(b) At all times from and after the Conversion Date, the outstanding principal balance of the Borrower Loan shall accrue interest at a rate which is 79% of the LIBOR Rate plus the Margin (applicable during the Permanent Phase) for the then current Interest Period. The Variable Rate for the next Interest Period shall change on each Interest Change Date based on changes in the LIBOR Rate. There is no limit on the amount the Variable Rate may increase or decrease during the term of the Borrower Loan.

(c) At all times after the occurrence and during the continuance of an Event of Default, all principal outstanding under the Borrower Note shall accrue interest at the Default Rate.

3.1.3 Monthly Payments.

(a) Commencing on the First Payment Date and continuing on the 1st day of each calendar month thereafter through and including the Outside Conversion Date, payments in respect of the Borrower Loan shall be interest only, in arrears, on the outstanding principal of the Borrower Note at the Variable Rate. Interest shall be calculated on the basis of a year of 360 days, for actual days elapsed, prior to the Outside Conversion Date.

(b) Commencing on the Amortization Date and on the 1st day of each calendar month thereafter through the Maturity Date, Borrower shall pay to Bank monthly installments of principal with respect to the Borrower Note as set forth on Schedule 1 to be attached hereto and incorporated herein by this reference (the "Principal Payments"), plus interest accrued for the applicable Interest Period on the principal balance outstanding from time to time on the Borrower Note at the Variable Rate. Said principal and interest payments are hereinafter collectively referred to as the "Regular Payments" and are subject to change as and when the Variable Rate changes. The Regular Payments will be applied first to accrued but unpaid interest then due, and then to principal. A payment will be treated as made on the date it is received. At Conversion, Schedule 1 shall be prepared by Bank and attached to this Agreement and shall consist of a schedule of the monthly installments of principal required to fully amortize the outstanding principal balance of the Borrower Note owing on the Conversion Date, assuming equal monthly payments of principal and interest, an amortization period of three hundred (300) months and a fixed rate of interest equal to the fixed rate or maximum interest rate of the Hedge in effect as of the Conversion Date. Bank shall provide Borrower with a copy of Schedule 1 once it is prepared by Bank, but the effectiveness and date of such payment shall not be affected by such notice or lack thereof. Bank's determination of said Regular Payments shall be conclusive absent manifest error. All computations of interest shall be made on the basis of a year of 360 days, for actual days elapsed. On the Maturity Date, all principal and accrued interest then outstanding shall be immediately due and payable.

3.2 Conversion; Termination.

3.2.1 Not later than 30 days prior to the earlier to occur of the proposed Conversion Date or the Outside Conversion Date, Borrower shall deliver the Conversion Election Notice to Bank. The Conversion Election Notice shall be accompanied by (a) a written certification by Borrower to Bank that all of the Conditions to Conversion have been fully satisfied; (b) a rent roll covering the Property for each of the three full calendar months immediately preceding the date of the Conversion Election Notice, certified by Borrower as true, correct and complete; and (c) operating statements for the Property for each of such three calendar months, in the form required by Bank, and certified by Borrower to be true, correct and complete.

3.2.2 The Conditions to Conversion specified in Exhibit D shall be applicable to the Conversion. Bank shall have the right to waive any Condition to Conversion set forth in Exhibit D in Bank's sole and absolute discretion.

3.2.3 If, based upon the information delivered pursuant to Section 3.2.1 and such other information as Bank may require as evidence of satisfaction of the Conditions to Conversion, Bank determines that the Conditions to Conversion have been fully satisfied, Bank shall deliver the Conversion Notice, which Conversion Notice shall state the Conversion Date and a copy of Schedule "1" to be attached hereto setting forth the monthly installments of principal required to be paid by Borrower under the Borrower Note, as more particularly set forth in Sections 3.1.3(b) above.

3.2.4 Upon Conversion (and so long as all Conditions to Conversion are satisfied) the following documents shall be deemed automatically terminated and shall have no further force or effect without any further action by any Loan Party: (i) the Guaranty (except for the Indemnity Agreement); (ii) the Assignment of Tax Credits and Partnership Interests, and (iii) the Assignment of Partnership Interest (GP).

3.2.5 If the Conditions to Conversion have not been fully satisfied prior to the Outside Conversion Date, as such date may be extended in accordance with this Agreement, Borrower shall pay to Bank, on the Outside Conversion Date, the entire outstanding principal balance of the Borrower Loan, together with all accrued and unpaid interest thereon and other accrued and unpaid fees, costs and expenses owing under the Borrower Loan Documents and the Funding Loan Documents.

3.2.6 Non-Recourse After Conversion Date. From and after the Conversion Date, Governmental Lender and Bank agree that Governmental Lender's and Bank's recovery against Borrower in the event of a default under this Agreement, the Borrower Note or under any of the other Borrower Loan Documents shall be limited solely to, and Governmental Lender and Bank shall only proceed against, the Trust Estate (as defined in the Deed of Trust), together with the rents, issues, profits and income therefrom and proceeds and products thereof, and any other collateral given as security for Borrower's performance under the Borrower Loan Documents, and in no event shall (i) Borrower be personally liable for the payment of the Borrower Note or for the payment of any deficiency established upon foreclosure and the sale of the Trust Estate, or (ii) any other assets of Borrower (or any general partner of Borrower) be subject to levy, execution or other enforcement procedure in connection with any such default. Notwithstanding the foregoing, Borrower (and each general partner of Borrower) shall be fully and personally liable to Governmental Lender and Bank for the costs or damages arising from any of the following:

- (a) gross negligence, fraud, willful misrepresentation or waste by Borrower, to the full extent of Governmental Lender's and Bank's loss attributable thereto;
- (b) any inaccuracy in or breach of any representation or warranty pertaining to any Hazardous Substances (as that term is defined in that certain Environmental Compliance Agreement (the "ECA") executed in favor of Governmental Lender and Bank by Borrower concurrently herewith), any failure in the due, prompt and complete observance and performance of any covenant or other obligation imposed under or pursuant to the ECA, or the presence of any Hazardous Substance on, under or about the Trust Estate, whenever arising;
- (c) failure to pay taxes, assessments or other charges which can create liens on any portion of the Trust Estate (to the full extent of any such taxes, assessments or other charges);
- (d) any loss which would have been covered by insurance required to be maintained under the terms of any of the Borrower Loan Documents, which Borrower failed to maintain;
- (e) failure to deliver to Bank any funds which should have been paid to Bank under the terms of the Borrower Loan Documents or the distribution of earnings or income from the Trust Estate in violation of the Borrower Loan Documents; or
- (f) any loss resulting from any claim or cause of action by a contractor, material supplier or other person or entity entitled to file a mechanic's lien against the Trust Estate.

In addition, Borrower and each General Partner shall be fully and personally liable to Governmental Lender and Bank for the full amount of the Borrower Loan and all other obligations evidenced by the Borrower Loan Documents in the event (i) all or any part of the Trust Estate, other assets of Borrower or any ownership interest in Borrower is transferred in violation of the Borrower Loan Documents; (ii) any voluntary or involuntary proceeding under any laws relating to bankruptcy, insolvency, reorganization, arrangement, debt adjustment or debtor relief is commenced by or against Borrower or by or against any owner of the Property and, as to involuntary proceedings, is not dismissed within sixty (60) days; or (iii) Governmental Lender's or Bank's exercise of its rights and remedies under the Borrower Loan Documents is hindered, delayed, interfered with or prejudiced by or as a result of any act, omission, fraud or misrepresentation of Borrower or any other party now or hereafter liable for any part of the Borrower Loan.

The provisions hereof shall not be deemed to constitute a waiver of any obligation of Borrower or any other party or limitation of any kind of any right of Governmental Lender or Bank at law or equity or

under any guaranty or other Borrower Loan Documents, provided that the assertion by Governmental Lender or Bank of any such right shall not result in a monetary claim upon the general unsecured assets of Borrower except as provided herein.

3.3 Maturity Date. All unpaid principal and interest on the Borrower Loan and other amounts due under the Borrower Loan Documents and the Funding Loan Documents shall be due and payable in full on the Maturity Date, as such date may be extended or accelerated.

3.4 Application of Payments. All payments and prepayments received by Governmental Lender or Bank pursuant to the terms hereof shall be applied in the following manner: first, to the payment of any Late Charge then due; second to the payment of all expenses, charges, costs and fees (including, but not limited to, the Prepayment Fee) incurred by or payable to Governmental Lender or Bank by Borrower pursuant to the terms of the Borrower Loan Documents (in such order and manner as Bank, in its sole discretion, may elect); third to the payment of all interest accrued to the date of such payment; and fourth to the payment of principal. Notwithstanding anything to the contrary contained herein, after the occurrence and during the continuation of an Event of Default, all amounts received by Governmental Lender and Bank from any party shall be applied in such order as Bank in its sole discretion, may elect.

3.5 Acceleration. If any of the payments required by the terms hereof shall not be paid when due and such failure shall continue beyond any applicable notice and cure periods, or if the payment due on the Maturity Date is not paid when due, whether by acceleration or otherwise, or if an Event of Default occurs, then, or at any time thereafter, the whole of the unpaid principal and interest owing on the Borrower Loan shall, at the option of Bank and without notice, become immediately due and payable. This acceleration option may be exercised at any time after any such event and the acceptance of one or more installments or other payments from any Person thereafter shall not constitute a waiver of Bank's acceleration option. Bank's failure to exercise such acceleration option in connection with any particular event or series of events shall not be construed as a waiver of the provisions hereof as regards such events or any subsequent events. The other Borrower Loan Documents may contain provisions that provide for the automatic acceleration of amounts owing in connection with the Borrower Loan upon the occurrence of certain specified events. Bank shall have, and be entitled to exercise, upon the occurrence of any Event of Default or other event described above, all rights and remedies available to Bank hereunder, under the other Borrower Loan Documents or Funding Loan Documents or at law or in equity. All such rights and remedies shall be cumulative.

3.6 Late Charge; Default Interest. Borrower recognizes that any default by Borrower in making the payments required under the Borrower Loan Documents when due will result in Governmental Lender and Bank incurring additional expense in servicing the Borrower Loan, in loss of the use of the money due and in frustration of meeting commitments under the Funding Loan Documents. Borrower agrees that, if for any reason Borrower fails to pay when due any payment due under this Agreement or under any of the other Borrower Loan Documents, any amount advanced under the Deed of Trust or the amount due on the Maturity Date, or the accelerated Maturity Date, whichever shall first occur, Bank shall be entitled to damages for the detriment caused thereby, but that it is extremely difficult and impractical to ascertain the extent of such damages. Borrower therefore agrees that a reasonable estimate of such damages to Bank is as follows:

3.6.1 In the event Borrower fails to pay any installment of principal and interest (other than payment on the Maturity Date) within ten days after the same is due, then Borrower shall pay to Bank a Late Charge.

3.6.2 In the event Borrower fails to reimburse Bank for any amount advanced under the Deed of Trust within ten days after written notice of such advance is made by Bank to Borrower, then such unreimbursed amount shall thereafter bear interest at the Default Rate until paid, such interest to be compounded annually.

3.6.3 In the event the payment of principal and accrued but unpaid interest due on the Maturity Date, or the accelerated Maturity Date, as applicable, is not made in full when due, then such amounts shall thereafter bear interest at the Default Rate, until paid, such interest to be compounded annually.

3.7 Prepayment. Pursuant to the terms of this Section 3.7, the Borrower Loan may be prepaid by Borrower when and to the extent that the Funding Loan Note is susceptible to prepayment under the Funding Loan Documents, provided that Borrower shall in no event voluntarily or involuntarily prepay the Borrower Loan in whole or in part unless Borrower pays to Bank, concurrently with such prepayment, a prepayment fee as calculated below.

