**SUBJECT: ACTIONS RELATED TO THE 2019-2020 AGREEMENTS FOR PARKS,
RECREATION AND NEIGHBORHOOD SERVICES**

RECOMMENDATION

Adopt a resolution authorizing the following, subject to the appropriation of funds by the City Council, and on such terms and conditions as deemed appropriate by the City Manager:

- a) Authorize the City Manager to negotiate and execute all agreements, amendments, and extensions to accept funds for the Department of Parks, Recreation and Neighborhood Services identified in the "Compensation Paid to the City of San José" (Attachment A);
- b) Authorize the City Manager to accept any funds exceeding the figures identified in Attachment A for the specified programs and purposes identified as "Compensation Paid to the City of San José," provided that the City Manager determines that the City is able to provide the services and comply with any additional requirements associated with the increased grant funds. The City Manager shall also bring forward to City Council any items that require approval for budgetary adjustments and appropriation actions necessary for such programs; and
- c) Authorize the Director of Parks, Recreation and Neighborhood Services to apply for, accept, negotiate and execute 2019-2020 agreements and amendments as identified in "Delegation of Contract Authority to Department of Parks, Recreation and Neighborhood Services Director" (Attachment B) consistent with Adopted Budget amounts for the following City programs or services:
 - 1) After School Education and Safety;
 - 2) BeautifySJ Grant Program;
 - 3) Bringing Everyone's Strengths Together Grants;
 - 4) Citywide Aquatics Program;
 - 5) Community Center Reuse Program;

- 6) County of Santa Clara Therapeutics Program;
- 7) Family Camp Facility Use Agreements;
- 8) Friends of PRNS Non-Profit Organizations;
- 9) Grant Revenue Agreements;
- 10) Happy Hollow Park & Zoo:
 - a) Education Programs;
 - b) Private Events;
- 11) Leisure and Recreation Fee Class Vendor Agreements;
- 12) Leisure and Recreation Program Facility Use Agreements;
- 13) Little League Agreement(s);
- 14) Mayor's Gang Prevention Task Force:
 - a) Grant Revenue;
 - b) Related Sub-Contractor Agreements, where applicable;
 - c) Facility Use;
 - d) Memoranda of Understanding;
 - e) Evaluation Consultant Agreements;
- 15) Mitigation Monitoring and Park Maintenance Support Services;
- 16) Park Concessionaires Agreements;
- 17) Recreation of City Kids Program;
- 18) Safe Summer Initiative Grants;
- 19) Senior Health and Wellness Grants;
- 20) Spartan Keyes Neighborhood Action Center Grants;
- 21) St. James / Urban Park Activation Grants; and
- 22) Summer Food Service Program.

OUTCOME

Delegating to the City Manager and the Department of Parks, Recreation and Neighborhood Services Director the authority to apply for, negotiate and execute these agreements will reduce the transactional time needed to make funding available to recipients and for the City to receive grant funds or other created revenue.

BACKGROUND

The City contracts with community-based organizations, school districts, and other agencies to assist with various programs that support the livability of neighborhoods, offer opportunities for individuals to enjoy life, and strengthen communities of people within San José.

In response to the City Council's request to streamline the City's administrative process of doing business, including contract development, the Department of Parks, Recreation and Neighborhood Services (Department) prepares this Council memorandum annually to seek authorization to apply for, accept, negotiate and execute agreements.

ANALYSIS

Delegation of Contract Authority to the City Manager (Attachment A)

In some cases, the contract amount to be paid or received by the City exceeds the City Manager's contract authority (currently \$290,000). By delegating this authority to the City Manager, the administrative process of making funding available to recipients will be shortended. Additionally, efficiency gains for the entire organization will be achieved by significantly reducing City Council and administrative staff time dedicated to preparing and reviewing memoranda for these agreements. The City Manager or designee may only exercise amendment or extension authority if the contract, as amended, is consistent with the 2019-2020 Adopted Budget, and provided that City Council has taken all appropriation actions necessary to fulfill the terms of the amendment or extension.

The proposed agreements for which compensation is paid to the City (Attachment A) for 2019-2020 are contingent on the adoption of the 2019-2020 Operating and Capital Budgets. In the event the amounts approved for these contracts are different than the amounts listed, the contracts will reflect the amounts approved.

