Analysis

Explain the rationale for Staff recommendation, including any mitigating factors that need to be considered (recent legislative action, significant workplan changes, etc). Please address the following as well:

GREEN LIGHT: The Administration can implement this Nominated Idea under its current workplan. Item should be sent to Council to add to Department workplan. Explain how the Idea will be approached.

Intergovernmental Relations will seek opportunities to support funding requests to secure revenue to replace the loss of federal Title X funds for clinics in the City of San Jose. This would include working with the County of Santa Clara, Planned Parenthood, and other stakeholders to support grant and state budget funding opportunities.

In the City Manager's Transmittal Memo for the 2019-2020 Mid-year Review, the Administration will include a status report on activities to secure replacement Title X funding.

YELLOW LIGHT: The Administration recommends Council send this Nominated Idea to the Priority Setting Process due to [describe cost implications, workload impacts, or other factors].

RED LIGHT: The Administration recommends Council not adopt this Nominated Idea due to [describe reason implementation would be difficult if not impossible – conflict with other laws, etc].