3.7.1 Variable Rate Principal. Any Variable Rate Principal may be prepaid prior to the scheduled payment date, whether voluntary or involuntary, in whole or in part, provided Borrower has given Bank not less than five (5) business days prior written notice of Borrower's intention to make such prepayment and pays to Bank the prepayment fee due as a result. The prepayment fee shall be an amount equal to the present value of the product of: (i) the difference (but not less than zero) between (a) the Variable Rate applicable to the principal amount which is being prepaid, and (b) the return which Bank could obtain if it used the amount of such prepayment of principal to purchase a bid price regularly quoted securities issued by the United States having a Maturity Date most closely coinciding with the last day of the relevant Interest Period and such securities were held by Bank until the last day of the relevant Interest Period ("Yield Rate"); (ii) a fraction, the numerator of which is the number of days in the period between the date of prepayment and the last day of the relevant Interest Period, and the denominator of which is 360, and (iii) the amount of principal so prepaid. The present value shall be determined by discounting the above product to present value using the Yield Rate as the annual discount factor. Bank shall provide Borrower a statement of the amount payable on account of prepayment. Borrower acknowledges that (i) Bank establishes a Variable Rate upon the understanding that it apply to the Variable Rate Principal for the entire Interest Period, and (ii) Governmental Lender would not lend to Borrower at a Variable Rate without Debtor's express agreement to pay the prepayment fee described above.

3.7.2 No Prepayment Fee Due. Notwithstanding Section 3.7.1 above, no prepayment fee shall be payable (i) in connection with the prepayment of Variable Rate Principal in connection with the prepayment of principal during the ninety (90) day period immediately preceding the Outside Conversion Date or Maturity Date.

3.7.3 No Refund. In no event shall Bank be obligated to make any payment or refund to Borrower, nor shall Borrower be entitled to any setoff or other claim against Bank, should the return which Bank could obtain under the prepayment formula exceed the interest that Governmental Lender would have received if no prepayment had occurred.

3.7.4 Payment of Accrued Interest. All prepayments shall include payment of accrued interest on the principal amount so prepaid, shall be applied to payment of interest before application to principal, and shall be applied to the most remote principal installment or installments then unpaid (i.e., the principal balance due on the Maturity Date and then against installments due closest to the Maturity Date).

3.7.5 Involuntary Prepayment. Such prepayment fee shall also be payable if prepayment occurs as the result of any involuntary prepayment (e.g., proceeds of insurance or condemnation or any prepayment required in order to satisfy the Conditions to Conversion) or the acceleration of the principal hereof by Bank because of any default by Borrower (including any transfer or conveyance of any right, title or interest in the real property encumbered by the Deed of Trust) that gives Bank the right to accelerate the maturity of the Borrower Loan pursuant to the terms of the Deed of Trust. If, following any such acceleration, all or any portion of the unpaid principal is satisfied, whether through sale of the property encumbered by the Deed of Trust or other agreement securing the Borrower Loan at a foreclosure held thereunder or through the tender of payment at any time following such acceleration, but prior to such a foreclosure sale, then such satisfaction of principal shall be deemed an evasion of the prepayment provisions hereof, and Bank shall, automatically and without notice or demand, be entitled to

receive, concurrently with such satisfaction of principal the prepayment fee set forth above, and the obligation to pay such prepayment fee shall be added to the principal hereof.

BORROWER HEREBY ACKNOWLEDGES AND AGREES THAT GOVERNMENTAL LENDER WOULD NOT LEND TO BORROWER THE BORROWER LOAN EVIDENCED BY THE BORROWER NOTE WITHOUT BORROWER'S AGREEMENT TO PAY BANK A PREPAYMENT FEE AS SET FORTH ABOVE. BORROWER EXPRESSLY WAIVES ANY RIGHT UNDER CALIFORNIA CIVIL CODE SECTION 2954.10 OR OTHERWISE TO PREPAY THE BORROWER LOAN WITHOUT A PREPAYMENT FEE AS HEREINABOVE SET FORTH. BORROWER ACKNOWLEDGES THAT PREPAYMENT OF THE BORROWER LOAN MAY RESULT IN GOVERNMENTAL LENDER AND BANK INCURRING ADDITIONAL COSTS, EXPENSES OR LIABILITIES. BORROWER THEREFORE AGREES THAT THE PREPAYMENT FEE HEREIN PROVIDED FOR REPRESENTS A REASONABLE ESTIMATE OF THE PREPAYMENT COSTS, EXPENSES OR LIABILITIES GOVERNMENTAL LENDER AND BANK MAY INCUR ON A PREPAYMENT. BORROWER AGREES THAT GOVERNMENTAL LENDER'S WILLINGNESS TO OFFER THE VARIABLE RATE DESCRIBED ABOVE TO BORROWER IS SUFFICIENT AND INDEPENDENT CONSIDERATION, GIVEN INDIVIDUAL WEIGHT BY GOVERNMENTAL LENDER AND BANK FOR THIS WAIVER. BORROWER UNDERSTANDS THAT GOVERNMENTAL LENDER WOULD NOT OFFER SUCH AN INTEREST RATE TO BORROWER ABSENT THIS WAIVER. BORROWER HAS CAUSED THOSE PERSONS SIGNING THIS AGREEMENT ON ITS BEHALF TO SEPARATELY INITIAL THIS PARAGRAPH BY PLACING THEIR INITIALS BELOW:

BORROWER INITIALS HERE: _____

3.7.6 Certification. A certificate as to the amount of any prepayment fee payable under this Section, setting forth the basis for such fee, prepared by Bank and submitted to Borrower shall be conclusive as to the matters set forth therein, and the Borrower Loan shall not be deemed to have been fully paid or satisfied until such fee shall have been paid.

3.7.7 Effect of Prepayment on Hedge. Borrower and Bank hereby agree that, in accordance with and subject to the terms of any Hedge Documents, any Hedge entered into between Borrower and Bank in connection with the Borrower Loan shall, upon the making of any prepayment of amounts outstanding under the Borrower Loan, be subject to an Additional Termination Event (as defined in such Hedge Documents) and may be terminated as and to the extent more particularly provided in the documents and agreements evidencing such Hedge. Any amounts (which may be substantial) payable by Borrower to Bank, or by Bank to Borrower in respect of such full or partial termination of such Hedge shall be determined under the terms and conditions of the Hedge Documents relating to such Hedge.

3.8 Additional Fee Payment Obligations. All payments to fund taxes, insurance or any other escrow or reserve required to be established, funded or created pursuant to any Borrower Loan Document or Funding Loan Document, shall be due and payable by Borrower to Bank the date monthly payments are due pursuant to Section 3.1.3 commencing in the month following the month in which the Conversion Date occurs in accordance with the applicable Borrower Loan Document or Funding Loan Document. Borrower shall pay to Fiscal Agent Fiscal Agent's Fees (as defined in the Funding Loan Agreement) in accordance with the terms of the Funding Loan Agreement.

(k) If requested by Bank, (a) Tax Credit Investor shall have executed and delivered to Bank an estoppel certificate in form and substance of the Tax Credit Investor Estoppel Certificate, which shall contain such certifications as Bank shall reasonably require with respect to Tax Credit Investor's obligations under the Partnership Agreement, and (b) each Subordinate Lender shall have executed and delivered to Bank an estoppel certificate in a form and substance which shall contain such certifications as Bank shall reasonably require with respect to the applicable Subordinate Documents.

(l) Any special conditions set forth in the Special Conditions attached hereto as Exhibit C shall have been satisfied.

5.2.2 Upon satisfaction of the conditions contained in Sections 5.2.1 and 5.4 (as applicable), on or about the first day of each calendar month following commencement of construction of the Improvements, Contractor shall submit to Borrower a Draw Request showing the estimated cost of labor performed on and materials incorporated into the Improvements, a pro-rata portion of Contractor's profit and that pro-rata portion of overhead of Contractor attributable to the construction of the Improvements.

The original of such Draw Request, certified true and correct by Contractor and approved by Borrower, shall be submitted to Bank for payment. Upon verification of the accuracy of the Draw Request by inspection of the Real Property and Improvements (if required by Bank), Governmental Lender shall disburse the amount of the respective approved Draw Request in accordance with the Disbursement Schedule (i) directly to Borrower or, upon the occurrence and during the continuance of an Event of Default, directly to Contractor or to such Persons as have actually supplied labor, materials or services in connection with the construction of the Improvements (at Bank's option as to whom and in what amounts payments are to be made), or (ii) if specifically required by Bank, through a fund control service acceptable to Bank under a fund control agreement in form and content acceptable to Bank.

5.3 Final Disbursement.

5.3.1 Prior to making the final Advance, the conditions set forth in Sections 5.1, 5.2 and 5.4 (as applicable) and the following conditions shall have been satisfied, as determined by Bank:

(a) Bank shall have received confirmation to its satisfaction that the Improvements have been completed in accordance with the Plans and the Construction Contract (if any).

(b) If required by Bank, Bank shall have received a copy of the final certificate of occupancy (or its equivalent as determined by Bank) issued by the appropriate Governmental Authority.

(c) Bank shall have received evidence that Borrower has recorded a notice of completion (or its equivalent as determined by Bank) with respect to the Improvements.

(d) All Subordinate Loans (other than the HCD Loan) shall have been fully disbursed to or for the account of Borrower and applied towards Project costs.

(e) Bank shall have received (A) such endorsements to the Title Policy as Bank may require which shall insure that the Improvements have been completed free of all mechanic's and materialmen's liens or claims thereof, or (B) such additional title policies with endorsements as Bank may require, with a liability limit of not less than the principal amount of the Borrower Loan, issued by Title Insurer, with coverage and in form satisfactory to Bank, insuring Governmental Lender's and Bank's interest under the Deed of Trust as a first lien on the Real Property, excepting only such items as shall have been approved in writing by Bank.

(f) If requested by Bank, (a) Tax Credit Investor shall have executed and delivered to Bank an estoppel certificate in form and substance of the Tax Credit Investor Estoppel Certificate, which shall contain such certifications as Bank shall reasonably require with respect to Tax Credit Investor's obligations under the Partnership Agreement, and (b) each Subordinate Lender shall have executed and delivered to Bank an estoppel certificate in a form and substance which shall contain such certifications as Bank shall reasonably require with respect to the applicable Subordinate Documents.

5.3.2 The final disbursement shall consist of the payment of any monies retained from progress payments or disbursements as set forth in this Agreement. Subject to the provisions of this Agreement, the final disbursement shall be made only after Borrower has satisfied the conditions of Sections 5.3 and 5.4 (as applicable).

5.4 Additional Conditions to Advances. Bank shall have the right to condition any Advance upon Bank's receipt and approval of the following, each in form and content acceptable to Bank:

5.4.1 The Draw Request.

5.4.2 Bills, invoices, documents of title, vouchers, statements, receipts and any other documents evidencing the total amount expended, incurred or due for any requested line item shown in the Project Budget.

5.4.3 Evidence of Borrower's use of a lien release, joint check or voucher system acceptable to Bank for payments or disbursements to Contractor or to such Persons as have actually supplied labor, materials or services in connection with the construction of the Improvements.

5.4.4 Architect's, inspector's and/or engineer's periodic certifications of the percentage and/or stage of construction that has been completed and its conformance to the Plans and any Governmental Requirement based upon such architect's, inspector's and/or engineer's periodic physical inspections of the Real Property and Improvements.

5.4.5 Waivers and releases of any mechanic's lien, stop notice claim, equitable lien claim or other lien claim rights.

5.4.6 Any other documents, requirements, evidence or information that Bank may request under any provision of the Borrower Loan Documents.

5.4.7 Evidence that any goods, materials, supplies, fixtures or other work in progress for which disbursement is requested have been incorporated into the Improvements.

5.4.8 In the event any Draw Request includes the cost of Offsite Materials, such Draw Request shall include each of the following: (a) evidence that the Offsite Materials have been purchased by Borrower, have been segregated from other materials in the facility where they are stored and have been appropriately marked to indicate Borrower's ownership thereof and Bank's security interest therein; (b) evidence that the Offsite Materials are insured as required by this Agreement; and (c) at Bank's request, a security agreement, financing statement, acknowledgment, and/or subordination agreement in form and content satisfactory to Bank executed by the supplier of the Offsite Materials, and/or such other Persons as Bank determines may have an interest in or claim to the Offsite Materials, together with such other additional documentation and evidence as Bank may reasonably require to assure itself that it has a perfected first priority lien on the Offsite Materials.

