5.1 (Cont'd.)

Documents Filed: (1) Memorandum from Mayor Sam Liccardo, dated October 23, 2018, recommending acceptance of the report with additional direction. (2) Joint memorandum from Councilmember Sergio Jimenez and Councilmember Raul Perez, dated October 19, 2018. (3) Memorandum from Councilmember Sylvia Arenas, dated October 22, 2018 recommending acceptance of the report with additional direction. (4) Memorandum from City Auditor Sharon Erickson, dated September 6, 2018, providing the Audit of Community Center Reuse.

City Auditor Sharon Erickson provided a presentation, and Director of Public Works Jon Cicirelli and staff continued with a PRNS reuse administration discussion.

Motion: Councilmember Sergio Jimenez moved the memorandum he cosigned with Councilmember Raul Perez, dated October 19, 2018 with changes as indicated below in "Action" and including Mayor Sam Liccardo's memorandum dated October 23, 2018 and Councilmember Sylvia Arenas' memorandum dated October 22, 2018. Councilmember Sylvia Arenas seconded the motion.

Extensive discussion followed. Councilmember Donald Rocha noted that he could not accept the motion on the floor citing concerns regarding use of the public's community centers.

Action: On a call for the question, the motion carried, including the memorandum from Mayor Sam Liccardo, dated October 23, 2018, with changes as indicated:

1. Accept the Community Center Reuse audit and Staff's Response;
2. Direct PRNS staff to update the Neighborhood Services and Education Committee by December 2018 as to ~~(a) the status of PRNS's Greenprint, and its target date for completion; and (b)~~ a full, written disclosure of the process and rationale for the selection of community center providers that failed to timely respond to the 2015 and 2017 RFQ's, or that failed to perform as well as competing providers who were not selected;
3. As to those community center facilities requiring substantial ongoing maintenance and repair, accelerate the Housing Department's current work analyzing sites that could be rehabilitated in financial partnership with a developer executing a plan to construct mixed-use housing development above or adjacent to the rebuilt/rehabilitated community center space, with minimal City funding. Direct City Manager to issue an Information Memorandum by January 2019 describing the next steps in this process, evaluating options for an RFQ, RFP, or engagement with a land use consultant, as appropriate; ~~(4) Return to Council by January 2019~~ *Discuss provision in April 2019, returning to the Neighborhood Services and Education Committee regarding whether to* (a) terminate the suspension of competitive processes for re-use of facilities; and (b) discuss whether the City should hire a consultant to make data-based, strategic recommendations for overhauling the re-use facility program, with a work plan that might include:
 - a. Resetting current re-use center rents, cost-sharing of utilities and maintenance, and revenue-generation practices aligned with a coherent grant-making strategy;
 - b. Adoption of software to facilitate on-line reservations and facility management;
 - c. Assessment of the cost of appropriate staffing of facility management, comparing both in-house and contracted options;
 - d. Better alignment of service provision in community centers with (a) geographically-relevant and neighborhood-specific community needs for services, and (b) citywide strategies and policies, including those relating to serving seniors, youth, residents with disabilities, gang prevention, and digital literacy.

5.1 (Cont'd.)

Also including the memorandum from Councilmembers Sergio Jimenez and Raul Peralez, dated October 19, 2018, with changes as indicated:

1. Accept the Audit of Community Center Reuse
2. Direct PRNS staff to bring a report back to the Neighborhood Services and Education Committee by ~~February~~ April of 2019 on the following:
 - a. The status of near-term recommendations as agreed upon by PRNS;
 - b. A list of centers that could potentially move from Reuse to Hybrid using PRNS determined criteria;
 - c. Cost estimates for converting said centers from Reuse to Hybrid centers
3. Direct PRNS to begin discussions with school district partners to evaluate whether current agreements meet student and community needs.