In addition, the City Manager will have the authority to accept any funds exceeding the figures identified in Attachment A for the specified programs and purposes identified as "Compensation Paid to the City of San José" provided that the City Manager determines that the City is able to provide the services and comply with any additional requirements associated with the increased funds. The City Manager shall also bring forward to City Council any items that require approval for budgetary adjustments and appropriation actions necessary for such programs.

Delegation of Contract Authority to the PRNS Director (Attachment B)

The Department will coordinate with the City Attorney's Office and the City Manager's Office in developing and approving all agreements, and requests contract authority for the Director of Parks, Recreation and Neighborhood Services (Director) to negotiate and execute the agreements described below.

Subject: Actions Related to the 2019-2020 Agreements for Parks, Recreation and Neighborhood Services

Page 4

Facility Use:

The Department requests contract authority for the Director to negotiate and execute Facility Use contracts and amendments to offer City Leisure and Recreation Programs at City and non-City sites, for the following programs: Community Center Reuse, Family Camp, After School Education and Safety, Recreation of City Kids, Santa Clara County Adult Probation Department's therapeutic services, and general Facility Use agreements with school districts and other entities.

Friends of PRNS Non-Profit Organizations:

A number of non-profit organizations have been created with the mission of sponsoring, enhancing, and financially supporting the Department and its programs. The Department requests authority for the Director to negotiate and execute agreements and amendments with the supportive non-profit organizations such as the Emma Prusch Farm Park Foundation, Friends of Family Camp, Guadalupe River Park Conservancy, Happy Hollow Foundation, San Jose Parks Foundation, and Youth Connections Foundation.

Grant Programs:

The Department requests contract authority for the Director to negotiate and execute contracts and amendments, consistent with the 2019-2020 Adopted Budget, for the following grant programs: BeautifySJ, Bringing Everyone's Strengths Together (BEST), Safe Summer Initiative, Saint James/Urban Park Activation, Senior Health and Wellness, and Spartan Keyes Neighborhood Action Center. This authority will also apply to any grant amendments related to these programs subject to the 2019-2020 Adopted Budget and with the stipulation that the City Council has taken all appropriation actions necessary to execute the terms of the agreements.

Due to the nature of the BeautifySJ Grant Program, the City will enter into a Fiscal Agent Agreement with United Neighborhoods of Santa Clara County for the amount of grant funds appropriated by City Council. Almost all BeautifySJ grantees are neighborhood associations, and not state-recognized entities, therefore the City contracts with United Neighborhoods of Santa Clara County to distribute grant funds to the associations and subsequently monitor grant funding during the grant cycle.

Grant Revenue:

The Department also requests contract authority for the Director to apply for, negotiate, and execute agreements for grants that staff identify throughout the year, which support the department's programs and objectives. These may include individual grant opportunities that are up to \$600,000. Such awards will only be received if the Director has determined the Department is able to provide the services and comply with any additional requirements associated with the grant funds. Examples of past grants that conform to these provisions include the U.S. Tennis Association NorCal Foundation H.I.T.S. (Honesty, Inspiration, Teamwork, Sportsmanship) Grant, the National Recreation and Parks Association (NRPA) Outdoor Recreation Legacy

Partnership Program, and grants from government entities such as the State of California, Santa Clara County, and the U.S. Department of Justice.

Happy Hollow Park & Zoo:

The Department requests contract authority for the Director to negotiate and execute the agreements necessary for the implementation and ongoing support of Happy Hollow Park & Zoo programs, including:

1. Happy Hollow Education Program: This is a revenue-generating program that contributes to Happy Hollow Park & Zoo's cost-recovery model. The Department contracts with school districts and other entities as a requirement for allowing the Happy Hollow Education Program to conduct fee-based programs at non-City sites.
2. Happy Hollow Events: As part of Happy Hollow Park & Zoo's overall revenue-generating strategy, this program couples park reservations with catering provided by Happy Hollow Park & Zoo's food service. Delegating authority to the Director will allow the Department to enter into event agreements that include catering or entertainment components in the agreements.

