### REPRESENTATIONS AND WARRANTIES

**Section 2.1. Representations and Warranties of the City.** The City represents, warrants and covenants that:

(a) The City is a municipal corporation and chartered city, duly organized and validly existing under its charter and the constitution and laws of the State. Under the provisions of the Act, the City has the power to enter into the transactions on its part contemplated by this Loan Agreement, the Indenture and the Regulatory Agreement (collectively, the “City Documents”) and to carry out its obligations hereunder and thereunder. The financing of the Project constitutes and will constitute a permissible public purpose under the Act. By proper action, the City has authorized the execution, delivery and performance of its obligations under the City Documents.

(b) Neither the execution and delivery of the Bonds and the City Documents, nor the City’s compliance with the terms, conditions or provisions on the part of the City in the Bonds and the City Documents, to the knowledge of the City without investigation, conflicts

in any material respect with or results in a material breach of any of the terms, conditions or provisions of any constitution or statute of the State, or of any agreement, instrument, judgment, order or decree to which the City is now a party or by which it is bound or constitutes a material default by the City under any of the foregoing.

(c) The City has not created and will not create any debt, lien or charge upon the asset and monies explicitly pledged to the repayment of the Bonds under the Indenture, and has not made and will not make any pledge or assignment of or create any encumbrance thereon, other than the pledge and assignment thereof under the Indenture.

(d) The City has complied and will comply with all material provisions of the Act to be complied with by the City applicable to the Bonds and the transactions contemplated by this Loan Agreement and the other City Documents.

(e) The Bonds are being issued under the Indenture, and are secured by the Indenture pursuant to which the City's interest in this Loan Agreement (other than the Reserved Rights) is pledged and assigned to the Trustee. The City covenants that it has not pledged and will not pledge or assign its interest in this Loan Agreement other than to the Trustee under the Indenture.

(f) To the best knowledge of the City, no litigation or administrative action of any nature has been served on the City and is now pending (i) seeking to restrain or enjoin the execution and delivery of the Indenture, this Loan Agreement or the Regulatory Agreement, or in any manner questioning the proceedings or authority of the City relating thereto or otherwise affecting the validity of the Bonds, or (ii) challenging the existence or authority of the City or its officers or that of the members of the City Council or its officers and, to the knowledge of the City, none of the foregoing are threatened.

The City makes no representation or warranty that the Project will be adequate or sufficient for the purposes of the Borrower. Nothing in this Agreement shall be construed as requiring the Authority to provide any financing for the Project other than the proceeds of the Bonds.

**Section 2.2. Representations, Warranties and Covenants of the Borrower.** The Borrower represents, warrants and covenants to the City that:

(a) The Borrower is a California limited partnership, organized and existing under the laws of the State, is in good standing in the State, and has full legal right, power and authority under the laws of the United States of America and the State (i) to enter into this Loan Agreement and the other Loan Documents to which it is a party; (ii) to perform its obligations hereunder and thereunder; and (iii) to consummate the transactions on its part contemplated by the Loan Documents. All general partners, if any, of the Borrower are duly incorporated or organized and in good standing under the laws of the State.

(b) Upon the execution and delivery thereof by the other parties thereto, each of the Loan Documents to which Borrower is a party will constitute valid and binding obligations of the Borrower, enforceable upon the Borrower in accordance with its respective terms, except as limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws or judicial decisions affecting creditors' rights generally and by judicial discretion in the exercise of equitable remedies.

(c) The execution and delivery of the Loan Documents to which Borrower is a party, the performance by the Borrower of its obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby will not violate the Borrower's partnership agreement, or any law, regulation, rule or ordinance applicable to Borrower or any order, judgment or decree of any federal, state or local court applicable to Borrower and do not conflict with, or constitute a breach of, or a default under, any document, instrument or commitment to which the Borrower is a party or by which the Borrower or any of its property is bound.

