Item 10.1 (f)

PP18-092: Safe Parking

Presenter: Rosalynn Hughey, Director, PBCE

Background

- Extend operation hours until 10:00 a.m.
- Allow supervised outdoor food preparation and eating outside of vehicles and in temporary structures.
- Allow operators the discretion to permit sleeping outside of vehicles, if necessary.

Recommendation

- Amend minimum Safe Parking Area setback from property line to 30 feet or lower.
- Require operators to maintain and publish contact number.

Amendments

Sections 20.80.1680 and 20.80.1690, **Part 17.5**, Chapter 20.80

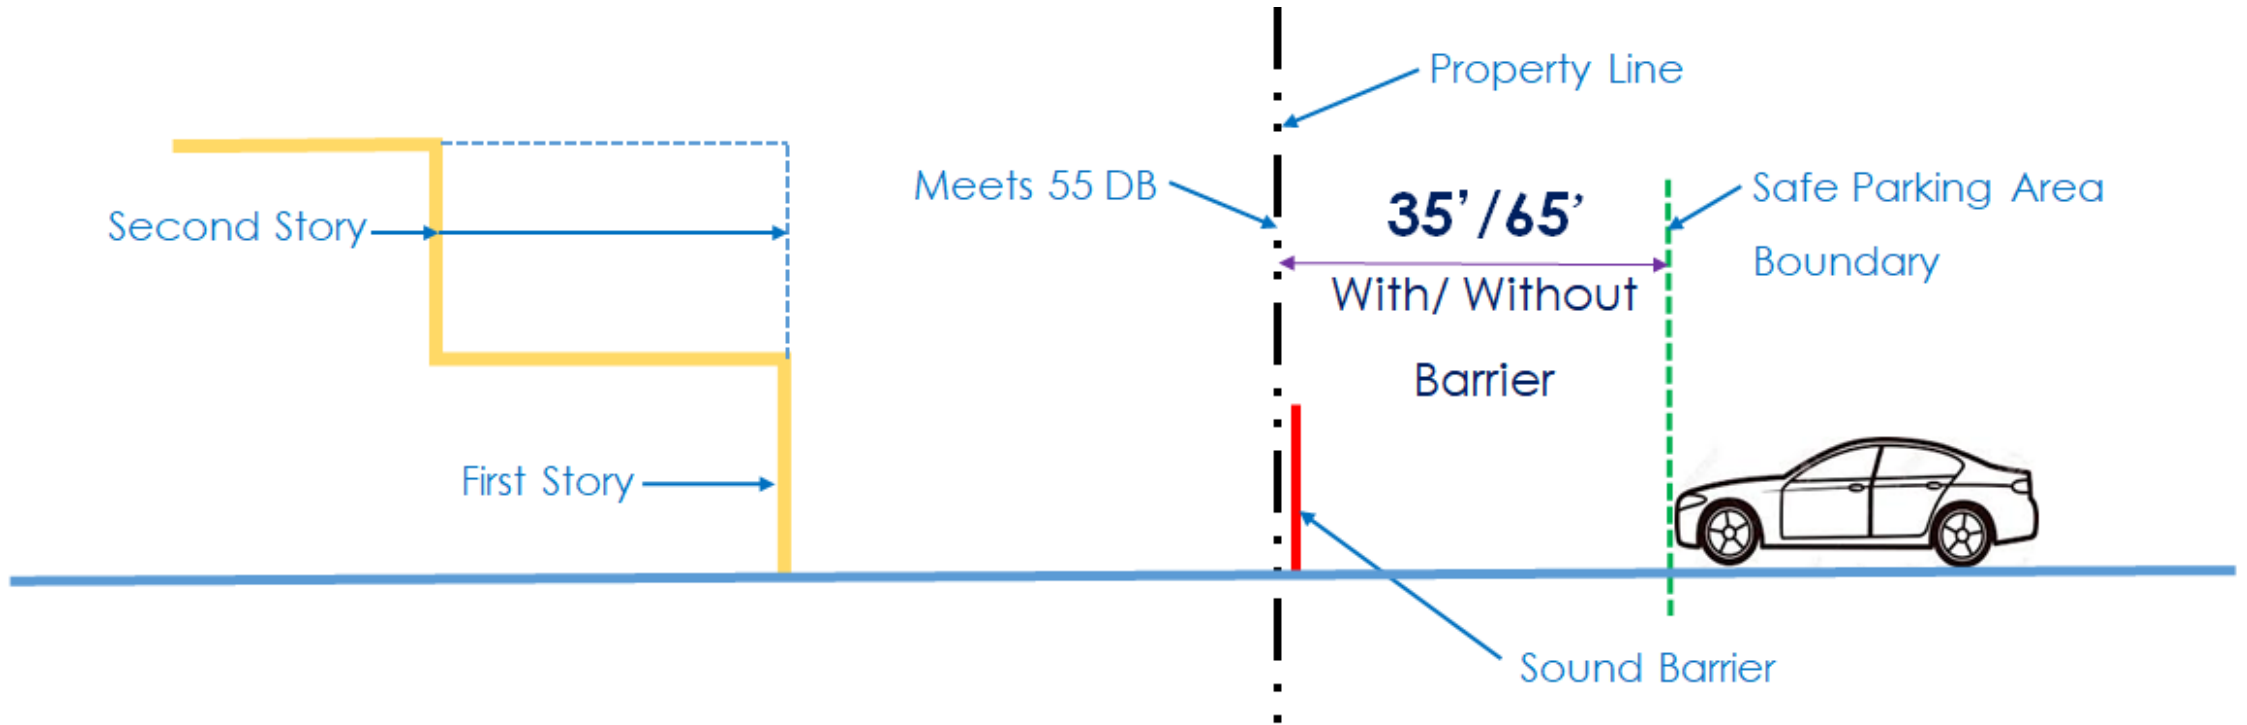

- Revise the required setback for Safe Parking provisions
- Exempt Safe Parking uses from 55 DB noise performance standards

Current Regulations

Minimum distance from the Safe Parking Area boundary

a	No adjacent residential use	35 feet to property line
b	Adjacent to one-story residential structure with a sound barrier consistent with the noise analysis	35 feet to property line
c	Adjacent to one-story residential structure without a sound barrier	65 feet to property line
d	Adjacent to two-story residential structure	65 feet to property line

Current Regulations

Proposed Regulations

Minimum distance from the Safe Parking Area boundary

a	Minimum setback in all cases	5 feet to property line
b	Adjacent to one story residential structure with a sound barrier consistent with the noise analysis	35 feet to closest wall of occupied dwelling
c	Adjacent to one story residential structure without a sound barrier	65 feet to closest wall of occupied dwelling
d	Adjacent two story residential structure	65 feet to second story wall of occupied dwelling
e	Adjacent to a Secondary Dwelling Unit (ADU)	5 feet to closest wall of an ADU

Proposed Regulations
