for Saturday events and as such City Council approval is required to authorize free use for the Homeless Memorial Observance on Saturday, December 21, 2019.

On February 1, 2005, the City Council adopted Resolution No. 72517 which requires Councilmembers to submit a memorandum to the Rules Committee regarding proposed City Council sponsored Special Events and the proposed use of any funds.

The Homeless Memorial Observance will be held on Saturday December 21, 2019 at the City Hall Rotunda on 200 East Santa Clara Street, San Jose, CA 95113 and sponsored by Councilmember Sergio Jimenez and the Silicon Valley Interreligious Council. This special event will honor the houseless individuals that have died unsheltered on the streets of San Jose, bring awareness to the tragedy of homelessness and build community support for compassionate solutions to our City's homeless crisis. The event is free and open to the public.

ANALYSIS

Approval for this event's free use designation is required because the event will be held on Saturday, December 21, 2019. This event is expected to significantly benefit the community if scheduled on a Saturday for multiple reasons. First, Saturday December 21, 2019 is the winter solstice and represents the longest day of the year that our unhoused residents will go unsheltered. Second, hosting the event on Saturday would accommodate the schedules of community members who work full-time jobs during the weekday and increase the number of participants. Lastly, this event will include resources and information and from homeless advocates and non-profits for which a Saturday schedule is most accommodating.

Free use is being requested because of the public benefit this Homeless Memorial Observance will bring to the City of San Jose by supporting the City Council and the Housing Department's goal to end homelessness. This event will provide much needed resources to unhoused individuals such as referrals for services, health screenings and showers. This event is also an opportunity to educate the general public about homelessness, its root causes and potential solutions. Homelessness is undoubtedly the City's greatest challenge this event will provide an opportunity for robust public dialogue on this urgent matter.

The Silicon Valley Interreligious Council (SiVIC) is a 501(c)(3) nonprofit that is actively registered with the California Secretary of State (C3363349) and current in its charity registration with the California Attorney General's Registry of Charitable Trusts (CT0177185). The Silicon Valley Interreligious Council, was created in 2011 to serve as a connecting point for interreligious efforts in Santa Clara County, including education, dialogue, and service. Until the creation of SiVIC no single formal interreligious organization stood out as a clear center of multi-faith cooperation in the community. SiVIC has emerged a premier organization to address community needs and common interests and has led people of multiple faiths to come together for a common cause. SiVIC seeks to encourage, connect, and showcase these efforts through community dialogues, events, meetings, projects and activities. One of SiVIC current projects is teaching compassion for others, particularly our houseless residents in San Jose.

Approval by the City Council of the event will ensure compliance with the Council's prior direction regarding Council Special Events. In observance of existing fundraising disclosure requirements, Councilmember Jimenez will report any cash or in-kind donations received for the event on their Disclosure of Fundraising Report (DFR-1). Approval of this memorandum will enable Council District 2, City departments and the Office of the City Clerk to proceed with the event. Any cash donations received will be processed pursuant to the City's normal financial and budgetary procedures.
