

# Memorandum

**TO:** HONORABLE MAYOR  
AND CITY COUNCIL

**FROM:** Toni Taber, CMC  
City Clerk

**SUBJECT:** COSTS ESTIMATES TO PLACE  
A MEASURE ON THE MARCH 3,  
2020 BALLOT

**DATE:** November 22, 2019

## SUPPLEMENTAL

The following is designed to give the Council an idea of the costs to place a measure on the ballot for the March 3, 2020 statewide primary election, as well as associated deadlines for the submittal of ballot arguments; rebuttal arguments, if authorized; and the impartial analysis to the City Clerk. The amounts are based on estimates provided by the Registrar of Voters and are subject to change.

## COST SUMMARY/IMPLICATIONS

In adopting a resolution calling a Special Municipal election for a ballot measure, the Council may consider certain options which affect the cost of the election. The City of San José consolidates with the Santa Clara County Registrar of Voters for its elections. The estimated total cost of the ballot measure will be approximately \$1,692,893. This includes the costs for the Text of Measure, City Attorney's Impartial Analysis, arguments for and against the measure, rebuttal arguments. A breakdown of the costs is detailed below:

Item	Cost
Base Cost	\$1,531,442
Text of Measure (one page)	\$30,271
Impartial Analysis (one page)-500 word page	\$27,698
Arguments (one page per argument) -300 word page	\$52,379
Rebuttals (one page per argument) – optional – 250 word page	\$51,103
<b>Total Cost Measure</b>	<b>\$ 1,692,893</b>

The City Council has appropriated \$2,742,361 of the General Fund for elections costs in 2019-2020 (Appropriation 3955 – Elections and Ballot Measures). The cost of the elections for Councilmembers is estimated to cost \$883,846 for a total estimate of \$2,576,739. If necessary, recommended budget actions would be brought forward as part of the 2019-2020 Annual Report to address any funding gap. It is important to note that the election costs are estimates only and will be revised based on the final fee schedule from the County Registrar of Voters and actual registration levels.

Additionally, the City Council's decisions pertaining to the inclusion of rebuttal arguments and/or the full measure text in sample ballots can offer significant cost savings.

### **IMPARTIAL ANALYSIS:**

Under Elections Code Section 9280, the City Attorney "shall prepare an impartial analysis of the measure showing the effect of the measure on the existing law and the operation of the measure." The Impartial Analysis appears preceding the arguments for and against the measure in the voter's handbook and is limited to 500 words. The cost for this one page analysis is estimated at per page. **The deadline to submit the Impartial Analysis to the City Clerk is 12:00 Noon, Tuesday, December 17, 2019.**

### **BALLOT ARGUMENTS:**

Arguments for and against a ballot measure may be submitted that are 300 words or less (Elections Code Section 9282). **The deadline to submit ballot arguments to the City Clerk is 12:00 Noon, Tuesday, December 10, 2019.** Only one argument for and one argument against will be printed in the Sample Ballot. A ballot argument must be accompanied by the printed name and signature or printed names and signatures of the author or authors submitting it, or, if submitted on behalf of an organization, the name of the organization and the printed name and signature of at least one of its principal officers who is the author of the argument. In addition, no more than five signatures will appear with any argument. In case any argument is signed by more than five authors, the signatures of the first five shall be printed. (Elections Code Section 9283.)

If more than one argument for or against is submitted, the Elections Code establishes a priority order, shown below (Elections Code Sections 9282 and 9287):

1. The legislative body, or member or members of the legislative body authorized by that body.
2. The individual voter, or bona fide association of citizens, or combination of voters and associations, who are the bona fide sponsors or proponents of the measure.
3. Bona fide associations of citizens.
4. Individual voters who are eligible to vote on the measure.

The ballot arguments are generally one page per side, two pages total, and the estimated cost is \$26,190 per page per measure or a total of \$52,379 for two arguments.

### **REBUTTAL ARGUMENTS:**

In addition, the Council has the discretion to permit rebuttals to arguments to be printed in the Sample Ballot. Rebuttal arguments must be 250 words or less. (Elections Code Section 9285). The Council determined not to allow rebuttal arguments for Measure E—Cardroom Gaming in the November 2012 election, nor did they allow rebuttal arguments for Measure G—Employee

Retirement Boards Governance Structure and costs were reduced accordingly. The Council, however, did permit rebuttal arguments for all Measures in the November 2018 election.

**If the Council chooses to permit rebuttals to arguments, the deadline to submit rebuttal arguments to the City Clerk is 12:00 Noon, Tuesday, December 17, 2019.** The City Clerk will send a copy of an argument in favor of the measure to the authors of any argument against the measure and a copy of an argument against the measure to the authors of any argument in favor of the measure immediately upon receiving the arguments. The author or a majority of the authors of an argument relating to a measure may prepare and submit a rebuttal argument or may authorize in writing any other person or persons to prepare, submit, or sign the rebuttal argument, but no more than five persons may sign the rebuttal. (Elections Code Sections 9285 and 9283.)

Rebuttal arguments are generally one page for each side, two pages, at a cost of \$25,552 per page per measure or a total of \$51,103.52 for two rebuttals.

#### **FULL MEASURE TEXT IN THE SAMPLE BALLOT:**

In order to reduce elections costs, over the past few years, the City Council has decided not to include the full text of ballot measures in the sample ballot. Alternatively, the full text of the measure(s) is available on the City's web page in multiple languages or is provided to any person upon request to the City Clerk. The City Attorney's Impartial Analysis would include the following statement:

"If you would like to read the full text of the measure, see [www.sanjoseca.gov/clerk](http://www.sanjoseca.gov/clerk) or call (408) 535-1260 and a copy will be sent at no cost to you." The City Clerk will send, without charge, a copy of the full text of any or all City measures to any person requesting a copy.

#### **PUBLIC OUTREACH**

This memorandum will be posted on the City's Council Agenda website for the December 3, 2019 Council Meeting.

#### **COORDINATION**

This memorandum was coordinated with the City Attorney's Office.