(d) There is no action, suit, proceeding, inquiry or investigation by or before any court, governmental agency or public board or body pending or threatened against the Borrower which (i) affects or seeks to prohibit, restrain or enjoin the loaning of the amounts set forth herein to the Borrower or the execution and delivery of this Loan Agreement or the other Loan Documents by Borrower, (ii) affects or questions the validity or enforceability of this Loan Agreement or the other Loan Documents, (iii) questions the power or authority of the Borrower to carry out the transactions on its part contemplated by, or to perform its obligations under, this Loan Agreement and the other Loan Documents to which it is a party, or the powers of the Borrower to own, construct, equip or operate the Project.

(e) The Borrower is not in default under any document, instrument or commitment to which the Borrower is a party or to which it or any of its property is subject which default would or could affect the ability of the Borrower to carry out its obligations under this Loan Agreement and the other Loan Documents.

(f) Any certificate signed by an Authorized Borrower Representative and delivered pursuant to this Loan Agreement or the other Loan Documents shall be deemed a representation and warranty by the Borrower as to the statements made therein.

(g) The Project is located wholly within the City.

(h) The Borrower will obtain all necessary certificates, approvals, permits and authorizations with respect to the rehabilitation and operation of the Project from applicable local governmental agencies and agencies of the State and the federal government.

(i) The Borrower shall make no changes to the Project or to the operation thereof that would affect the qualification of the Project under the Act or impair the exclusion from gross income of the owners thereof for federal income tax purposes of the interest on the Bonds (other than a "substantial user" of the Project or a "related person," as such terms are used in Section 147(a) of the Code). The Borrower intends to utilize all of the residential units that comprise the Project as multifamily rental housing during the Qualified Project Period.

(j) Not in excess of two percent (2%) of the proceeds of the Bonds will be used to pay Issuance Costs.

(k) The rehabilitation and operation of the Project in the manner presently contemplated and as described herein, in the Construction Loan Agreement and in the Regulatory Agreement will not conflict with any zoning, water or air pollution or other ordinance, order, law or regulation applicable thereto. The Borrower will cause the Project

to be operated in all material respects in accordance with all applicable federal, state and local laws or ordinances (including rules and regulations) relating to zoning, building, safety and environmental quality.

(l) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the Project; that it is familiar with the provisions of all of the documents and instruments relating to the financing of the Project to which it is a party; that it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project; and that it has not relied on the City for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the City in any manner except to issue the Bonds in order to provide funds to make the Loan and the subordinate loan.

(m) The Borrower intends to hold the Project for its own account, has no current plans to sell and has not entered into any agreement to sell any of the units that comprise the Project. It is hereby acknowledged, however, that the Borrower's partnership agreement does refer to certain rights of one or more of its partners to acquire the Project, and for the possible acquisition of the Project following the applicable tax credit compliance period as referenced in the Borrower's partnership agreement, and those provisions shall not result in a breach of this Section 2.2(m).

(n) In the event the Loan proceeds are not sufficient to complete the rehabilitation and equipping of the Project and the payment of all Issuance Costs, the Borrower will furnish any additional moneys necessary to complete the acquisition, rehabilitation and equipping of the Project and pay all Issuance Costs.

(o) All of the proceeds from the Loan plus the income from the investment of the proceeds of the Loan will be used to pay or reimburse the Borrower for Project Costs, and at least ninety-seven percent (97%) of the proceeds of the Loan will be used to pay or reimburse the Borrower for Qualified Project Costs and less than twenty-five percent (25%) of such amount will be used to pay or reimburse the Borrower for the cost of land or any interest therein. The Borrower shall assure that the proceeds of the Loan are expended so as to cause the Bonds to constitute "qualified residential rental bonds" within the meaning of Section 142(d) of the Code.

(p) The estimated total cost of the financing of the rehabilitation of the Project is equal to or in excess of the principal amount of the Loan.

(q) The Borrower has not knowingly taken or permitted to be taken and will not knowingly take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Bonds to be included in the gross income of the owners thereof for purposes of federal income taxation (other than a "substantial user" of the Project or a "related person," as such terms are used in Section 147(a) of the Code).

(r) The Borrower covenants that it shall not take, or knowingly permit or suffer to be taken by the Trustee, any action with respect to the proceeds of the Bonds that if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code.

