2019, Council directed staff to:
 1. Request that the CPUC resume investigation into the proposed merger or change of control between San Jose Group, SJWC's parent company, and Connecticut Water.
 2. Protest Advice Letter 532
- CPUC Public Advocates Office also filed protest of AL 532
- On April 26, 2019, CPUC suspended AL 532 until 8/26/19 to allow additional time for review of SJWC's request.