5.4.9 In the event any Draw Request includes the cost of Onsite Materials, such Draw Request shall include each of the following: (a) evidence that the Onsite Materials have been purchased by Borrower; (b) evidence that the Onsite Materials are insured as required hereunder; and (c) evidence that the Onsite Materials are stored in an area on the Real Property for which adequate security is provided against theft and vandalism.

5.5 Disbursement Limits.

5.5.1 Borrower hereby represents to Bank that, as of the date of this Agreement, the Project Budget represents the total amount needed by Borrower to construct the Improvements and to perform Borrower's obligations under the Borrower Loan Documents and Funding Loan Documents. Bank shall not be required to make any Advance for any Construction Costs or any other purpose that is not set forth in the Project Budget nor shall Bank be required to make any Advance for any line item in the Project Budget in an amount that when added to the sum of all prior Advances for that line item would exceed the sum allocated in the Project Budget for that line item.

5.5.2 Bank reserves and shall have the right to make Advances that are allocated to any line items in the Project Budget for such other purposes or in such different proportions as Bank may, in its sole discretion, deem necessary or advisable. Borrower shall have no right whatsoever to reallocate Advances from one line item in the Project Budget to another or otherwise amend the Project Budget without the prior consent of Bank.

5.5.3 All Advances shall be made in accordance with the applicable provisions of the Project Budget and the Disbursement Schedule. All funds disbursed to Borrower shall be received by Borrower in trust and Borrower agrees that such funds shall be used only for the payment of those items contemplated by the particular Advance.

5.5.4 Bank shall not be required to disburse an aggregate amount of the proceeds of the Borrower Loan for labor furnished to and materials incorporated into the Improvements during any stage of construction that exceeds the lesser of (a) the value of such labor and materials, and (b) the amount allocated to that stage of construction in the Project Budget. In any event, Bank shall not be required to disburse any amount that, in Bank's opinion, will reduce that portion of the undisbursed proceeds of the Borrower Loan designated for completion of the Improvements below the amount needed to pay for the labor and materials necessary to complete the Improvements.

5.5.5 Notwithstanding anything to the contrary contained herein, and except as provided in Sections 9.6(a) and 9.6(i) of the Funding Loan Agreement, disbursements of the Borrower Loan shall be made from the Project Fund held by the Fiscal Agent pursuant to the Funding Loan Agreement.

5.6 Disbursement into Borrower's Funds Account. Notwithstanding anything to the contrary contained in the Funding Loan Documents or the Borrower Loan Documents, if the Funding Loan has not been fully disbursed by December 1, 2022 and Conversion has not yet occurred, in the event the Bank determines that legislative, judicial or other developments have occurred or other circumstances have emerged which could result in interest on the Funding Loan not being excluded from gross income for federal income tax purposes due to any undisbursed portion of the Funding Loan (the "Remaining Undisbursed Funding Loan"), or otherwise determines that it is in the Bank's best interest to fully fund the Funding Loan in order to assure that interest on the Funding Loan will remain excluded from gross income for federal income tax purposes (each, a "Contingency Event"), then Bank may, in its discretion, upon five (5) days' written notice to Borrower, disburse all or any portion of the Remaining Undisbursed Funding Loan to the Fiscal Agent for deposit into the Project Fund established pursuant to the Funding Loan Agreement, at which time the proceeds so advanced shall constitute (i) an advance of the Funding Loan to the Governmental Lender, and (ii) an advance of the Borrower Loan by Governmental Lender to the Borrower, unless Bank receives an opinion of Tax Counsel to the effect that the draw of Funding Loan proceeds after the Contingency Event will not adversely affect the exclusion of interest on the Funding Loan Note from gross income for federal income tax purposes. The portion of the Borrower Loan disbursed into the Project Fund pursuant to this Section shall be deemed outstanding as of the date advanced into the Project Fund and will immediately commence to accrue interest as provided in Section 3.1.2. All funds disbursed into the Project Fund shall continue to be disbursed by Bank to pay Project costs pursuant to the provisions of the Funding Loan Agreement, this Section 5 and the Disbursement Schedule as if they were Advances of the Borrower Loan.

6. REPRESENTATIONS AND WARRANTIES OF BORROWER. Borrower makes the following representations and warranties for the benefit of Governmental Lender and Bank, each of which is material and is relied upon by Governmental Lender in making the Borrower Loan and Governmental Lender and Bank in executing this Agreement. Each of the following representations and warranties shall be true and accurate as of the Contract Date, the Closing Date and upon disbursement of the Initial Disbursement and each Advance. Funding Loan Documents will not result in any breach of or default under any deed of trust, mortgage, lease, loan, security agreement or any other agreement to which Borrower is a party or may be bound or affected.

6.3 No Actions. There are no actions, suits or proceedings pending or, to the best knowledge of Borrower, threatened against or affecting Borrower or the Property or involving the validity, priority or enforceability of the Deed of Trust or any other Borrower Loan Document or Funding Loan Documents or affecting Bank's right to receive payment in full of all amounts outstanding under this Agreement, the other Borrower Loan Documents or the Funding Loan Documents. Borrower is not in default with respect to any order, writ, injunction, decree or demand of any court or any Governmental Authority. There (a) is no completed, pending or threatened bankruptcy, reorganization, receivership, insolvency or like proceeding, whether voluntary or involuntary, affecting the Property, the Borrower, or any Loan Party, and (b) has been no assertion or exercise of jurisdiction over the Property, the Borrower or any Loan Party by any court empowered to exercise bankruptcy powers. Borrower is not presently under any cease or desist order or other orders of a similar nature, temporary or permanent, of any Governmental Authority that would have the effect of preventing or hindering performance of its duties under this Agreement, any other Borrower Loan Documents or any Funding Loan Documents, nor are there any proceedings presently in progress or to its knowledge contemplated that would, if successful, lead to the issuance of any such order.

6.4 Other Liens. Borrower has made no contract or arrangement of any kind, the performance of which by the other party thereto would give rise to a lien on the Property, except for its arrangements with the Architect, the Contractor or the subcontractors if there is no Contractor.

6.5 Leases. All Leases are in full force and effect, there are no defaults under any of the provisions thereof by any party thereto, and all conditions to the effectiveness or continuing effectiveness of the Leases required to be satisfied as of the date hereof have been satisfied.

6.10 Ownership of Personal Property. Borrower owns directly all of the Personal Property free and clear of all liens, encumbrances and adverse claims and the security interest of Bank in the Personal Property shall be a first lien thereon.

6.14 Roads. All roads necessary for the full use of the Improvements for their intended purposes have been completed or the necessary rights-of-way therefore have either been acquired by the applicable Governmental Authority or dedicated to public use and accepted by such Governmental Authority. All necessary steps have been taken by Borrower and such Governmental Authority to assure the complete construction thereof.

6.17 Draw Request. Each Draw Request shall be true, complete and accurate and the submission of same shall constitute a reaffirmation of the representations, warranties and covenants contained herein.

6.18 Other Information. No information, statement or report furnished in writing to Governmental Lender or Bank by Borrower, any Loan Party or any of their respective representatives in connection with this Agreement, the Funding Loan Documents or the other Borrower Loan Documents or the consummation of the transactions contemplated hereby and thereby (including, without limitation, any information furnished by Borrower in connection with the preparation of any materials related to the issuance, delivery or offering of the Funding Loan Note) contains any material misstatement of fact or omits to state a material fact necessary to make the statements contained therein, in the light of the circumstances under which they were made, not misleading; and the representations and warranties of Borrower and the statements, information and descriptions contained in Borrower's closing certificates, as of the Closing Date, are true, correct and complete, do not contain any untrue statement or misleading statement of a material fact, and do not omit to state a material fact required to be stated therein or necessary to make the certifications, representations, warranties, statements, information and descriptions contained therein, in the light of the circumstances under which they were made, not misleading; and the estimates and the assumptions contained herein and in any certificate of Borrower delivered as of the Closing Date are reasonable and based on the best information available to Borrower.

6.19 No Default. No event has occurred and no condition exists with respect to Borrower, any Loan Party or the Property that would constitute an Event of Default or with the giving of notice or passage of time, or both, if not cured would become an Event of Default.

All Leases will comply with all Governmental Requirements and the Regulatory Agreements. The Property meets the requirements of this Agreement, the Regulatory Agreements, the Act and the Code with respect to multifamily rental housing.

6.22 No Governmental Lender Relationships. To the best knowledge of Borrower, no member, officer, agent or employee of Governmental Lender has been or is in any manner interested, directly or indirectly, in that Person's own, name or in the name of any other Person, in the Funding Loan Note, the Funding Loan Documents, the Borrower Loan Documents, Borrower, any Loan Party or the Property, in any contract for property or materials to be furnished or used in connection with the Property, or in any aspect of the transactions contemplated by the Funding Loan Documents or the Borrower Loan Documents.

6.23 Authorizations and Consents. No authorization, consent, approval, order, registration declaration or withholding of objection on the part of or filing of or with any Governmental Authority not already obtained or made (or to the extent not yet obtained or made Borrower has no reason to believe that such authorizations, consents, approvals, orders, registrations or declarations will not be obtained or made in a timely fashion) is required for the execution and delivery or approval, as the case may be, of this Agreement, the Funding Loan Documents, the Borrower Loan Documents or any other documents contemplated by this Agreement, the Funding Loan Documents or the Borrower Loan Documents, or the performance of the terms and provisions hereof or thereof by the Borrower.

6.24 No Reliance. Borrower acknowledges, represents and warrants that it understands the nature and structure of the transactions relating to the financing of the Property; that it is familiar with the provisions of all of the documents and instruments relating to such financing to which it or Governmental Lender is a party or of which it is a beneficiary including, without limitation, the Funding Loan Agreement; that it understands the risks inherent in such transactions, including, without limitation, the risk of loss of the Property; and that it has not relied on the Governmental Lender or Bank for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by this Agreement, the Funding Loan Agreement or otherwise relied on Governmental Lender, Bank or Bank in any manner.

6.25 Environmental Matters. Borrower has not received any notice that it or the Property is not in compliance with all provisions of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"); the Resource Conservation and Recovery Act; the Superfund Amendments and Reauthorization Act of 1986; the Toxic Substances Control Act and all environmental laws of the State (collectively "Environmental Laws"), or with any rules, regulations and administrative orders of any Governmental Authority, or with any judgments, decrees or orders of any court of competent jurisdiction with respect thereto; and Borrower has not received any assessment, notice (primary or secondary) of liability or financial responsibility, and no notice of any action, claim or proceeding to determine such liability or responsibility, or the amount thereof, or to impose civil penalties with respect to a site listed on any federal or state listing of sites containing or believed to contain "hazardous materials" (as defined in the Environmental Laws), nor has Borrower received notification that any hazardous substances (as defined under CERCLA) that it has disposed of have been found in any site at which any governmental agency is conducting an investigation or other proceeding under any Environmental Law.

The weighted average maturity of the Funding Loan Note does not exceed 120% of the average reasonably expected economic life of the Property financed with the proceeds of the Borrower Loan. The Funding Loan Note is not and shall not be “federally guaranteed” as defined in Section 149(b) of the Code. Each and every covenant, condition and obligation contained in the Tax Credit Allocation Documents and the Subordinate Documents, the AHAP Contract and the HAP Contract (after the HAP Contract has been fully executed) required to be performed or satisfied as of the date hereof, and each and every matter required to be approved thereunder as of the date hereof, has been satisfied or approved, as applicable.

7.2 Borrower’s Funds. At the time and in amounts required by Bank, Borrower shall deposit Borrower’s Funds into the Borrower’s Funds Account. Should it appear at any time in Bank’s judgment that the sum of undisbursed proceeds of the Borrower Loan and the then balance of the Borrower’s Funds Account are insufficient to provide the financing for completion of the Improvements, Borrower shall pay to Bank, within ten days following receipt of written demand by Bank, an amount equal to such deficiency for deposit into the Borrower’s Funds Account.