**Section 2.3. Hazardous Waste Covenant.** In addition to and without limitation of any other representations, warranties and covenants made by the Borrower under this Loan Agreement and under the other Loan Documents, the Borrower further represents, warrants and covenants that the Borrower will not use or permit Hazardous Materials (as defined hereinafter) on, from, or affecting the Project (a) in any manner which violates federal, state or local laws, ordinances, rules, or regulations governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, or (b) in a manner that would create a material adverse effect on the Project. Without limiting the foregoing, the Borrower shall not cause or permit the Project or any part thereof to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all applicable federal, state and local laws or regulations, nor shall the Borrower cause or knowingly permit, as a result of any intentional or unintentional act or omission on the part of the Borrower or any tenant or subtenant, a release of Hazardous Materials on to the Project or on to any other property in a manner which violates federal, state, or local laws, ordinances, rules or regulations or in a manner that would create a material adverse effect on the Project. The Borrower shall comply with and require compliance by all tenants and subtenants with all applicable federal, state and local laws, ordinances, rules and regulations, and shall obtain and comply with, and require that all tenants and subtenants obtain and comply with, any and all approvals, registrations or permits required thereunder. The Borrower shall conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other action required by a governmental authority under an applicable statute or regulation to clean up and remove all Hazardous Materials, on, from, or affecting the Project in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations.

The Borrower shall defend, indemnify, and hold harmless the City from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs, or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to, (a) the presence, disposal, release, or threatened release of any Hazardous Materials which are on or from the Project which affect, the soil, water, vegetation, buildings, personal property, persons, animals, or otherwise; (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials on or from the Project, and/or (c) any violation of laws, orders, regulations, requirements or demands of government authorities, or written requirements of the City, which are based upon or in any way related to such Hazardous Materials including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses. In the event the Project is foreclosed upon, or a deed in lieu of foreclosure is tendered, the Borrower shall deliver the Project in a manner and condition that shall conform with all applicable federal, state and local laws, ordinances, rules or regulations affecting the Project.

For the purposes of this Section 2.3 and Section 2.4, "Hazardous Materials" includes, without limit, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sections 9601, et seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C. Sections 1801 et seq.), the Resource Conservation and Recovery Act, as amended (42 U.S.C. Sections 9601 et seq.), and in the regulations promulgated pursuant thereto, or any other federal, state or local environmental laws, ordinances, rules, or regulations. The provisions of this Section 2.3: (a) shall not apply to substances routinely used in the ordinary course of business, (b) shall be in addition to any and all other obligations and liabilities the Borrower may have to the City at common law, and (c) with respect to any liability or cost arising as a result of acts or

omissions of the Borrower during the term of this Loan Agreement, shall survive the termination of this Loan Agreement. This Section 2.3 shall not obligate the Borrower in any way with respect to any acts or omissions of any entity that succeeds the Borrower as owner of the Project.

The indemnifications and protections set forth in this Section 2.3 (i) shall be extended, with respect to the City, to the members of its City Council, officers, employees, agents and servants and persons under the City's control or supervision, and (ii) shall be for the full and equal benefit of the Trustee, as assignee of the City under the Indenture.

Anything to the contrary in this Loan Agreement notwithstanding, the covenants of the Borrower contained in this Section 2.3 shall remain in full force and effect after the termination of this Loan Agreement until the later of (i) the expiration of the period stated in the applicable statute of limitations during which a claim or cause of action may be brought, and (ii) payment in full or the satisfaction of such claim or cause of action and of all expense and charges incurred by the City relating to the enforcement of the provisions herein specified.

For the purposes of this Section 2.3, the Borrower shall not be deemed an employee, agent or servant of the City or person under City's control or supervision.

#### **Section 2.4. Additional Environmental Matters.**

(a) The Borrower shall require in any management agreement for the Project that the management company shall operate and maintain the Project in material compliance with all applicable federal, state, regional, county or local laws, statutes, rules, regulations or ordinances, concerning the environment, including, but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986, 42 U.S.C. (b) The Borrower shall keep the Project free and clear of any liens or encumbrances securing payment of the costs of any response, removal or remedial action or cleanup of Hazardous Materials (as defined in Section 2.3).

