## BACKGROUND

On February 1, 2005, the City Council adopted Resolution 72517 which requires Councilmembers to submit a memorandum to the Rules Committee regarding proposed City Council sponsored Special Events and the proposed use of any funds.

The Team 222 Cleanup was a free event, open to the public, and was held on Saturday, January 11, 2020 at two locations throughout the City coordinated through South Bay Clean Creeks Coalition and in cooperation with City departments and community volunteers. The Team 222 program meets on the second Saturday every other month, and volunteers cleanup the local waterways for two hours. Collectively, in FY 2018-2019, the efforts of Team 222 alone have removed 18 tons of trash from our waterways, covered 207.4 cubic yards of land, and mobilized 752 volunteers.

## ANALYSIS

Approval by the City Council of the event will ensure compliance with the Council's prior direction regarding Council Special Events. In observance of existing fundraising disclosure requirements, Councilmembers and the Mayor who obtain donated items will report any cash or