And include the memorandum from Councilmember Sylvia Arenas, dated October 22, 2018, to: Accept audit and administration response and:

1. Incorporate the Recreation and Community Services Division to the process of implementing changes that result from this audit and overseeing the City's Community Center Reuse program.
2. Add to next steps a review of whether reuse providers are offering programming that is responsive to community needs and culturally appropriate and report back steps to ensure cultural responsiveness.
3. Incorporate requirements into future plans and contracts that set clear goals and rules for facilities to be fully operational throughout the day.
4. Fully and quickly implement a comprehensive tracking of background checks for all program staff and volunteers.
5. Consider a strategy for requiring reuse providers to make appropriate contributions towards basic wear and tear and maintenance costs - utilizing a sliding scale model and consider allowing either in-kind or dollar contributions.
6. Produce an easy-to-use scheduling platform for the community to utilize open facility space to its maximum capacity and confirm that lead service providers are following city rules in regards to partnering with additional service providers.
7. Present an update on all audit recommendations to the Neighborhood Services and Education Committee during the spring budgeting process. In this report to NSE please identify and present any additional resources necessary in order to meet the recommendations of this memo and the findings of the reuse audit.

(10-1. Noes: Rocha.)

10.2 (Cont'd.)

Councilmembers asked additional questions of Sal Caruso and Fire Chief Curtis Jacobson.

Action: Upon motion by Councilmember Sylvia Arenas, seconded by Councilmember Donald Rocha and carried unanimously, Resolution No. 78838, entitled: “A Resolution of the Council of the City of San José Adopting the Dove Hill Medical Care Facility Project Mitigated Negative Declaration for which an Initial Study was Prepared, all in Accordance with the California Environmental Quality Act, as Amended, and Adopting a Related Mitigation Monitoring and Reporting Program”; and Resolution No. 78839, entitled: “A Resolution of the Council of the City of San José Approving, Subject to Conditions, a Planned Development Permit to Allow the Demolition of Approximately 25 Buildings and Structures, the Construction of a Medical Care Facility with up to 248 Beds, and the Removal of Seven Ordinance-Size Trees on an Approximately 3.0-Acre Portion of a 21.0-Gross Acres Site, Located at the East Side of Dove Hill Road, Approximately 500 Feet North of Hassler Parkway (4200 Dove Hill Road)”, were adopted; and Ordinance No. 30176, entitled “An Ordinance of the City of San José Rezoning Certain Real Property of Approximately 21-Gross Acres Situated on the East Side of Dove Hill Road Approximately 500 Feet North of Hassler Parkway (4200 Dove Hill Road) from the A Agricultural Zoning District to the PQP(PD) Planned Development Zoning District”, was passed for publication, including Councilmember Sylvia Arenas memorandum dated October 23, 2018, adding the following conditions to the resolution approving the permit:

- 1) The Permittee shall submit its construction management plan to the City which shall include the following limitations during construction of the project in addition to any other requirements of the City:
 - (a) limit parking on Hassler Parkway;
 - (b) consistently maintain two lanes of traffic flow on existing roads during the duration of construction, excepting improvement work in the public right of way; and
 - (c) limit construction trips during AM and PM peak hour travel times.
- 2) Prior to and during construction on the project site and public right of way, the Permittee shall erect signs upon its site facing Hassler Parkway that are readily visible and readable from Hassler Parkway and which specify the contact information and contact hours for its construction manager to receive any complaints from the public.
- 3) Any application to extend the permit shall require public notice, in addition to that otherwise required by City policy, to properties within 2,000 feet of the boundaries of the project site, including properties on both sides of any cul-de-sac that is within 2,000 feet of the boundaries of the project site, excepting the project boundary on Dove Road.
- 4) Permittee has voluntarily agreed to the following conditions of approval to construct and install at its own cost the following improvements:
 - a. Construction of a sidewalk to City standards on Dove Road, north of Hassler Parkway, as required by staff in its memorandum;
 - b. Installation of edge lines on Dove Road between Hassler Parkway and Hellyer Ave, as recommended in staffs first supplemental memo
 - c. Installation of an electronic speed sign on Hassler Parkway for westbound/downhill traffic, as suggested in staffs first supplemental memo.
- 5) Permittee has voluntarily agreed to permit public access to the outdoor space nearest to the Dove Road entrance, as depicted by the red boundary on the attached rendering of the site,

on the condition that members of the public check in at the front desk and meet clearance requirements for the facility. The Permittee may revoke and suspend its consent to permit entry to the outdoor accessible private space at any time in the event that conflicts arise or if public access becomes notably disruptive to the seniors in the facility's care.