(c) The Borrower covenants and agrees that it will not knowingly conduct or allow to be conducted any business, operations or activity on the Project, or employ or use the Project to manufacture, treat, store (except with respect to storage in the ordinary operation of the Project),

Section 9601 et seq., or any similar state, county, regional or local statute providing for financial responsibility for cleanup for the release or threatened release of substances provided for thereunder.

(d) The Borrower covenants and agrees that it shall take all appropriate response action, including any removal and remedial action, in the event of a release, emission, discharge or disposal of Hazardous Materials in, on, under or about the Project for which the Borrower is liable under state, federal or local environmental rules or regulations.

(e) The Borrower shall, as soon as practicable and in any event within fifteen (15) days of its receipt thereof, notify the City and the Bondowner of any notice, letter, citation, order, warning, complaint, claim or demand that (i) the Borrower or any tenant has violated, or is about to violate, any federal, state, regional, county or local environmental, health or safety statute, law, rule, regulation, ordinance, judgment or order; (ii) there has been a release, or there is a threat of release, of Hazardous Materials (including, without limitation, petroleum, its derivatives, crude oil or any fraction thereof) from the Project; (iii) the Borrower or any tenant may be or is liable, in whole or in part, for the costs of cleaning up, remediating, removing or responding to a release of Hazardous Materials (including, without limitation, petroleum, its derivatives, crude oil or any fraction thereof); or (iv) the Project is subject to a lien in favor of any governmental entity for any environmental law, rule or regulation arising from or costs incurred by such governmental entity in response to a release of a Hazardous Materials (including, without limitation, petroleum, its derivatives, crude oil or any fraction thereof).

The Borrower agrees to pay to the Trustee, as assignee of the City, the principal of, interest on and premium with respect to the Loan at the times, in the manner, in the amount and at the rate or rates of interest provided in the Note and in the other Loan Documents; provided that at all times the repayment of the Loan shall be in time and amount sufficient to make timely payments of amounts due on the Bonds.

(b) The Borrower further agrees to pay all taxes and assessments, general or special, including, without limitation, all ad valorem taxes, concerning or in any way related to the Project, or any part thereof, and any other governmental charges and impositions whatsoever, foreseen or unforeseen, and all utility and other charges and assessments with respect thereto; provided, however, that the Borrower reserves the right to contest in good faith the legality of any tax or governmental charge concerning or in any way related to the Project. In addition, the Borrower agrees to pay any loan fee, processing fee and all title, escrow, recording and closing costs and expenses, any appraisal costs and all other reasonable fees and costs associated with or required in connection with the Bonds, the Regulatory Agreement and Indenture; including but not limited to any such amounts described in Section 8.06 of the Indenture.

(c) The Borrower hereby acknowledges and consents to the assignment by the City to the Trustee of the City's rights under the Note, the Deed of Trust, this Loan Agreement and the other Loan Documents (excepting only the Reserved Rights), and the appointment of the Trustee as agent of the City to collect the payments on the Loan, all as set forth in the Indenture.

(d) The Borrower hereby agrees to pay the City fees described in Section 7(a) of the Regulatory Agreement and any expenses of the City required by the Regulatory Agreement.

(e) The Borrower agrees to pay to the City within fifteen (15) days after receipt of request for payment thereof, all expenses of the City (including salaries and wages of City employees) related to the Project and the financing thereof that are not otherwise required to be paid by the Borrower under the terms of this Loan Agreement and are not paid from disbursements of the Loan, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Bonds.

(f) The Borrower agrees to pay to the Trustee, immediately upon demand for payment thereof, its fees and all reasonable out-of-pocket expenses of the Trustee in connection with its serving as Trustee under the Indenture that are not otherwise required to be paid by the Borrower under the terms of this Loan Agreement, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Bonds.