7.3 Lien Priority. At Borrower’s sole cost and expense, Borrower shall maintain the Deed of Trust as a first lien on the Property.

7.4 Construction Start and Completion.

7.4.1 Borrower shall not commence construction of the Improvements, including, but not limited to, grading and site clearance, and shall not undertake any other act on the Real Property prior to recordation of the Deed of Trust, the result of which would cause any mechanics' or materialmen's lien thereafter filed to take priority over the lien of the Deed of Trust, unless prior arrangements satisfactory to both Bank and Title Insurer have been made.

7.4.2 Borrower shall cause construction of the Improvements to be commenced not more than thirty (30) days after the recordation of the Deed of Trust.

7.4.3 Borrower shall cause (a) the Improvements to be constructed in a good and workmanlike manner, with materials of high quality, and in accordance with the Plans, Governmental Requirements and sound building and engineering practices, (b) the construction of the Improvements to be prosecuted with diligence and continuity and completed in accordance with the Plans and to otherwise cause Project Completion to occur on or before the Completion Date, free and clear of liens or claims for liens, and (c) all licenses and permits necessary for the occupancy, use or sale of the Improvements to be issued. Borrower shall promptly commence and diligently proceed with the Project.

7.4.4 Borrower shall complete the construction of the Improvements on or before the Completion Date. 7.5 Change Orders.

7.5.1 Borrower shall not permit any change in the Plans without Bank's prior consent if any such change (a) constitutes a material change in material or equipment specifications, architectural or structural design, or the value or quality of the Improvements, or (b) would result in an increase or decrease in the cost of construction of the Improvements in excess of the Single Change Order Limit for any single change, or in excess of the Aggregate Change Order Limit for all changes.

7.5.2 Borrower shall submit any proposed change in the Plans to Bank not later than ten Business Days prior to the commencement of construction relating to such change.

7.5.3 Borrower shall deliver to Bank in connection with any proposed change requiring Bank's prior written consent (a) a written request therefor, together with working drawings and a written description of the proposed change, submitted on a change order form acceptable to Bank and executed by Borrower, Architect and Contractor, and (b) evidence satisfactory to Bank as to the cost and time necessary to complete the proposed change.

7.5.4 Prior to permitting any change in the Plans requiring Bank's consent, Borrower shall satisfy any condition of Bank's consent, including, but not limited to, depositing funds to cover any increased Construction Costs into the Borrower's Funds Account as required by Bank, which Bank is authorized to disburse in accordance with the Project Budget and the Disbursement Schedule for payment of such Change Orders upon completion of such changes to Bank's satisfaction.

7.6 Detailed Cost Breakdown. Borrower shall not modify the Project Budget or the Detailed Cost Breakdown without Bank's prior written consent, which consent may be conditioned upon, among other things, (a) Bank's receipt of evidence satisfactory to Bank that the change in the Project Budget or

the Detailed Cost Breakdown is reasonably necessary, and (b) Bank's confirmation that, in the opinion of Bank, sufficient funds remain in the undisbursed proceeds of the Borrower Loan (and in the Borrower's Funds Account, if any) to pay for all remaining direct or indirect costs to complete construction of the Improvements.

7.7 Contractor Covenants. Borrower shall (a) require from the Contractor (i) covenants similar to the covenants made by Borrower in Sections 7.3, 7.4 and 7.5, and (ii) a covenant that Contractor will, upon request, deliver to Bank the names of all Persons with whom Contractor has contracted or intends to contract for construction of the Improvements or for furnishing of labor or materials therefore; and (b) cause the Contractor (or if no Contractor, the subcontractors) to cooperate with Bank.

7.8 Construction Contract Only. Borrower shall not execute any contract or become party to any arrangement for the performance of work on the Real Property with any Person except Contractor, and if there is no Contractor, Borrower shall contract only with major subcontractors approved by Bank for the performance of work on the Real Property.

7.9 Paid Vouchers. Borrower shall deliver to Bank, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which Borrower claims title to any materials, fixtures or articles incorporated in the Improvements.

7.10 Application of Disbursements. Borrower shall receive the disbursements to be made hereunder in trust, strictly for the purpose of paying the costs identified in the request for such disbursement.

7.11 Foundation Completion. Borrower shall notify Bank immediately upon completion of the foundation of the Improvements and, if required by Bank, deliver to Bank, promptly after completion of the foundation, a foundation survey in form satisfactory to Bank and Title Insurer.

7.12 Personal Property Installation. Without Bank's written consent, Borrower shall not install materials, personal property, equipment, or fixtures subject to any security agreement or other agreement or contract giving any Person other than Borrower any right or title to such property.

7.13 Defect Corrections. Upon demand of Bank, Borrower shall correct any defect in the Improvements or any departure from the Plans not approved by Bank.

7.14 Stop Notices; Mechanic's Liens. If (a) a bonded stop notice is received by Bank that Bank believes requires the withholding of funds from any Advance or from any disbursement of proceeds from the Borrower's Funds Account, or (b) a mechanics' lien, material supplier's lien or other construction lien is recorded against the Real Property, then Borrower shall within 20 days of such receipt or recordation or within five days of Bank's demand (whichever first occurs):

7.14.1 pay and discharge same;

7.14.2 effect the release of same by recording a surety bond in sufficient form and amount issued by a surety acceptable to Bank; or

7.14.3 provide Bank with such other assurance as Bank, in its sole discretion, deems to be satisfactory for the payment of, and protection of Bank from, such lien or bonded stop notice.

7.15 Record Keeping, Financial and Other Information. Borrower shall keep and maintain full and complete books of account and other records reflecting the results of operations of the Property in accordance with accounting practices and principles acceptable to Bank and consistently applied, and shall furnish or cause to be furnished to Bank such financial information concerning Borrower, each Loan Party and the Property as Bank may require, including but not limited to:

7.15.1 within sixty (60) days after the close of each quarter, except for the final quarter of each year, Borrower's and Guarantor's Financial Statement as of the close of such period,

7.15.5 within thirty (30) days after the end of each year, a projected cash flow statement for the next succeeding calendar year for Guarantor, and

7.15.6 promptly, upon request, any other financial information requested by Governmental Lender and Bank.

7.16 Post-Construction Financial Reporting. Upon completion of construction of the Improvements, Borrower shall furnish to Bank, without prior request or demand:

7.16.1 Within thirty (30) days after the close of each calendar month prior to Conversion and, thereafter within thirty (30) days of written request by Bank, a monthly or quarterly (as applicable) Operating Statement, a current rent roll and, if retail property, a schedule of gross sales; and

7.16.2 Within thirty (30) days of written request by Bank, an annual Operating Statement for the preceding operating year for the Property; provided that Borrower shall not be obligated to deliver such annual Operating Statement earlier than one hundred twenty (120) days after the close of the preceding operating year.

7.17 Audit and Inspection Rights. Borrower shall permit any representative of Governmental Lender or Bank, at any reasonable time, to inspect, audit and examine and copy the books and records of Borrower and each Loan Party. Bank shall have the right to obtain new appraisals or update existing appraisals at any time while the Borrower Loan or any portion thereof remains outstanding. Borrower agrees to cooperate with Bank and the appraiser (and use best efforts to cause the tenants on the Project to cooperate with Bank and the appraiser) in permitting access to the Property and in obtaining operating and other relevant information on the Property. Following an Event of Default hereunder or in the case of a request to transfer the Property pursuant to the Deed of Trust, Borrower shall pay all appraisal fees and related expenses incurred by Bank in obtaining such appraisal reports.

7.18 Dividends, Distributions. Following the occurrence and during the continuance of an Event of Default, Borrower shall not (a) make any distribution either in cash, stock or any other property, (b) redeem, retire, repurchase or otherwise acquire any shares or interest in Borrower, or (c) repay any outstanding indebtedness or other advance to any shareholder, partner, member or, if a trust, any trustor or beneficiary of Borrower.

7.20 Payment of Costs. Borrower shall pay all costs and expenses incurred by Bank in connection with the enforcement by Bank of any of Borrower's obligations under this Agreement or the

Borrower's request for approval of any prospective easement or private or public dedication shall be accompanied by a drawing or survey showing the precise location of such prospective easement or private or public dedication. Borrower's request for approval of any prospective declaration of covenants, conditions and restrictions shall be accompanied by a description of the property affected thereby.

7.22 Compliance with Laws; Preservation of Rights. Borrower shall comply promptly with all Governmental Requirements, and shall obtain, preserve and maintain in good standing, as applicable, all rights, privileges and franchises necessary or desirable for the operation of the Property and the conduct of Borrower's business thereon and therefrom. If payment of the indebtedness secured by the Deed of Trust or any of the other Security Documents is to be insured or guaranteed by any governmental agency, Borrower shall comply with all rules, regulations, requirements and statutes relating thereto or provided in any commitment issued by any such agency to insure or guarantee payment of such indebtedness.

7.23.3 any notice that the Improvements or construction thereof, the Property or Borrower's business fails in any respect to comply with any applicable Governmental Requirement.

7.24 Indemnity.

7.24.1 Except to the extent solely due to Bank's gross negligence or willful misconduct and the Governmental Lender's willful misconduct, Borrower shall indemnify, defend and hold each of the Indemnified Parties harmless from and against any and all liabilities, claims, actions, proceedings, damages, costs and expenses (including all attorney's fees, including, but not limited to, the fees and costs of any of such party's in-house counsel and legal staff) arising out of or resulting from:

(a) The Borrower Loan, the Borrower Loan Documents, the Funding Loan Documents, the Ground Lease, the Regulatory Agreements, the Subordinate Documents, the AHAP Contract, the HAP Contract or the execution or amendment or performance thereof or in connection with the transactions contemplated therein, including the issuance, sale and/or resale of the Funding Loan Note.

(b) Any finder's fee, brokerage commission, loan commission or other sum in connection with the consummation of the transactions contemplated hereby.

(c) The development of the Property, construction of the Improvements or the ownership, operation or use of the Property

(d) Any declaration of taxability of interest on the Funding Loan Note, or allegations (or regulatory inquiry) that interest on the Funding Loan Note is taxable, for federal tax purposes.

(e) The issuance any Set Aside Letter, whether such matters are based on theories of derivative liability, comparative negligence or otherwise, at Borrower's own cost and with counsel approved by Bank, unless Bank elects to conduct its own defense at the expense of Borrower.

(f) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof.

(g) Any lien or charge upon payments by the Borrower to the Governmental Lender and/or the Bank hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Governmental Lender in respect of any portion of the Project.

(h) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof.

(i) The defeasance and/or redemption, in whole or in part, of the Funding Loan Note.

(k) The Bank's acceptance or administration of the Funding Loan Agreement, or the exercise or performance of any of its powers or duties as Bank thereunder or under any of the documents relating to the Funding Loan Note to which it is a party.

7.24.2 The liability of Borrower under this indemnity shall not be limited or impaired in any way by (a) the release, reconveyance, foreclosure or other termination of the Deed of Trust, the payment in full of the Borrower Loan, any bankruptcy or other bankruptcy proceeding, or any other event whatsoever; (b) any provision in the Borrower Loan Documents or the Funding Loan Documents or applicable law limiting Borrower's liability or any Indemnified Party's recourse or rights to a deficiency judgment; or (c) any change, extension, release, inaccuracy, breach or failure to perform by any party under the Borrower Loan Documents or the Funding Loan Documents. Borrower's liability hereunder is direct and primary and not secondary as a guarantor or surety.

7.24.3 This indemnity is not intended to give rise to, and shall not give rise to, a right of Bank to claim payment of the principal and accrued interest with respect to the Borrower Loan as a result of an claim under this Section 7.24.

7.24.4 In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, Borrower, upon written notice from such Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel

selected by such Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that such Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of Borrower if, in the judgment of such Indemnified Party, a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

7.24.5 Notwithstanding any transfer of the Property to another owner in accordance with the provisions of this Agreement, Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 7.24 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless such Indemnified Party has consented to such transfer and to the assignment of the rights and obligations of Borrower hereunder.

