

ORDINANCE NO.

**AN ORDINANCE OF THE CITY OF SAN JOSE AMENDING
VARIOUS SECTIONS OF CHAPTER 6.54 OF TITLE 6 OF
THE SAN JOSE MUNICIPAL CODE (THE PEDDLER
PERMIT ORDINANCE) TO CONFORM TO STATE LAW**

WHEREAS, a well-regulated peddling program would enliven the City's streetscape by creating a vibrant marketplace;

WHEREAS, because peddling has a relatively low barrier to entry, peddling encourages entrepreneurship;

WHEREAS, providing economic opportunity for people to support themselves and their families is one of the most important goals for the City;

WHEREAS, there is a need to regulate the sale of food and merchandise in the public right-of-way and in parks to protect the public's health, safety and welfare;

WHEREAS, peddling within 500 feet of concert, sport, and convention venues on event days impacts pedestrian and peddler safety due to overcrowding on sidewalks, which results in pedestrians walking in the street and along the sidewalk to keep moving forward. These venues also experience a high amount of traffic, affecting the safety of pedestrians and motorists, due to a high concentration of visitors at one time;

WHEREAS, requiring licenses and permits to peddle on sidewalks, streets, and parks benefits the health and safety of the public because it increases peddler accountability in following the City's rules and regulations by identifying peddlers out of compliance with the City's peddling program and protects peddlers assigned to vend in certain locations;

WHEREAS, regulation of peddling benefits the City as a whole as it leads to orderly commerce; and

WHEREAS, the City Council seeks to create a vending program which will provide regulation of peddlers in San José;
