SUBJECT: VERBAL REPORT ON CITYWIDE PLANNING ACTIVITIES

RECOMMENDATION

Accept the status report on Citywide Planning activities including progress on its work plan items and its accomplishments.

BACKGROUND

Staff will provide the CED committee with a verbal report on current Citywide Planning activities. As part of this overall report, staff will provide the Committee with a brief status report on the following items:

- Four Year Review of the General Plan
- Aligning the zoning ordinance with the General Plan
- Pending efforts to align City ordinances and permit processes with recent state law changes
- Current efforts to modify the Urban Village Implementation Framework to conform to recently adopted state laws
- Development of citywide parking reduction strategies to further implementation of Climate Smart
- Submittal of an application to the Metropolitan Transportation Commission to add a new Priority Development Area (PDA) to the One Bay Area Plan

Staff will also discuss Citywide team accomplishment for this calendar year, as well as staffing changes, including recent and pending staff additions.