**Section 5.2. Nature of the Borrower's Obligations.** The Borrower shall repay the Loan pursuant to the terms of the Note and the Construction Loan Agreement irrespective of any rights of set-off, recoupment or counterclaim the Borrower might otherwise have against the City or any other person. The Borrower will not suspend, discontinue or reduce any such payment or (except as expressly provided herein) terminate this Loan Agreement for any cause, including, without limiting the generality of the foregoing, (i) any delay or interruption in the construction or operation of the Project; (ii) the failure to obtain any permit, order or action of any kind from any governmental agency relating to the Loan or the Project; (iii) any event constituting force majeure; (iv) any acts or circumstances that may constitute commercial frustration of purpose; (v) any change in the laws of the United States of America, the State or any political subdivision thereof; or (vi) any failure of the City or the Borrower to perform or observe any covenant whether expressed or implied, or to discharge any duty, liability or obligation arising out of or connected with the Note; it being the intention of the parties that, as long as the Note or any portion thereof remains outstanding and unpaid, the obligation of the Borrower to repay the Loan and provide such moneys shall continue in all events. This Section 5.2 shall not be construed to release the Borrower from any of its obligations hereunder, or, except as provided in this Section 5.2, to prevent or restrict the Borrower from asserting any rights which it may have against the City under the Note or the Deed of Trust or under any provision of law or to prevent or restrict the Borrower, at its own cost and expense, from prosecuting or defending any action or proceeding by or against the City, the Bondowner or the Trustee or taking any other action to protect or secure its rights.

Notwithstanding the Indenture, no assignment by the City of its rights hereunder shall preclude the City from proceeding directly against the Borrower in connection with the obligation of the Borrower to indemnify the City under Section 9 of the Regulatory Agreement or to make any payment to the City required to be paid by the Borrower pursuant to the provisions of Sections 2.3, 2.4, 5.1(d), 5.1(e), 6.7 or 7.4 hereof.

**Section 5.3. No Encumbrances.** The Borrower shall not create, permit, file or record against the Project without the prior written consent of the Bondowner any deed of trust lien or other lien, inferior or superior to the lien of the Deed of Trust, other than the Regulatory Agreement, Permitted Encumbrances (as defined in the Construction Loan Agreement) and any lien created under any of the Subordinate Loan Documents (as defined in the Construction Loan Agreement).

**Section 5.4. No Personal Liability of Any Limited Partner of Borrower.** Notwithstanding anything herein to the contrary, no limited partner of Borrower (to the extent it

continues to act solely in the capacity of a limited partner of Borrower) shall have any personal liability regarding the Note or the Deed of Trust.

The Borrower hereby covenants and agrees as follows:

- (a) to comply with all provisions of the Regulatory Agreement;
- (b) to advise the City in writing promptly upon learning of any default with respect to the covenants, obligations and agreements of the Borrower set forth in the Regulatory Agreement;

The City shall not incur any liability in the event of any breach or violation of the Regulatory Agreement by the Borrower, and the Borrower agrees to indemnify the City from any claim or liability for such breach pursuant to Section 8 of the Regulatory Agreement.

**Section 6.4. Additional Instruments.** The Borrower hereby covenants to execute and deliver such additional instruments and to perform such additional acts as may be necessary, in the opinion of the City, to carry out the intent of the Loan Documents or to perfect or give further assurances of any of the rights granted or provided for in the Loan Documents and the Note.

**Section 6.5. Books and Records.** The Borrower hereby covenants to permit the City, the Trustee and the Bondowner or their duly authorized representatives access during normal business hours to the books and records of the Borrower pertaining to the Loan and the Project, and to make such books and records available for audit and inspection, at reasonable times and under reasonable conditions to the City, the Bondowner, the Trustee and their duly authorized representatives and at the sole expense of the Borrower.

**Section 6.6. Notice of Certain Events.** The Borrower hereby covenants to advise the City, the Bondowner and the Trustee promptly in writing of the occurrence of any Event of Default hereunder or any event which, with the passage of time or service of notice, or both, would constitute an Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto. In addition, the Borrower hereby covenants to advise the City and the Trustee promptly in writing of the occurrence of any Act of Bankruptcy.