6) Permittee voluntarily agrees and shall establish the shift time for the night shift so that the night shift ends and the following shift begins no later than 6:00 am in order to remove employee trips from the trips from the AM peak travel time.

Provide the following direction to staff:

1) One year after the completion of construction, upon request from D8 office or community members, the Department of Transportation's Traffic Safety team will consider conducting an updated traffic safety study of Hassler Parkway and may suggest changes and improvements to be performed by the City subject to availability of funding.

2) Upon approval of the Improvement Plan for the project, including the plans for the sewage system improvements, the Department of Public Works shall make the improvement plan available online for public information.

GP18-009 - Council District 3

Documents Filed: (1) Joint memorandum from Mayor Sam Liccardo, Vice Mayor Magdalena Carrasco and Councilmembers Raul Peralez, Dev Davis and Chappie Jones, dated October 19, 2018, recommending approval of staff recommendations with additions and modifications. (2) Memorandum from Planning Commission Secretary, Rosalynn Hughey, dated October 12, 2018 transmitting the Planning Commission recommendations, including the Planning Commission Staff Report, dated September 4, 2018. (2) Supplemental memorandum from Rosalynn Hughey, Director, Planning, Building and Code Enforcement, dated October 16, 2018, summarizing changes to the Village Plan document made after the September 12, 2018 Planning Commission meeting.

Public Comments: Seventeen members of the public presented concerns and opinions regarding the Urban Village Plan. Glen Williams provided historical information on this project.

Rosalynn Hughey, Director, Planning, Building and Code Enforcement offered an introduction, and Division Manager, Michael Brilliot provided a presentation.

Extensive Council discussion ensued.

Action: Upon motion by Councilmember Raul Peralez, seconded by Councilmember Dev Davis and carried unanimously, the staff recommendations were approved including the memorandum cosigned by Mayor Sam Liccardo, Vice Mayor Magdalena Carrasco, and Councilmembers Peralez, Davis and Jones, dated October 19, 2018, providing additions and modifications as follows:

1. To enhance Building Form and Architecture Standards 3.1-3.3, require that future developers consult with surrounding neighborhoods to gather knowledge and history of the community for design purposes.
2. Modify Urban Design Policies UD 2-9 and UD 2-10 to be a guideline rather than a Policy. (*Continued*)

10.4 (Cont'd.)

3. Change the land use designation on the south side of East Santa Clara Street between 9th and 10th Streets to Neighborhood/Community Commercial (NCC) and the adjacent southern parcels to Urban Residential (UR)

4. For any future project at the site bounded by East Santa Clara St. on the North, 14th Street on the West, 17th Street on the East and East St. John Street to the South:

a. Transform the previously abandoned 15th and 16th Streets within the former San Jose Medical Center site into new pedestrian, bicycle, and emergency vehicle through-ways. Motor vehicle access is limited to vehicles for maintaining the property, making deliveries, or accessing parking garages on-site, and these streets shall not be used as cut through streets.

b. Continue to conduct a robust community engagement process and explore for post-development purposes the use of a good neighbor plan to address communication and operational matters.

c. Consider the final recommendations of the *Former San Jose Medical Center Site Stakeholder Advisory Committee* (SAC), where applicable.

5. All projects should conform with the City's construction rules and regulations and must designate a liaison within the development team which includes a name, phone number and email address listed publicly at the project site during the duration of construction to serve as primary contact for inquiries.

And adopting Resolution No. 78843, entitled: “A Resolution of the Council of the City of San José Amending the Envision San Jose 2040 General Plan Pursuant to Title 18 of the San José Municipal Code to Modify the Boundary of the East Santa Clara Street (West of 17th Street) Urban Village and Land Use Designations on Properties within the Urban Village, and Adopt the East Santa Clara Street Urban Village Plan”.