7.24.6 The rights of any persons to indemnity hereunder and to payment of fees and reimbursement of expenses pursuant to this Agreement shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan Note and, in the case of Bank, any resignation. The provisions of this Section 7.24 shall survive the termination of this Agreement.

7.25 Performance of Acts. Upon request by Bank, Borrower shall perform all acts that may be necessary or advisable to perfect any lien or security interest provided for in the Borrower Loan Documents or the Funding Loan Documents to carry out the intent of the Borrower Loan Documents or the Funding Loan Documents.

7.26 Notice of Change. Borrower shall give Bank prior written notice of any change in the location of Borrower's place of business (or Borrower's chief executive office if Borrower has more than one place of business) or Borrower's name, business structure or place of incorporation or other formation, and, unless otherwise approved by Bank in writing, Borrower shall maintain all tangible Personal Property (other than the books and records) at the Real Property and all books and records at Borrower's place of business (or chief executive office if Borrower has more than one place of business).

7.27 Tax Certificate. Borrower shall timely comply with all of its obligations under the Tax Certificate (which Tax Certificate is hereby incorporated herein as fully as if set forth at length herein).

7.28 Funding Loan Documents. Borrower shall timely perform its obligations under the Funding Loan Documents.

7.29 Regulatory Agreements. Borrower hereby covenants and agrees (a) to comply with all provisions of the Regulatory Agreements; to advise Bank and Governmental Lender in writing promptly upon learning of any default with respect to the covenants, obligations and agreements of Borrower set forth in the Regulatory Agreements; (b) upon written direction by Governmental Lender, to cooperate fully and promptly with Governmental Lender in enforcing the terms and provisions of the Tax-Exempt Regulatory Agreement; and (c) to file in accordance with the time limits established by the Regulatory Agreements all reports and certificates required thereunder, and the Certification to the Secretary of the Treasury required by the Tax-Exempt Regulatory Agreement. Neither Governmental Lender nor Bank shall incur any liability in the event of any breach or violation of any of the Regulatory Agreements by Borrower, and Borrower agrees to indemnify the Indemnified Parties from any claim or liability for any such breach under the Regulatory Agreements.

7.30 Prohibited Activities. Without Bank's prior written consent Borrower shall not:

7.30.1 Engage in any business activities substantially different from Borrower's present business or liquidate or dissolve Borrower's business;

7.30.2 Suffer or permit any liens or encumbrances to be placed on the Property other than the Permitted Liens.

7.30.3 Borrower shall not merge or consolidate with or into, or enter into any partnership, joint venture, syndicate or similar business arrangement with, any Person or convey, transfer, lease or otherwise dispose of (whether in one transaction or in a series of transactions) all or substantially all of its assets (whether now owned or hereafter acquired) to or in favor of any Person.

7.30.4 Transfer any interest in the Property (other than the lease of residential units within the Property for a term of one-year or less and otherwise in compliance with the Ground Lease, the Regulatory Agreements and dispositions of Personal Property expressly permitted by the Borrower Loan Documents) without the prior written consent of Bank, which consent may be withheld in Bank's absolute discretion. In connection with the foregoing consent requirements, Borrower acknowledges that Bank relied upon Borrower's particular expertise in entering into this Agreement and continues to rely on such expertise to ensure the satisfactory completion and operation of the Property. Transfers requiring Bank's prior written consent shall include, without limitation, (a) involuntary transfers and transfers by operation of law; (b) liens and assignments as security for obligations, whether voluntary or involuntary; and (c) except as otherwise expressly permitted by the terms of the Deed of Trust, the issuance, sale, assignment, disposition, encumbering or other transfer of any direct or indirect ownership interest in Borrower, any Loan Party or any general partner, member or shareholder of any Loan Party, whether voluntary or involuntary, by operation of law or otherwise. No sale, lease or other transfer shall relieve Borrower from primary liability for its obligations under the Borrower Loan Documents or the Funding Loan Documents, and Borrower shall deliver to Bank all documents reasonably required by Governmental Lender to evidence its continuing liability. No consent by Bank in connection with any Transfer shall constitute (x) a consent by Governmental Lender under the Tax-Exempt Regulatory Agreement to any sale, assignment, encumbrance, transfer or other disposition of all or any part of the Property, or any direct or indirect interest therein, or (y) a waiver by Governmental Lender of any term or condition of the Tax-Exempt Regulatory Agreement. Notwithstanding the foregoing, (i) Tax Credit Investor may transfer its limited partnership interests in Borrower to any limited partnership or limited liability company in which Tax Credit Investor or an affiliate thereof is the general partner or managing member, (ii) the transfer of limited partnership interests or non-managing membership interest in Tax Credit Investor shall not constitute a "transfer" hereunder, (iii) subject to Bank's consent, which shall not be unreasonably withheld, Tax Credit Investor may remove and replace the General Partner in accordance with the Partnership Agreement following a default by the General Partner thereunder; and (iv) General Partner may pledge its general partnership interest in Borrower to the Tax Credit Investor, provided that such pledge shall be subject and subordinate to General Partner's pledge to Bank pursuant to the Assignment of Partnership Interest (GP).

7.30.5 Amend or modify in any material respect any organizational documents pertaining to Borrower or any Loan Party. Notwithstanding the foregoing, Borrower may modify its partnership agreement solely to reflect a permitted transfer described herein provided, (a) no additional changes are made thereto, and (b) copies of any such modifications are provided to Bank within ten (10) days of execution.

7.30.6 Cause or otherwise consent to the formation of any community facilities district that includes the Property or any part of the Property pursuant to the Mello-Roos Community Facilities Act of 1982, any assessment district that includes the Property or any part of the Property pursuant to the Municipal Improvement Act of 1913, or any other comparable or similar district, area or territory that includes the Property or any part of the Property pursuant to any Law, or cause or otherwise consent to the levying of special taxes by any community facilities district against the Property or any part thereof, the levying of assessments by any such assessment district against the Property or any part thereof, or the levying of assessments, taxes and/or other impositions by any such district, area or territory.

7.30.7 Enter into any new Funding Loan Documents or Subordinate Documents, or amend, modify, supplement, cancel or terminate any Funding Loan Documents, Subordinate Documents, the AHAP Contract or the HAP Contract.

7.30.8 Take, or omit to take, any action that, if taken or omitted, would jeopardize or adversely affect the tax-exempt status of the interest payable on the Funding Loan Note.

7.30.9 Accept any deed or other restriction or enter into any regulatory or other similar agreement regulating or restricting the use or operation of the Property or restricting the tenant income and/or rent levels for the Property in connection with the allocation to the Property of federal low-income housing tax credits or otherwise.

7.31 Set Aside Letters. In the event Bank issues, at Borrower's request, any Set Aside Letter, Borrower represents, warrants and agrees as follows:

7.31.1 The sum that Borrower requests Bank to allocate for Bonded Work shall be sufficient to pay for the costs of construction and completion of the Bonded Work in accordance with any agreement between Borrower and the Governmental Authority and a copy of such agreement shall be furnished to Bank by Borrower as a condition precedent to the issuance by Bank of any Set Aside Letter;

7.31.2 Bank is irrevocably and unconditionally authorized to disburse to the Governmental Authority or Surety all or any portion of proceeds of the Borrower Loan upon a demand of the Governmental Authority or Surety made in accordance with the terms and conditions of the Set Aside Letter;

7.31.3 Any disbursement or payments that Bank makes or may be obligated to make under any Set Aside Letter, whether made directly to the Governmental Authority, Surety, or to others for completion of all or part of the Bonded Work, shall be deemed an Advance to or for the benefit of Borrower; and

7.31.4 Bank shall have no obligation to release any security under the Borrower Loan Documents unless and until Bank has received a full and final written release of its obligations under each Set Aside Letter.

7.31.5 The fee for issuing each Set Aside Letter hereunder shall be determined when each Set Aside Letter is issued by Bank.

7.32 Management of Property. Borrower shall not enter into any agreement providing for the management or operation of the Real Property or the Improvements without the prior written consent of Bank.

7.33 Leases.

7.33.1 Negative Covenants. In addition to the provisions of the Deed of Trust, and regardless of whether or not Bank's prior written approval is required, Borrower shall not, without Bank's prior written consent: (a) grant to any tenant any right or option to purchase the Property or any portion thereof, or any other present or future interest in any portion of the Property other than the right to use and occupy the leased premises, (b) grant to any tenant the right to terminate its lease if the lease of one or more other tenant is terminated, or (c) accept payment of rent from any tenant in any form other than cash or cash equivalent.

7.33.2 Affirmative Covenants. In addition to the provisions of the Deed of Trust, Borrower shall (a) document all Leases covering any portion of the Property or the Improvements on a standard lease form approved by Bank (with no material change), (b) not enter into any lease for any Unit with a potential tenant unless such lease is an Acceptable Unit Lease and the rent charged thereunder complies with the Subordinate Documents, the Ground Lease, all Regulatory Agreements and is consistent with the rent proforma submitted by Borrower and approved by Bank (c) enter into Leases only with bona fide third party tenants in an arm's length transaction at the then current rates for comparable space in accordance with the Rent Restrictions and on such other terms and conditions as are reasonably acceptable to Bank, (d) whether or not Bank's prior written approval is required, deliver to Bank, within ten

days of written request, all Leases (together with all financial information obtained by Borrower regarding the tenant) and all modifications, amendments and consents to assignment or subletting of existing Leases, and (e) upon Bank's request, promptly notify Bank in writing of (i) the termination, abandonment, or surrender of any Lease, and (ii) claims of any breach of any of Borrower's obligations as landlord under any Lease.

7.34 Compliance. Upon the request of Bank from time to time and at any time certification of the matters set forth below is provided to Governmental Lender or any Governmental Authority, Borrower shall promptly provide to Bank the following:

7.34.1 Borrower's certification of the Property's compliance with the rules qualifying the interest payable on the Funding Loan Note for federal tax exemption pursuant to Section 142(d) of the Code and the regulations issued under Section 142(d) and the requirements of the Regulatory Agreements;

7.34.2 Property has received or receives a tax credit allocation, Borrower's certification of the Property's compliance with the requirements of Section 42 of the Code and the regulations issued under Section 42 and if the tax credits have not yet been syndicated, Borrower's report regarding progress in syndicating the tax credit allocation until the syndication is completed; and

7.34.3 Such other documents, certificates and other information as may be deemed necessary or appropriate to enable Bank to perform the functions under this Agreement or the Funding Loan Agreement.

7.35 Property Reserves. Borrower shall establish and maintain such operating, capital improvement and/or tenant improvement for the Property as required by Bank, and Borrower hereby grants to Bank a security interest in all such reserves. Borrower agrees to execute such supplemental security documentation as Bank may request confirming such security interest.

7.36 HCD Loan Agreement. Prior to the Conversion Date, Borrower shall comply with all conditions of the HCD Loan Agreement, and shall execute all documents necessary to close the HCD Loan.

7.37 Establishment of Capital Improvement Reserve Account.

7.37.1 Concurrently with the Conversion and as a condition precedent thereto, Borrower shall: (i) establish with Bank the Capital Improvement Reserve Account and Borrower shall execute such documents as are necessary to evidence same and to create and perfect in favor of Bank a security interest therein for the purpose of paying for any capital improvements which are necessary for the continued operation of the Property and which capital improvements are approved by Bank, which approval will not be unreasonably withheld ("Capital Improvements"); and (ii) commencing after the Conversion Date, on the first day of the month in which Borrower is required to make its first principal and interest payment under the Borrower Note, and continuing on the first day of every month thereafter, deposit or cause to be deposited into the Capital Improvement Reserve Account an amount equal to no less than \$2,959 each month.