Mayor's Gang Prevention Task Force (Task Force):

The Department requests contract authority for the Director to negotiate and execute the agreements necessary for the implementation of the Task Force's Strategic Work Plan. This includes:

1. Memoranda of Understanding for partner agency participation in Task Force Technical Team meetings;
2. Facility Use agreements with school districts or other entities for providing Task Force services;
3. Agreements with subcontracted agencies to implement Task Force programs;
4. Agreements with consultants to evaluate Task Force and BEST programs and services; and
5. Grant revenue agreements with public and private entities.

Park Concessionaires:

The Department requests contract authority for the Director to negotiate and execute agreements for concessionaires in City parks and community centers. The Department will establish a pool of pre-qualified concessionaires to sell food products, merchandise, or other concession services. All concessionaires will be issued special permits, and are required to follow all environmental and public health requirements. Locations, hours, and types of concessions will be determined by mutual agreement between the Department and the concessionaire.

Services and Programs:

The Department requests contract authority for the Director to negotiate and execute agreements for the After School Education and Safety (ASES) Program; Citywide Aquatics Program; First 5 of Santa Clara County Consulting Services; Leisure and Recreation Fee Class Vendors; Little Leagues; Mitigation Monitoring and Park Maintenance Support Services; and the Summer Food Service Program. A description of each is provided below.

1. ASES Agreements: The ASES Program is funded by the State's ASES Grant, which is awarded to school districts to provide comprehensive after school programming. School districts may select the City of San José as the ASES service provider and an agreement is needed.
2. BeautifySJ Initiative: As part of the BeautifySJ Initiative's Transitional Jobs Program Grant, the Department will continue its agreements with Downtown Streets Team and Goodwill Industries. This program employs homeless individuals to support the City's blight reduction efforts related to litter and trash.
3. Citywide Aquatics Program: The Citywide Aquatics Program offers affordable aquatics services to our residents by providing programming, operations, and maintenance at six aquatics facilities, two of which are currently operated by a qualified provider. The Department has an established pool of qualified providers through 2024. The program plays a significant role in increasing the availability of services and programming at aquatics facilities.
4. First 5 of Santa Clara County Consulting Services: The City will collaborate with First 5 of Santa Clara County to evaluate the City's preschool program, curriculum, and classroom-based staffing.
5. Leisure and Recreation Fee Class Vendor Agreements: The City has an ongoing Request for Qualifications process to qualify and select vendors that will provide fee-based recreation leisure classes at City community centers. All vendor agreements are 100 percent supported by participant fees. Vendors that provide recreational and leisure programming play a significant role in Department revenue generation efforts.
6. Little League Agreements: The Department contracts with many local Little Leagues for their use of fields at City parks. As part of the agreements, the leagues compensate the City for their use of the space, support the maintenance of the fields, and contribute minor capital funds for improving the fields.
7. Mitigation Monitoring and Park Maintenance Support Services: The Department will contract with consulting services to monitor environmental mitigation areas in parks. Agreements will include support for maintenance and consulting services to evaluate environmental impacts of bioswales and mitigation areas in parks.
8. Summer Food Service Program: The Department will participate in the Summer Food Service Program to ensure that low-income children continue to receive

nutritious meals when school is not in session. Meals will be provided at Department programs, with services provided by the City or subcontracted meal providers. Costs for these services are reimbursed from the U.S. Department of Agriculture and/or the California Department of Education.

EVALUATION AND FOLLOW-UP

No additional follow-up actions with Council are expected at this time. Staff will monitor the impact of these actions and report any issues to the Council as needed.

PUBLIC OUTREACH

The only programs that require Council action due to the use of public funds equal to \$1 million or greater are the BEST grant program and the Mitigation Monitoring and Park Maintenance Support Services agreements. The BEST program is primarily managed through the City's web-based platform known as WebGrants. The Mitigation Monitoring and Park Maintenance Support Services Request for Proposal will be managed through the City's BidSync web-based platform. This memorandum will be posted to the City's website for public viewing for the June 25, 2019 City Council Meeting.

COORDINATION

This memorandum has been coordinated with the City Attorney's Office and the City Manager's Budget Office.

COMMISSION RECOMMENDATION/INPUT

No commission recommendation or input is associated with this action.