**Section 6.7. Indemnification of the City and Trustee.** The Borrower agrees to indemnify the City and the Trustee as provided in Section 9 of the Regulatory Agreement. The rights of any persons to indemnity thereunder and rights to payment of fees and reimbursement of expenses pursuant to Sections 5.1 and 7.4 hereof shall survive the final payment or defeasance of the Bonds and in the case of the Trustee any resignation or removal. The provisions of this Section 6.7 shall survive the termination of this Loan Agreement.

**Section 6.8. Consent to Assignment.** The City has made an assignment to the Trustee under the Indenture of all rights and interest of the City in and to this Loan Agreement (except its Reserved Rights), the Note, the Deed of Trust and the other Loan Documents and the Trustee is authorized to collect the payments due and payable by the Borrower on the Loan; and the Borrower hereby consents to all such assignments and such appointment.

**Section 6.9. Compliance with Usury Laws.** Notwithstanding any other provision of this Loan Agreement, it is agreed and understood that in no event shall this Loan Agreement, with respect to the Note or other instrument of indebtedness, be construed as requiring the Borrower or any other person to pay interest and other costs or considerations that constitute interest under any applicable law which are contracted for, charged or received pursuant to this Loan Agreement in an amount in excess of the maximum amount of interest allowed under any applicable law.

In the event of any acceleration of the payment of the principal amount of the Note or other evidence of indebtedness, that portion of any interest payment in excess of the maximum legal rate of interest, if any, provided for in this Loan Agreement or related documents shall be cancelled automatically as of the date of such acceleration, or if theretofore paid, credited to the principal amount.

The provisions of this Section 6.9 prevail over any other provision of this Loan Agreement.

#### **Section 6.10. Reserved.**

**Section 6.11. Payment of Taxes.** The Borrower has filed or caused to be filed all federal, state and local tax returns or information returns which are required to be filed with respect to the Project and of which Borrower has knowledge, and has paid or caused to be paid all taxes as shown on said returns or on any assessment received by it, to the extent that such taxes have become due and payable.

**Section 6.12. No Untrue Statements.** Neither this Loan Agreement nor any other document, certificate or statement furnished to the City, the Trustee or the Bondowner by or on behalf of the Borrower, contains to the best of the Borrower's knowledge any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading in light of the circumstances in which they are made. It is specifically understood by Borrower that all such statements, representations and warranties shall be deemed to have been relied upon by the City as an inducement to make the Loan, and by the Bondowner as an inducement to buy the Bonds, and that if any such statements, representations and warranties were materially incorrect at the time they were made, the City may consider any such misrepresentation or breach an Event of Default.

**Section 6.13. Insurance.** The Borrower shall provide policies of property damage (fire, extended coverage, vandalism and malicious mischief), loss of rent, public liability and worker's compensation insurance with respect to the Project and the operation thereof as required under the Deed of Trust and the Construction Loan Agreement.

#### **Section 6.14. Tax Exempt Status of the Bonds.**

(a) In the event that at any time the Borrower is of the opinion or becomes otherwise aware that for purposes of this Section 6.14 it is necessary to restrict or to limit the yield on the investment of any moneys held under the Indenture or under the Construction Loan Agreement, or otherwise by the Bondowner, the Borrower shall determine the limitations and so instruct the Trustee or Bondowner, as applicable, in writing (with a copy to the City) and cause the Trustee or the Bondowner, as applicable, to comply with those limitations under the Indenture or the Construction Loan Agreement, respectively.

(b) The Borrower will take such action or actions as may be reasonably necessary in the opinion of Bond Counsel, or of which it otherwise becomes aware, to fully comply with Section 148 of the Code as applicable to the Bonds.

(c) The Borrower further agrees that it shall not discriminate on the basis of race, creed, color, sex, sexual preference, source of income (e.g. AFDC, SSI), physical disability, national origin or marital status in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project, to the extent required by applicable State or federal law.

(d) The Borrower further warrants and covenants that it has not executed and will not execute any other agreement, or any amendment or supplement to any other agreement, with provisions contradictory to, or in opposition to, the provisions, of this Loan Agreement and of the Regulatory Agreement, and that in any event, the requirements of this Loan Agreement and the Regulatory Agreement are paramount and controlling as to the rights and obligations herein set forth and supersede any other requirements in conflict herewith and therewith.