7.37.2 Borrower shall be entitled to withdraw funds from the Capital Improvement Reserve Account in excess of \$10,000 from time to time (but no more often than once every thirty (30) days and in an amount of no less than \$1,000 for each such withdrawal) to cover Capital Improvements, but only upon ten (10) days prior written notice from Borrower to Bank requesting to withdraw such funds and only so long as no Event of Default exists and no event has occurred that, with the giving of notice or the passage of time, or both, would constitute an Event of Default. Said written request shall set forth the amount of funds Borrower wishes to withdraw from the Capital Improvement Reserve Account, shall set forth with specificity those Capital Improvements for which the funds are to be used and shall be accompanied by copies of invoices or other evidence satisfactory to Bank confirming the cost of such Capital Improvements. Bank may also condition the withdrawal of funds in excess of \$10,000 from the Capital Improvement Reserve Account upon delivery by Borrower of such contractor's affidavits, owner's sworn statements,

partial and final waivers of lien and other additional documentation Bank may require to insure that the Capital Improvements have been completed free and clear of any claims of lien, and in a good and workmanlike manner and otherwise in accordance with all applicable legal requirements. The disbursement of funds withdrawn from the Capital Improvements Reserve Account may be made, in Bank's discretion, either directly to the parties entitled thereto or to Borrower to pay the same. If such funds are disbursed directly to Borrower, Borrower shall provide Bank with evidence of the payment of the cost of the Capital Improvements within ten (10) days after the date such funds are withdrawn from the Capital Improvement Reserve Account.

7.37.3 Borrower shall diligently pursue completion of all Capital Improvements upon the commencement of the same. All Capital Improvements shall be made in a good and workmanlike manner and shall be completed free and clear of any mechanic's or materialman's liens and encumbrances. Borrower shall pay all costs necessary for completion of all Capital Improvements without regard to the sufficiency of the funds in the Capital Improvement Reserve Account. Borrower shall not commence construction of any Capital Improvement or other work prior to obtaining a building permit and all other governmental authorizations required with respect thereto, which Borrower shall provide to Bank upon request. Once any construction work has commenced, Borrower shall cause same to be completed in accordance with the plans and specifications therefor and in compliance with all restrictive covenants applicable thereto, free and clear of liens or claims for liens, and shall correct all defects therein. No disbursement of funds from the Capital Improvement Reserve Account shall constitute a waiver of Bank's right to require compliance with the foregoing covenants.

Borrower shall not make its election (electing whether the first year of the ten (10) year "credit period" shall commence in the year the Project is placed in service or the following year) under Section 42(f) of the Code without first obtaining Bank's prior written consent to Borrower's election, which consent shall not be unreasonably withheld or delayed.

7.41 Compliance with Subordinate Documents, Regulatory Agreements, AHAP Contract and HAP Contract. Borrower shall observe and comply with all of the terms and conditions set forth in the Subordinate Documents, all Regulatory Agreements, the AHAP Contract and the HAP Contract (after the HAP Contract has been fully executed).

7.42 Payment of Development Fee. Borrower shall not pay Developer more than (i) \$335,154 of its development fee prior to the Closing Date, and (ii) \$2,781,383 of its development fee in the aggregate prior to the Conversion Date.

Borrower shall cause General Partner to maintain its status as an "eligible limited liability company" (as such term is used in Section 214(g) of the R&T Code) and take all actions and provide such certifications as may be necessary from time to time so that the Project shall be exempt from the payment of real property taxes in accordance with the provisions of Section 214(g) of the R&T Code.

7.45 Draws Under Subordinate Loans and Disbursement of Borrower's Funds. Borrower shall request and receive disbursements of the entire amount of the Subordinate Loans (other than the HCD Loan) prior to requesting disbursements of Borrower's Funds.

7.48 Progress Reports and Annual Project Status Reports; Allocation Committee Notices. Borrower shall promptly deliver to Bank copies of all "Progress Reports" all "Annual Project Status Reports" and all other reports delivered by Borrower to the Allocation Committee or Subordinate Lender from time to time including, without limitation, those reports required by the terms and conditions of the Qualified Allocation Plan or as otherwise required under the terms of the Tax Credit Allocation Documents; such reports shall be delivered to Bank concurrently with the delivery of the same to the Allocation Committee. Borrower shall promptly deliver to Bank copies of all notices and/or correspondence it receives from time to time from the Allocation Committee to the extent the same relate to the allocation of Tax Credits as evidenced by the Carryover Allocation.

7.49 Hedge.

7.49.1 As a condition precedent to making the Borrower Loan, the Borrower shall enter into one or more interest rate caps, collars, swaps, swaptions, forward swaps or similar transactions designed to protect against fluctuations in the interest rate of Borrower Note commencing no later than the Initial Outside Conversion Date, or if Borrower elects to extend the Initial Outside Conversion Date pursuant to Section 2.6 above, the First Extended Outside Conversion Date, and expiring no earlier than the Maturity Date, or if Borrower elects to extend the First Extended Outside Conversion Date pursuant to Section 2.7 above, the Second Extended Outside Conversion Date, and expiring no earlier than the Maturity Date, with a counterparty acceptable to Bank (which counterparty may, but is not required to be, Bank) (together, as modified from time to time, the "Hedge"). The notional amount of the Hedge must be the outstanding principal amount of the Borrower Note as of the Outside Conversion Date or, if later, the effective date of the Hedge. The Hedge shall provide for a fixed rate of interest not to exceed (or otherwise protect against the interest rate on the Borrower Note) [CHECK]% (inclusive of the Margin). The cost of the Hedge must be paid in full on its effective date. The identity of the counterparty and the form and substance of the documents and agreements evidencing, securing, guarantying or otherwise governing the Hedge, including, without limitation, any ISDA Master Agreement and Schedule thereto, and any confirmations evidencing the Hedge (together, the "Hedge Documents"), shall be acceptable to Bank in the Bank's sole discretion. In no event shall the counterparty have a rating by a national rating agency which is less than the rating assigned by such rating agency to Bank. No Hedge Document shall be secured by the Project unless expressly consented to in writing by Bank, which consent may be withheld in Bank's sole discretion.

7.49.2 On the Closing Date, the Borrower shall acquire a Hedge complying with the requirements of this Section 7.48 and Section 4.1.17. As a condition to the extension of the Initial Outside Conversion Date in accordance with Section 2.6 above, the Hedge shall comply with the requirements of this Section 7.48 and Section 2.6.9. As a condition to the extension of the First Outside Conversion Date in accordance with Section 2.7 above, the Hedge shall comply with the requirements of this Section 7.48 and Section 2.7.9. As a condition to the Conversion, the Hedge shall comply with the requirements of this Section 7.48 and Section (u) of Exhibit D.

7.49.3 The Borrower shall timely perform all of its obligations under the Hedge Document in accordance with its terms, including payment of all breakage and termination fees due under the applicable Hedge Documents. Unless Bank is the counterparty, the Borrower may not exercise any right or remedy under any Hedge Document without the Bank's prior written consent and shall exercise its rights and remedies under the Hedge Documents as directed by the Bank in writing.

7.49.4 So long as the Borrower is required to maintain a Hedge, the Borrower shall not terminate, transfer or consent to any termination or transfer of the Hedge without the Bank's prior written consent, which consent may be withheld in Bank's sole discretion. No Hedge shall be terminated for any reason unless Borrower enters into a new Hedge complying with the requirements of this Section 7.48; provided, that no Hedge undertaken with Bank may be terminated, terminated and replaced or transferred by the Borrower without the consent of Bank, which consent may be withheld by Bank in its sole discretion. Each replacement Hedge must have a term which commences no later than the later of the Outside Conversion Date or the termination date of the preceding Hedge. If Borrower desires to transfer or terminate a Hedge, Borrower shall provide Bank for Bank's approval written notice thereof at least forty-five (45) days prior to termination of the existing Hedge, together with a description of the terms proposed for the replacement Hedge and the identity of the financial institutions who will bid to be the counterparty on the replacement Hedge. In addition, the Borrower shall provide the Bank for Bank's approval the identity of the counterparty and copies of the proposed replacement Hedge Documents at least fourteen (14) business days prior to the termination of the existing Hedge; provided, however, that if a Hedge unexpectedly and unavoidably terminates on a date other than its scheduled expiration date, the Borrower shall, within fourteen (14) business days of such termination, obtain a new Hedge satisfying the requirements of this Section 7.48; provided that if such terminated Hedge is one provided by Bank, Bank shall be under no obligation to permit such replacement Hedge to be entered into or to forbear from exercising its creditor remedies during such time.

7.49.5 If Bank is not (or is no longer) the counterparty to the Hedge, the Borrower shall assign each Hedge in effect from time to time to Governmental Lender and Bank pursuant to an assignment of hedge ("Assignment of Hedge") in a form and content acceptable to Bank in its sole discretion. The Assignment of Hedge must be entered into on or before the effective date of the Hedge. The Hedge Documents and the Assignment of Hedge shall direct the counterparty to make any payments on the Hedge directly to Bank to be applied by Bank to payments due under the Borrower Loan, provided that after the occurrence of an Event of Default, Bank may apply such payments as may determine in its discretion.

7.50 Compliance with the AHAP Contract and HAP Contract. Borrower hereby agrees to observe and comply with all provisions of the AHAP Contract and the HAP Contract. Borrower shall advise Bank in writing promptly upon learning of any default with respect to the AHAP Contract and the HAP Contract.

7.51 Funding of HCD Loan. Upon funding (partial or full) of the HCD Loan, Borrower shall promptly deliver to Bank the net proceeds of such loan funding to pay down the outstanding balance of the Borrower Loan.

7.52 Reserve Accounts. Borrower hereby agrees to maintain all Bank accounts, including any reserve accounts, with the Bank.

7.53 Environmental Remediation. Borrower shall comply at all times with all remediation plans listed on Exhibit C to the ECA.

8. EVENTS OF DEFAULT. The occurrence of any one or more of the following events shall constitute an "Event of Default" hereunder and at Bank's option, exercisable in its sole discretion, shall terminate any obligation of Bank to make any Advance or disbursement of Borrower's Funds. Upon the occurrence of an Event of Default, Bank shall also have the option, exercisable in its sole discretion, to declare the Borrower Loan immediately due and payable, without notice of default, presentment or demand for payment, protest or notice of nonpayment or dishonor, or other notices or demand of any kind or character; provided,

however, upon the occurrence of any Event of Default that, under the terms of any Borrower Loan Document or Funding Loan Document results in the Borrower Loan becoming automatically due and payable, such occurrence shall result in automatic acceleration of payments of all principal and interest due under the Borrower Loan:

8.1 Borrower fails to (a) pay when due any sums payable under any Borrower Loan Document or Funding Loan Document after giving effect to any express curative provisions (if any) provided herein or therein and, in the case of payments other than principal or interest, in the event that there is no curative provision, within ten (10) days after when due, or (b) deposit with Bank within ten (10) days of when due any of Borrower's Funds as and when required under this Agreement.

8.2 Borrower has breached, or defaulted under, any term, condition or provision contained in (a) any Borrower Loan Document that is not specifically referred to in this Section 8, and such breach or default continues uncured after any applicable notice and cure periods (or, if no notice or cure period is stated, continues uncured for more than thirty (30) days after notice), provided, however, that if such breach cannot reasonably be cured within the applicable cure period, no Event of Default shall be deemed to have been committed hereunder if Borrower commences to cure such breach within the applicable cure period and thereafter diligently prosecutes such cure to completion, provided that, in all events, the cure of such default shall be completed to the satisfaction of Bank not later than sixty (60) days in the aggregate from the date of such default, (b) the Tax-Exempt Regulatory Agreement or other Funding Loan Document, or (c) the Ground Lease.

8.3 Borrower or Contractor does not (a) commence construction of the Improvements within the time period required in this Agreement, (b) proceed diligently and continuously with the construction of the Improvements, or the construction of the Improvements is otherwise discontinued for a period of ten (10) consecutive Business Days or more, for any reason other than Force Majeure, or (c) complete the construction of the Improvements and cause the issuance of all licenses and permits necessary for the occupancy and use of the Improvements, on or before the Completion Date.

8.4 Any representation or warranty by Borrower or any Loan Party made hereunder or under any other Borrower Loan Document proves to be materially false or misleading.

8.5 Any person obtains an order or decree in any court of competent jurisdiction prohibiting the construction of the Improvements or Borrower or Governmental Lender and Bank from performing this Agreement, and such order or decree is not vacated within ten days after the granting thereof.

8.6 Borrower neglects, fails or refuses to keep in full force and effect any permit or approval with respect to the construction of the Improvements or the use and occupancy thereof and such failure continues for thirty (30) days after Borrower obtains actual knowledge thereof.

8.7 Any bonded notice to withhold in connection with the Borrower Loan is validly served on Governmental Lender or Bank and within five days of the receipt of such service (a) is not discharged, or (b) if the amount claimed is disputed in good faith by Borrower or Contractor, an appropriate counter bond or equivalent acceptable to Bank is not provided to Bank.

8.8 The imposition, voluntary or involuntary, of any lien or encumbrance upon the Property without Bank's written consent, unless an adequate counter bond is provided and such lien is accordingly released within ten (10) days of the imposition of such lien.

8.9 Bank fails to have an enforceable first lien on or security interest in any property given as security for the Borrower Loan, except as permitted by Bank in writing.

8.10 An event or condition occurs or arises that materially impairs Borrower's intended use of the Property and such condition is not remedied within thirty (30) days.

8.11 Borrower neglects, fails or refuses to keep in force and effect any insurance coverage required by Bank.

8.12 Any Funding Loan Document is amended, modified or terminated without Bank's prior written consent.

8.13 Interest on the Funding Loan Note is no longer excludable from the gross income of the holder thereof for federal income tax purposes.

8.14 Borrower modifies, amends or terminates, or otherwise fails to consummate the closing of, the HCD Loan or the AHP Loan, or takes any action that might or does result in modification, amendment, termination or expiration of the HCD Loan Agreement or the AHP Documents without Bank's written consent.

8.15 The occurrence of an event of default by Borrower under the Subordinate Documents, the AHAP Contract, the HAP Contract (after the HAP Contract has been fully executed, or Regulatory Agreement(s) (following the expiration of any curative periods set forth therein).

8.16 The Subordinate Documents, the AHAP Contract, the HAP Contract (after the HAP Contract has been fully executed), or the Regulatory Agreement(s) are modified, amended or terminated without the prior written consent of Bank, except for modifications or amendments of the AHAP Contract or HAP Contract that only have the effect of extending the term of the AHAP Contract or HAP Contract.

8.17 The failure of Borrower to comply with any of the terms and conditions of the Tax Credit Allocation Documents, the failure of Borrower to cause Project Completion to occur on or before the Completion Date, or the failure of Borrower to comply with any of the monitoring or reporting requirements set forth in the Qualified Allocation Plan.

8.18 The determination by Bank (in Bank's reasonable opinion) at any time that (i) paragraph (1) of Section 42(h) of the Code will apply to the allocation of the Tax Credits or (ii) Project Completion will not occur on or before the Completion Date.

8.19 The maximum amount of Tax Credits reserved by the Allocation Committee under the Preliminary Reservation is reduced by the Allocation Committee which results in a reduction of the Tax Credit Investor's capital contributions to Borrower which, together with other financing or equity investment permitted under the Borrower Loan Documents, would prevent Borrower from making the full Paydown Amount on or before the Outside Conversion Date, as determined by Bank in its sole discretion.

8.20 Borrower shall fail to obtain the Hedge in accordance with the terms and provisions of Section 7.48. Borrower shall fail to perform any of its obligations under any agreement relating to any Hedge or Hedge Documents following the expiration of any applicable curative provision.

8.21 Borrower fails to satisfy the conditions to Conversion in accordance with Section 3.2 above on or before the Outside Conversion Date.

8.22 Borrower modifies, amends or terminates the Ground Lease without the prior written consent of the Bank.

The Tax Credit Investor shall have the right to cure any default by Borrower hereunder within the time periods (if any) set forth herein for such cure and Bank agrees to accept such cure as if cured by Borrower.

9. REMEDIES. If an Event of Default occurs under this Agreement:

9.1 Governmental Lender and Bank may exercise any right or remedy that it has under any of the Borrower Loan Documents, or that is otherwise available at law or in equity or by statute (which may be exercised directly or by directing the actions of the Fiscal Agent), and all of Governmental Lender's and Bank's rights and remedies shall be cumulative.

9.2 Bank shall have the right, in its sole discretion, to enter the Property and take possession of it, whether in person, by agent or by court-appointed receiver, to perform any and all work and labor necessary to complete the Improvements substantially in accordance with the Plans, and to collect rents and otherwise protect its collateral and exercise its rights and remedies under the Borrower Loan Documents. If Bank exercises any of the rights or remedies provided in this Section, that exercise shall not make Bank a partner or joint venturer of Borrower. All sums that are expended by Bank in completing the Improvements or in preserving Bank's collateral for the Borrower Loan shall be considered an additional loan to Borrower secured by the Deed of Trust and Security Documents and shall bear interest at the Default Rate.

9.3 Notwithstanding the exercise of any remedy described above or the existence of any Event of Default, Bank, at its option, may make any Advance or disburse any or all of Borrower's Funds without (a) waiving Bank's right to demand payment of the Borrower Loan, (b) incurring liability to make any other or further Advances, and (c) waiving Bank's right to require compliance with Borrower's covenant to correct any defect in the Improvements or departure from the Plans not approved by Bank.

10. POWER OF ATTORNEY. Borrower hereby constitutes and appoints Bank as Borrower's true and lawful attorney in fact with the power and authority, including full power of substitution upon the occurrence and during the continuance of an Event of Default, as follows:

10.1 To take possession of the Property and complete the Improvements or the Capital Improvements..

10.2 To use any of Borrower's Funds and any undisbursed proceeds of the Borrower Loan for the purpose of completing the Improvements and for other costs related thereto and/or to use any of the funds in the Capital Improvement Reserve Account for the purpose of completing any Capital Improvements and for other costs related thereto.

10.3 To make such additions and changes and corrections in the Plans as may be necessary or desirable, as Bank, in Bank's sole discretion, deems proper to complete the Improvements.

10.4 To employ such contractors, subcontractors, agents, architects, engineers and inspectors as are required to complete the Improvements or any Capital Improvements.

10.5 To employ security personnel to protect the Property from damage.

10.6 To pay, settle or compromise all existing bills and claims against Borrower's Funds, the Capital Improvements Reserve Account or any undisbursed proceeds of the Borrower Loan as may be necessary or desirable or as Bank deems proper, in Bank's sole discretion, for the completion of the Improvements or any Capital Improvements, or for the protection or clearance of title to the Property, or for the protection of Bank's interest with respect thereto.

10.7 To prosecute and defend all actions and proceedings in connection with the construction of the Improvements or any Capital Improvements.

10.8 To record any notices of completion, cessation of labor and other notices that Bank deems necessary to protect any interest of Bank under the provisions of this Agreement, the Deed of Trust, any of the Security Documents, or any other Borrower Loan Document.

10.9 To execute, acknowledge, and deliver all instruments and documents in the name of Borrower that may be necessary or desirable or as Bank deems proper, in Bank's sole discretion, and to perform any and every act with respect to the construction of the Improvements and/or any Capital Improvements that Borrower might perform on Borrower's own behalf.

This Power of Attorney is a power coupled with an interest and cannot be revoked. Any costs or expenses incurred by Bank in connection with any acts performed by Bank under or pursuant to this Section shall be paid by Borrower. If such costs are not paid by Borrower upon demand of Bank, interest shall accrue thereon at the Default Rate. Any such advances made or costs or expenses incurred by Bank shall be secured by the Deed of Trust and Security Documents.

11. MISCELLANEOUS.

11.1 Disclaimer. WHETHER OR NOT GOVERNMENTAL LENDER OR BANK ELECT TO EMPLOY ANY OR ALL OF THE REMEDIES AVAILABLE TO GOVERNMENTAL LENDER OR BANK UPON THE OCCURRENCE OF AN EVENT OF DEFAULT, NEITHER GOVERNMENTAL LENDER NOR BANK SHALL BE LIABLE FOR THE CONSTRUCTION OF, OR FAILURE TO CONSTRUCT, COMPLETE OR PROTECT, THE IMPROVEMENTS.

11.2 Notices. All notices, demands, requests or other communications (including communications by facsimile transmission or e-mail) provided for or allowed hereunder shall be in writing and shall be effective only if the same is delivered by personal service, mailed (postage prepaid, return receipt requested), faxed, or e-mailed to the address given with the signatures at the end of this Agreement. Any such notice shall be deemed to have been received by the addressee, (a) if mailed, on the third day following the date of such mailing, or (b) if faxed or e-mailed, upon telephone confirmation of receipt. Any party may at any time change its address for such notices by delivery or mailing the other parties to this Agreement a notice of such change.

11.3 Waivers. Any forbearance, failure or delay by Bank in exercising any right, power or remedy shall not be deemed a waiver thereof and any single or partial exercise of any power, right or remedy shall not preclude any further exercise thereof. No waiver of or consent to any breach of any of the covenants or conditions of this Agreement or any other Borrower Loan Document shall be construed to be a waiver of or a consent to any previous or subsequent breach of the same or any other condition or covenant. No waiver or consent shall be effective under any Borrower Loan Document unless it is in writing and signed by an officer of Bank.

11.4 Governmental Lender's and Bank's Expenses; Rights of Governmental Lender and Bank.

11.4.1 Borrower shall promptly pay to Governmental Lender and Bank, upon demand, with interest thereon from the date of demand at the Default Rate, all reasonable fees, costs and charges, including reasonable fees and expenses of attorneys, accountants, consultants and other experts, incurred in good faith and arising out of or in connection with the Borrower Loan Documents, including without limitation reasonable attorneys' fees (including the fees and costs of Governmental Lender's, Fiscal Agent's and Bank's in-house counsel and legal staff) and all costs and other expenses paid or incurred by Governmental Lender, Fiscal Agent and Bank in exercising its rights or remedies provided for in this Agreement or any other Borrower Loan Document. If at any time Borrower fails to perform any of its obligations hereunder, Bank shall have the right, but not the obligation, to perform such obligations at the expense of Borrower. The amount of any monies so expended or obligations so incurred by Governmental Lender, Fiscal Agent and Bank, together with interest thereon at the Default Rate, shall be repaid to Governmental Lender, Fiscal Agent and Bank promptly upon demand and payment thereof shall be secured by the Deed of Trust and Security Documents. The obligations of this Section 11.4.1 and those in Section 7.24 (Indemnification) shall remain valid and in effect notwithstanding repayment of the Borrower Loan or the Funding Loan Notes or termination of this Agreement or the Funding Loan Agreement.

11.4.2 Governmental Lender and Bank, and any of Governmental Lender's and Bank's representatives, shall have the right, at any time and from time to time, and without notice, to enter upon the Property, to inspect the Improvements and all materials to be used in the construction thereof and to examine the Plans and all detailed plans and shop drawings that are or may be kept at the construction site.

11.5 No Third Party. This Agreement is made for the sole benefit of Borrower, Governmental Lender, Bank and Governmental Lender's and Bank's successors and assigns, and no other Person shall have any rights or remedies under or by reason of this Agreement or any right to exercise any right or power of Governmental Lender and Bank hereunder or arising from any default by Borrower. Governmental Lender and Bank shall owe no duty whatsoever to any claimant for labor performed or material furnished in connection with the construction of the Improvements nor any duty whatsoever to apply any undisbursed proceeds of the Borrower Loan to the payment of any such claim or to exercise any right or power of Bank hereunder or arising from any default by Borrower.

11.6 Time of Essence. Time is of the essence of this Agreement and every part hereof.

11.7 Successors and Assigns. Neither this Agreement nor any right of Borrower to receive any sums, proceeds or disbursements hereunder, may be assigned, pledged, hypothecated, anticipated or otherwise encumbered by Borrower without the prior written consent of Bank. Subject to the foregoing restriction and the restrictions contained in the Deed of Trust, this Agreement shall inure to the benefit of Governmental Lender and Bank and Governmental Lender's and Bank's successors and assigns and shall bind Borrower and Borrower's successors and assigns.