(e) The Borrower will take such action or actions as necessary to ensure compliance with Sections 2.2(j), (o), (p), (q) and (r) hereof.

(f) The Borrower will make timely payment of any rebate amount due to the federal government by reason of Section 148(f) of the Code, as applicable to the Bonds.

**Section 6.15. Recordation of Amendments to Regulatory Agreement.** The Borrower agrees to cause any amendments to the Regulatory Agreement to be recorded in the appropriate official public records of the County.

**Section 6.16. Useful Life.** The Borrower hereby represents and warrants that, within the meaning of Section 147(b) of the Code, the average maturity of the Bonds does not exceed one hundred and twenty percent (120%) of the average reasonably expected economic life of the facilities being financed with the proceeds of the Bonds.

**Section 6.17. Federal Guarantee Prohibition.** The Borrower shall take no action, nor permit nor suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

**Section 6.18. Prohibited Facilities.** The Borrower represents and warrants that no portion of the proceeds of the Loan shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Note shall be used for an office unless (i) the office is located on the premises of facilities constituting a portion of the Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

**Section 6.19. Election of Applicable Income Limit.** The City hereby elects to have the Project meet the requirements of Section 142(d)(1)(B) of the Code in that forty percent (40%) or more of the residential units comprising the Project (as such term is used in the Regulatory Agreement) shall be occupied by persons or families whose Adjusted Income does not exceed sixty percent (60%) of the median income for the Area.

(j) The Borrower or its general partner (each an "Obligor" and collectively the "Obligors") shall file a voluntary petition in bankruptcy under Title 11 of the United States Code, or an order for relief shall be issued against any such Obligor in any involuntary petition in bankruptcy under Title 11 of the United States Code, or any such Obligor shall file any petition or answer seeking or acquiescing in any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any present or future federal, state or other law or regulation relating to bankruptcy, insolvency or other relief of debtors, or such Obligor shall seek or consent to or acquiesce in the appointment of any custodian, trustee, receiver, conservator or liquidator of such Obligor, or of all or any substantial part of its respective property, or such Obligor shall make an assignment for the benefit of creditors, or such Obligor shall give notice to any

## **Section 7.2. Remedies on Default.**

(a) Whenever any Event of Default referred to in Section 7.1 hereof shall have occurred, any obligation of the Bondowner to approve further disbursements of the Loan shall be terminated, and the Bondowner shall have the right (but not the obligation) to exercise any one and/or more of the following rights and remedies:

(i) by notice in writing to the Borrower, declare the entire unpaid indebtedness under the Note and the other Loan Documents to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable; and

(ii) take whatever action at law or in equity or under any of the Loan Documents, as may appear necessary or desirable to Bondowner to collect the payments and other amounts then due and thereafter to become due hereunder or under the Note, and/or to exercise any right or remedy or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement, the Note or any other Loan Document.

(b) Any amounts collected pursuant to action taken under this Section 7.2 (other than amounts collected by the City pursuant to the Reserved Rights) shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the City, the Trustee or the Bondowner and their respective counsel, be paid into the Bond Fund (unless otherwise provided in this Loan Agreement) and applied in accordance with the provisions of the Indenture. No action taken

pursuant to this Section 7.2 shall relieve the Borrower from the Borrower's obligations pursuant to Section 6.14 hereof.

(c) The Investor Limited Partner shall be entitled (but not obligated) to cure any Event of Default referred to in Section 7.1 hereof within the time frame provided to the Borrower hereunder. The City agrees that cure of any default or Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

**Section 7.3. No Remedy Exclusive.** No remedy conferred herein or in any other Loan Document upon or reserved to the City or Bondowner is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement and each other Loan Document, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Bondowner to exercise any remedy reserved to it herein or in any other Loan Document, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

**Section 7.6. No Additional Waiver Implied by One Waiver.** In the event any agreement or covenant contained in this Loan Agreement should be breached by the Borrower and thereafter waived by the City or the Bondowner, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder including any other breach of the same agreement or covenant.