11.8 Participation or Syndication. Bank shall have the right, in its sole discretion, to assign all or any part of Bank's rights in the Borrower Loan and under the Borrower Loan Documents or the Funding Loan Documents, either through direct assignment or through participating interests, subject to the provisions of Section 4.3 of the Funding Loan Agreement. Bank is hereby authorized to disclose to any prospective assignee or participant in the Borrower Loan any and all information regarding Borrower, any Loan Party, the Property or the Borrower Loan.

11.9 Governing Jurisdiction; Venue. This Agreement shall be governed by and construed in accordance with the laws of the state in which the Property is located. Unless required by law or waived by Governmental Lender in writing, any action arising out of this Agreement or the Borrower Loan shall be filed and maintained in Santa Clara County, California.

11.10 Entire Agreement. This Agreement and all other Borrower Loan Documents and the Funding Loan Documents constitute the entire understanding between the parties hereto with respect to the subject matter hereof, superseding all prior written or oral understandings. This Agreement and the other Borrower Loan Documents may be modified, amended or terminated only in writing signed by all parties hereto or thereto.

11.11 Joint and Several Liability. If Borrower consists of more than one Person, each shall be jointly and severally liable to Bank for the performance of this Agreement and the other Borrower Loan Documents.

11.12 Publicity, Signs. Borrower hereby agrees that Bank, at Bank's expense, may publicize the financing of the Property (including the name of Borrower) and, in connection therewith, may use the project name and address, and a description, photograph or other illustrative drawing of the Property. Borrower hereby grants Bank the right to erect or cause to be erected Bank's sign or signs in size and location desired by Bank on the Property so long as such sign or signs do not interfere with the construction of the Improvements. Borrower will exercise, and will cause Contractor and subcontractors to exercise, due care to protect said sign or signs from damage.

11.13 Credit Information and Reports. Borrower authorizes Bank to release information concerning Borrower's financial condition to suppliers, other creditors, credit bureaus and other credit reporters, and to obtain such information from any third party at any time.

11.14 Headings. The various headings of this Agreement are included for convenience only and shall not affect the meaning or interpretation of this Agreement or any provision hereof.

11.15 Severability. Should any one or more provisions of this Agreement be determined to be illegal or unenforceable, all other provisions nevertheless shall be effective.

11.16 Counterparts. This Agreement and each other Borrower Loan Document may be executed in two (2) or more counterparts, each of which shall be deemed an original but taken together shall be one and the same document.

11.17 USA Patriot Act. Bank is subject to the USA Patriot Act and hereby notifies Borrower that pursuant to the requirements of that Act, Bank is required to obtain, verify and record information that identifies Borrower, which information includes the name and address of Borrower and other information that will allow Bank to identify Borrower in accordance with the Act.

11.18 Waiver of Jury Trial. To the extent permitted by law, in connection with any action or proceeding, whether brought in state or federal court, the Borrower, and Bank hereby expressly, intentionally and deliberately waive any right they may otherwise have to trial by jury of any Claim (as defined below).

11.19 Judicial Reference. If the waiver of jury trial set forth hereinabove is not enforceable under the laws of the state in which the Property is located, then the Borrower and Bank hereby agree that all Claims, including any and all questions of law or fact relating thereto, shall, at the written request of any party, be determined by Reference (as hereinafter defined) as set forth hereinbelow:

11.19.1 Selection Or Appointment Of Referee. The Bank and Borrower shall select a single neutral referee, who shall be a retired state or federal judge. In the event that the Bank and Borrower cannot agree upon a referee, the referee shall be appointed by the court.

11.19.2 Conduct Of Reference. Except as otherwise provided in this Agreement, the Reference shall be conducted pursuant to the laws of the state in which the Property is located. The referee shall determine all issues relating to the applicability, interpretation, legality and enforceability of the Borrower Loan Documents or Funding Loan Documents. The referee shall report a statement of decision to the court. The Bank and Borrower shall equally bear the fees and expenses of the referee, unless the referee otherwise provides in the statement of decision.

11.19.3 Provisional Remedies, Self-Help And Foreclosure. No provision of this Agreement shall limit the right of any party to (i) exercise self-help remedies including, without limitation, set-off, (ii) foreclose against or sell any collateral, by power of sale or otherwise or (iii) obtain or oppose provisional or ancillary remedies from a court of competent jurisdiction before, after or during the pendency of the Reference. The exercise of, or opposition to, any such remedy does not waive the right of any party to a Reference pursuant to this Agreement.

11.19.4 No Decision By Jury. The Borrower and Bank hereby acknowledge that if a referee is selected or appointed to determine the Claims, then the Claims will not be decided by a jury.

11.19.5 Miscellaneous. In the event that multiple Claims are asserted, some of which are not subject to this Section, the parties agree to stay the proceedings of the Claims not subject to this Section until all other Claims are resolved in accordance with this Section. In the event that Claims are asserted against multiple parties, some of whom are not subject to this Section, the Parties agree to sever the Claims subject to this Section and resolve them in accordance with this Section.

11.19.6 Claim. “Claim” shall mean any claim, cause of action, action, dispute or controversy between or among the parties, whether sounding in contract, tort or otherwise, which arises out of or relates to: (i) any of the Borrower Loan Documents or the Funding Loan Documents; (ii) and negotiations or communications relating to any of the Borrower Loan Documents or the Funding Loan Documents, whether or not incorporated into the Borrower Loan Documents or the Funding Loan Documents or any indebtedness evidenced thereby; or (iii) any alleged agreements, promises, representations or transactions in connection therewith.

11.19.7 Reference. “Reference” shall mean a judicial reference conducted pursuant to this Agreement and in accordance with the laws of the state in which the Property is located, as in effect at the time the referee is selected or appointed.

11.20 Limitation on Damages. In the event that punitive damages are permitted under the laws of the state in which the Property is located, the amount thereof shall not exceed a sum equal to three times the amount of actual damages.

11.21 Exhibits. All exhibits attached hereto are incorporated herein as if fully set forth within this Agreement.

**EXHIBIT C
SPECIAL CONDITIONS**

1. The following representations and warranties are incorporated by reference in Section 6 of this Agreement:

- (a) The Project is located wholly within the City of San Jose, California.
- (b) The Borrower shall make no changes to the Project or to the operation thereof which would affect the qualification of the Project under the Act or impair the exclusion from gross income for federal income tax purposes of the interest on the Funding Loan Note. The Borrower intends to utilize the Project as multifamily rental housing during the Qualified Project Period (as defined in the Tax-Exempt Regulatory Agreement).
- (c) Not in excess of two percent (2%) of the proceeds of the Borrower Loan will be used to pay costs of issuance of the Funding Loan Note.
- (d) The acquisition, construction and operation of the Project in the manner presently contemplated and as described herein and in the Tax-Exempt Regulatory Agreement will not conflict with any zoning, water or air pollution or other ordinance, order, law or regulation applicable thereto. The Borrower will cause the Project to be constructed and operated in all material respects in accordance with all applicable federal, state and local laws or ordinances (including rules and regulations) relating to zoning, building, safety and environmental quality.
- (e) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the Project; that it is familiar with the provisions of all of the documents and instruments relating to the financing of the Project to which it is a party; that it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project; and that it has not relied on the Governmental Lender for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the Governmental Lender in any manner except to issue the Funding Loan Note in order to provide funds for the Borrower Loan.
- (f) The Borrower intends to hold the Project for its own account, has no current plans to sell and has not entered into any agreement to sell the Project.
- (g) The Borrower has contacted all "related persons" thereof (within the meaning of Section 147(a) of the Code) of which it is aware; and none of them shall, at any time, pursuant to any arrangement, formal or informal, acquire any interest in the Funding Loan Note in an amount related to the amount of the Borrower Loan.
- (h) All of the proceeds from the Borrower Loan plus any income from the investment of the proceeds thereof will be used to pay or reimburse the Borrower for Project costs, and at least 97% of the proceeds of the Borrower Loan will be used to pay or reimburse the Borrower for Qualified Project Costs (as defined in the Tax-Exempt Regulatory Agreement) and less than 25% of such amount will be used to pay or reimburse the Borrower for the cost of land or any interest therein. The Borrower shall assure that the proceeds of the Borrower Loan are expended so as to qualify the Project as a "qualified residential rental project" within the meaning of Section 142(d) of the Code.
- (i) The Borrower has not knowingly taken or permitted to be taken and will not knowingly take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on the Funding Loan Note to be included in the gross income of the owners thereof for purposes of federal income taxation.
- (j) The Borrower hereby represents and warrants that, within the meaning of Section 147(b) of the Code, the weighted average maturity of the Funding Loan Note does not exceed 120 percent

of the average reasonably expected economic life of the facilities being financed with the proceeds of the Funding Loan Note.

(k) The Borrower represents and warrants that no portion of the proceeds of the Borrower Loan will be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Borrower Loan will be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

2. The following covenants of Borrower are incorporated by reference in Section 7 of this Agreement:

(a) The Borrower covenants that it shall not take, or permit or suffer to be taken by the Governmental Lender or otherwise, any action with respect to the proceeds of the Funding Loan Note which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Funding Loan Note would have caused the Funding Loan Note to be an "arbitrage bond" within the meaning of Section 148(a) of the Code.

(b) Payment of Governmental Lender Fees and Expenses.

(i) Borrower hereby agrees to pay to the Governmental Lender the amounts described in Section 7(a)) of the Tax-Exempt Regulatory Agreement.

(ii) The Borrower agrees to pay to the Governmental Lender, within fifteen (15) days after receipt of request for payment thereof, all reasonable out-of-pocket expenses of the Governmental Lender related to the Project and the financing thereof that are not otherwise required to be paid by the Borrower under the terms of this Agreement and are not paid from disbursements of the Borrower Loan, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Funding Loan.

(c) Tax Exempt Status of the Funding Loan Note.

(i) It is the intention of the Governmental Lender, Bank and the Borrower that interest on the Funding Loan Note shall be and remain excludable from gross income for federal income taxation purposes, and to that end the covenants and agreements of the Borrower in this Section are for the benefit of the Bank and the Governmental Lender.

(ii) The Borrower covenants and agrees that it will not knowingly and willingly use or permit the use of any of the funds provided by the Governmental Lender or the Bank hereunder or any other funds of the Borrower, directly or indirectly, in such manner as would, or enter into, or allow any "related person" (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the Funding Loan Note that would, or take or omit to take any other action that would cause the Funding Loan Note to be an "arbitrage bond" within the meaning of Section 148 of the Code or "federally guaranteed" within the meaning of Section 149 of the Code and applicable regulations promulgated from time to time thereunder.

(vi) The Borrower further warrants and covenants that it has not executed and will not execute any other agreement, or any amendment or supplement to any other agreement, with provisions contradictory to, or in opposition to, the provisions of this Borrower Loan Agreement and of the Tax-Exempt Regulatory Agreement, and that in any event, the requirements of this Borrower Loan Agreement and the Tax-Exempt Regulatory Agreement are paramount and controlling as to the rights and obligations herein set forth and supersede any other requirements in conflict herewith and therewith.

(vii) The Borrower shall not purchase, and shall use its best efforts to prevent any guarantor of the Borrower from purchasing, pursuant to an arrangement, formal or informal, any interest in the Funding Loan Note in an amount related to the amount of the Borrower Loan.

(viii) The Borrower will use due diligence to complete the acquisition and construction of the Project and reasonably expects to fully expend the portion of the Borrower Loan by the Completion Date.

(ix) The Borrower will calculate or cause to be calculated, at the times required by the Code, any rebate due to the federal government in respect of the Funding Loan Note, and will make timely payment of any rebate amount due to the federal government.

(d) **Limited Liability.** The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Borrower Loan Agreement, the Funding Loan Note or any of the other Funding Loan Documents or Borrower Loan Documents, except only to the extent amounts are received for the payment thereof from the Borrower under this Borrower Loan Agreement.
